

This does not constitute tax advice. All persons considering use of available incentives should consult with their own tax professional to determine eligibility, specific amount of benefit available, if any, and further details.

## STATE OF WASHINGTON

# Electric Vehicle Supply Equipment Rebate

**Short Description:** Puget Sound Energy (PSE) provides a \$500 rebate to qualified customers for the purchase and installation of qualified level 2 electric vehicle supply equipment (EVSE).

**Beneficiary:** Puget Sound Energy customer and purchaser of Level 2 EVSE

**Type of Incentive:** Cash Rebate

**Effective Dates:** Effective until April 1, 2017.

**Value of Benefit:** \$500

**Full Description:** Puget Sound Energy (PSE) provides a \$500 rebate to qualified customers for the purchase and installation of Level 2 EVSE. Eligible applicants must be PSE residential electric schedule 7 customers, must be the registered owner of an EV, and must install a Level 2 EVSE within a specified timeframe. The rebate is available on a first come, first served basis to the first 5,000 qualified customers. PSE expects the rebate program to remain open until November 1, 2016, depending on available funds. For more information, including additional requirements, see PSE's Electric Vehicles website.
