

This does not constitute tax advice. All persons considering use of available incentives should consult with their own tax professional to determine eligibility, specific amount of benefit available, if any, and further details.

STATE OF CALIFORNIA

Free Parking: San Jose

Short Description: Free Parking for electric vehicles displaying clean fuel sticker

Beneficiary: Driver of Electric vehicle displaying clean vehicle sticker

Type of Incentive: Parking Incentive

Effective Dates: Current benefit, no sunset date

Value of Benefit: Non-Cash Benefit. The application form for the Clean Plate has been reproduced below.

Full Description: The City of San Jose has developed a Clean Air Vehicle Parking Program to reduce vehicle emissions, stimulate activity in the downtown, and increase sales of clean air vehicles at San Jose auto dealerships. For eligible vehicles, the program allows free parking at participating municipal off street parking facilities, on-street meters, and regional park and recreation parking lots. Vehicles must display the Clean Air Vehicle Parking Permit, which is available for an application fee. Only eligible vehicles registered in San Jose after January 1, 2000, can obtain a permit. Zero Emission Vehicles purchased outside San Jose are also eligible to apply as long as the vehicle is registered in San Jose.
