

This does not constitute tax advice. All persons considering use of available incentives should consult with their own tax professional to determine eligibility, specific amount of benefit available, if any, and further details.

STATE OF GEORGIA

High Occupancy Vehicle (HOV) and High Occupancy Toll (HOT) Lane Exemption

Short Description: Unlimited use of HOV and HOT lanes for a properly licensed electric vehicle with proper alternative fuel license plate

Beneficiary: Driver of a properly licensed qualified electric vehicle registered in the State of Georgia

Type of Incentive: Transportation Benefit

Effective Dates: Current Benefit, effective through September 20, 2025

Value of Benefit: Non-cash benefit. In order to qualify, an applicant must complete the clean plate application form (below)

Full Description:

Alternative fuel vehicles (AFVs) displaying the proper alternative fuel license plate may use HOV and HOT lanes, regardless of the number of passengers. Qualified AFVs may also use the HOT lanes toll-free. AFVs include plug-in electric vehicles and bi-fuel or dual-fuel vehicles that operate on natural gas or propane. Applicants must provide proof they have paid registration fees in full before receiving the license plate. This exemption expires September 30, 2025.

For more information on fees and eligibility for the AFV license plate, see the Department of Revenue and Department of Safety website(s).
