

This does not constitute tax advice. All persons considering use of available incentives should consult with their own tax professional to determine eligibility, specific amount of benefit available, if any, and further details.

## STATE OF CALIFORNIA

# Sacramento Municipal Utility Rate Reduction

Short Description: A discount rate is offered for electricity used to charge Electric Vehicles

Beneficiary: Sacramento Municipal Utility District customer who charges an electric vehicle

Type of Incentive: Reduced rate for electricity used

Effective Dates: Current benefit, no sunset date

Value of Benefit: Reduced rate for electricity used

Full Description: SMUD's electric vehicle charging rate is approximately half the regular residential rate. To take advantage of the electric vehicle charging rate, an additional meter must be installed at the residence with a dedicated electric vehicle charging outlet. To request the charging rate, or for questions concerning charging stations and general information, please contact SMUD Electric Transportation at (916) 732-5486.
