

This does not constitute tax advice. All persons considering use of available incentives should consult with their own tax professional to determine eligibility, specific amount of benefit available, if any, and further details.

STATE OF PENNSYLVANIA

PLUG-IN ELECTRIC VEHICLE (PEV) REBATE - PECO

Short Description: PECO provides rebates of \$50 to residential customers who purchase a new qualified PEV and submit a rebate form by December 31, 2015.

Beneficiary: Residential customers of PECO who purchase a new qualified PEV by December 31, 2015.

Type of Incentive: Cash rebate

Effective Dates: Current benefit, Expires December 31, 2015

Value of Benefit: Cash rebate of \$50.

Full Description: PECO provides rebates of \$50 to residential customers who purchase a qualified electric vehicle. To be eligible to receive the rebate you must live at an address that currently receives residential service from PECO, or reside at an apartment that is in the PECO service territory and pay the residential electric service. Rebate funds are limited, and are contingent upon fund availability for this program. Qualified electric vehicles must be purchased by December 31, 2015 and a rebate form must be also submitted by December 31, 2015.
