Tennessee to Provide \$2,500 Rebate for Electric Vehicle Purchases

Released on Wed, Sep 08, 2010 - 12:34 pm under [Economic and Community Development](#)

NASHVILLE – Governor Phil Bredesen today announced the state of Tennessee, through its participation in the national Electric Vehicle (EV) Project, will offer a \$2,500 rebate on the first 1,000 electric vehicles purchased in Tennessee by consumers who participate in the EV Project. The state rebate will complement a federal tax credit of up to \$7,500 for the purchase of electric vehicles.

Rebates are available on the purchase of qualified vehicles with the trim package that provides the port for a DC fast charger and any other criteria set forth by ECOTality for participation in the project. The program will offer the rebate to consumers through Nissan's network of automotive dealerships in Tennessee. The rebate will be applied at the time the vehicle is purchased.

"We've worked hard in Tennessee to become a leader in driving clean energy solutions and creating clean energy jobs," Bredesen said. "We're already seeing additional jobs being created as a result of those efforts, and our participation in the Electric Vehicle project is another indication that Tennessee is leading the way to the future of clean energy and alternative fuels."

The Governor announced the rebate program today during a lunch time address in Nashville at the TVA Fuel Solutions Forum, which focused on using electricity as a transportation fuel.

Tennessee is one of six states and the District of Columbia selected to participate in the EV project, which is funded through a \$100 million grant from the U.S. Department of Energy. The EV project is the largest deployment of electric vehicles and charging infrastructure in U.S. history.

On August 5, 2009, ECOTality was awarded a \$99.8 million dollar grant from the U.S. Department of Energy for the EV Project, which was officially launched on October 1, 2009 and will continue approximately 36 months. More information about the EV Project can be found at <http://www.theevproject.com/> or by calling 1-888-998-2546.

The \$2.5 million in state funding for the rebate program was approved in last year's state budget and draws from the petroleum violation escrow (PVE) account, which are funds collected by the federal government from oil companies. PVE dollars can only be used for approved energy-related activities.

In May of this year, Bredesen joined Nissan officials in breaking ground for the 1.3 million square foot facility that will produce the lithium-ion batteries that will power the Nissan LEAF, an all-electric vehicle that produces no emissions. The battery facility is expected to create 1,300 additional jobs in Smyrna. The Nissan LEAF will also be manufactured in Smyrna and will begin rolling off the production lines in late 2012.

Consumers interested in purchasing the Nissan LEAF can learn more about the registration process by visiting www.nissanusa.com.

Item 1. Any funds appropriated by this General Assembly for capital outlay, capital maintenance and major maintenance shall not revert to the general fund but shall remain available until expended. It is the intent of the General Assembly that funds of capital outlay nature shall remain available until expended for the purpose for which the appropriations were made.

In the fiscal years ending June 30, 2011, and June 30, 2012, the carry-forward and reappropriation of unexpended appropriations for major maintenance shall be subject to approval by the Commissioner of Finance and Administration based upon the availability of revenues and reserves in the general fund at June 30, 2011, and June 30, 2012.

This appropriation is made notwithstanding the provisions of Section 20 of this act and the provisions of Tennessee Code Annotated, Title 54, Chapter 2, Part 2, to the contrary. Any reappropriation made pursuant to the provisions of this item is subject to the approval of the State Building Commission.

Item 11. The appropriation in Section 1, Title III-7, to the Department of Correction, Sentencing Act of 1985, is made pursuant to TCA, Section 9-4-210.

(a) The appropriation reflects a base appropriation reduction of \$1,459,100, which recognizes the increased recurring operating costs at the Southeastern Tennessee State Regional Correctional Facility in fiscal year 2011-2012.

(b) The appropriation in the amount of \$33,480,000 is hereby reappropriated to the department for major maintenance and capital outlay purposes.

(c) From any remaining reserve fund balance carried forward at June 30, 2011, there is hereby appropriated a sum sufficient to the department for major maintenance and capital outlay purposes.

(e) On or before October 1, 2011, the Commissioner of Finance and Administration shall submit a detailed financial report to the Chairs of the Finance, Ways and Means Committees of the Senate and House of Representatives and to the Chair of the Corrections Oversight Committee concerning all activities of the "Sentencing Act of 1985 reserve account (established and maintained pursuant to TCA, § 9-4-210)" during fiscal year 2010-2011. The report shall indicate the account balance on July 1, 2010, and shall itemize all funds deposited into the reserve account as well as all funds allocated from the reserve account. For each such allocation from the reserve account, the report shall describe the purpose, amount and location of the allocation as well as any other information deemed to be informative by the Commissioner.

Item 12. The provisions of this item shall take effect upon becoming law, the public welfare requiring it. From the appropriation made to the Department of Economic and Community Development for capital outlay grants to the Wacker Chemie AG Plant project in Section 1, Title III-32 of Chapter 554, Public Acts of 2009, the Commissioner of Finance and Administration is authorized to approve transfers to the FastTrack Infrastructure and Job Training Assistance program in the general fund.

Item 13. The capital maintenance project, MTSU Several Buildings Envelope Repairs, to be funded in the amount of \$1,290,000 (including \$1,200,000 bonds) from the Tennessee Board of Regents appropriation in Section 1, Title III-32, Item 7 of this act and listed on page A-141 of the 2011-2012 budget document, is deleted and there is hereby reappropriated the sum of \$1,290,000 (including \$1,200,000 bonds) for the MTSU Saunders Fine Arts Building HVAC Updates.

SECTION 3.

Item 1. Appropriations made under Section 1, Titles III-11 and III-16, for the operation of the state regulatory boards, shall be subject to allotment by the Commissioner of Finance and Administration, and no expenditure shall be made by any said boards out of fees collected by them unless and until such allotments have been made by the Commissioner of Finance and Administration. Such allotments for the operation of said respective boards as are made by the Commissioner of Finance and Administration shall be disbursed under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51.

The allotment hereinabove provided shall be subject to the condition that no money shall be paid therefrom for the salary of any employee of said boards unless and until such salary has been approved by the Commissioner of Human Resources. The appointment of all employees of said boards shall likewise be approved by the Commissioner of Human Resources.

Notwithstanding any provision of law to the contrary, no member of any board or commission established by law or pursuant to law, which receives an appropriation under this act, regardless of the source of funding, shall receive any compensation, whether denominated per diem or by whatever name called, except for days in which such member actually works four (4) or more hours performing duties directly relating to that board's or commission's activities, or for time or days spent attending meetings of that board or commission. The chairman or head of each board or commission, the department head to which such board or commission is attached administratively, and the Commissioner of Finance and Administration, shall prescribe procedures to contain, as a minimum, a certification of time worked by each member claiming compensation.

Item 2. Except as otherwise provided in this section, the appropriations to the Wildlife Resources Agency under Section 1, Title III-6, shall be paid out of the special fund established under Tennessee Code Annotated, Title 70, Chapter 1, Part 4 and Section 69-9-203. Such appropriations shall be expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51, and shall be used only for the expenses of the Wildlife Resources Agency pursuant to Tennessee Code Annotated, Title 70 and Title 69, Chapter 9, Part 2, and no part of the unexpended fund left at the end of the fiscal year shall be used for any other purpose but shall be carried over in said fund and may be expended during the next year, and all of said fees and revenues provided by Tennessee Code Annotated, Title 70 and Title 69, Chapter 9, Part 2, are herein specifically apportioned and appropriated to the use and for the benefit of the Wildlife Resources Agency to be expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51. Nothing in this item shall be construed as relieving the Wildlife Resources Agency of the duty of policing littering of lakes and streams.

Item 3. The appropriation to the State Board of Law Examiners in Section 1, Title II, Item 16, shall be from funds generated by fees collected by the board under the provisions of Tennessee Code Annotated, Title 23, Chapter 1.

In case the appropriation to the board shall prove inadequate to allow the board to function efficiently, the Commissioner of Finance and Administration may make an additional allotment thereto from the general fund, the total of all allotments to the board not to exceed the revenues paid into the treasury by the board.

Item 4. The appropriation to the Department of Financial Institutions in Section 1, Title III-12, shall be derived from banking fees assessed pursuant to Tennessee Code Annotated, Title 45, Chapter 1, Part 1. No part of the unexpended fees left at the end of the fiscal year shall revert to the general fund.

DEPARTMENTAL REVENUES

SECTION 4. All departmental revenues of every kind, as hereinafter defined, collected by any department, institution, office, or agency, in the course of its operations, for its own use, are hereby appropriated to it in addition to the specific appropriations made by this act, unless otherwise provided in this act or other provision of law. Federal aid funds granted to the state for the use of or to be administered by any department, institution, or agency, are likewise appropriated. For the purpose of this section "departmental revenues" are defined as (1) earnings or charges for goods or services; (2) donations, contributions or participation by political subdivisions, foundations, corporations, firms or persons. State revenues, in contradistinction to departmental revenues, are the proceeds of taxes, licenses, fees, fines, forfeiture or other imposts laid specifically by law.

Notwithstanding any provision of the previous paragraph, the Department of Health shall deposit all funds generated by fees or taxes collected by such entity in the general fund of the state. Any appropriations for the operation of such entity shall be subject to allotment by the Commissioner of Finance and Administration, and no expenditure shall be made by any such entity out of fees or taxes collected by it, unless and until such allotments have been made by the Commissioner of Finance and Administration. Such allotments for the operation of such entity as are made by the Commissioner of Finance and Administration shall be disbursed under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51.

Item 26. The General Assembly recognizes that demands on available state revenue are such that it may be necessary to establish priorities among state services and programs and to revise the methods of allocating state resources. Therefore, it is the legislative intent that local governments should consider in undertaking long-term obligations based on state payments, specifically state per diem payments for housing state inmates in local jails, that existing payments may be reduced or eliminated in the future and such not be regarded as the principal source of funding for debt repayment obligations.

Item 27. From the appropriation in Section 1, Title III-3, Item 3, Department of Agriculture, Market Development, the following amounts are earmarked:

(a) Non-recurring grants of \$250,000 to the Future Farmers of America (FFA) and \$250,000 to the 4-H Foundation.

(b) It is the intent of the General Assembly that in addition to or as part of the services provided pursuant to subsection (a), the Center shall administer the Tennessee Government Executive Institute, the Tennessee Government Management Institute, and the Local Government Leadership Program as well as other such programs or initiatives that promote leadership development and public service.

Item 33. From the funds appropriated by this act, the State Funding Board is directed to conduct a study of the budgeted contingency costs of capital outlay projects compared to the actual costs of such capital outlay projects to increase efficiency in state government. Such study shall examine the methodologies and reporting requirements of entities completing such capital outlay projects and the use of such contingency funds to develop best practices for managing the public debt of the state. It is the legislative intent that all entities eligible to receive state bond proceeds participate in such study by providing timely information and other services as requested by the State Funding Board.

SECTION 11. The appropriations made by this act under Sections 1 and 4 to the Department of Education shall be subject to the following provisions, limitations, or restrictions:

Item 2. From the appropriations made to the Department of Education under Section 1, Title III-9, of this act, the Department of Education is authorized to pay through disbursements to local education agencies (LEAs), the following amounts based on the Basic Education Program (BEP) formula, of participation in the basic accident and medical expense insurance plan, authorized by Tennessee Code Annotated, Title 8, Chapter 27, Part 3, by eligible employees of local education agencies:

(2) Pursuant to Tennessee Code Annotated, Section 8-27-303(j)(2), beginning January 1, 2012 each local education agency shall pay on behalf of each support staff employee participating in the health insurance coverage authorized by Tennessee Code Annotated, Sections 8-27-302 and 303 a minimum of ten percent (10%) of the monthly premium for the coverage elected by the support staff employee.

The Local Education Insurance Committee shall determine a calendar year 2012 plan of benefits, related services, and monthly premiums for each of the health care options offered through the "basic plan" it authorizes pursuant to Section 8-27-302, Tennessee Code Annotated, which results, with reasonable certainty, in the provision of sufficient revenues to pay plan expenses and to provide for the funding of reserves for estimated incurred but unreported claims. The aggregate amount of funds obligated through the determination of the plans of benefits and the monthly premiums by the Local Education Insurance Committee shall not exceed the amount appropriated to the Department of Education, Basic Education Program's insurance component in this act. The monthly premiums shall be subject to the approval of the Commissioner of Finance and Administration pursuant to Section 4-3-1006, Tennessee Code Annotated.

Item 5. Under the provisions of Tennessee Code Annotated, Sections 49-3-357 and 49-3-358, pertaining to interest accruing on investments and deposits to the Education Trust Fund and the Basic Education Program, it is the legislative intent that only interest earnings be recognized and that no interest expense be charged to the fund and the program.

Item 6. The Department of Education shall submit to the Office of Legislative Budget Analysis the revised BEP funding formula for the ensuing fiscal year no later than January 1 of each year.

Item 7. Local education agencies are required to report average daily membership (ADM) to the Department of Education on a scheduled basis. To the extent a local education agency fails to report accurate and timely ADM information to the department, the BEP payments for the subsequent fiscal year shall be based on the second prior year ADM figure, unless the late-reported ADM figures are lower than the second prior year.

SECTION 12.

Item 1. There is hereby appropriated the sum of three million dollars (\$3,000,000.00) to the Department of Human Services, which sum shall be in addition to all other appropriations made to the Department of Human Services and which sum shall be used for the sole purpose of increasing the amount available to social service contractors, as provided for in Tennessee Code Annotated, Title 71, Chapter 1, Part 2.

Item 3. In addition to any other funds appropriated by the provisions of this act, there is hereby appropriated to the Department of Finance and Administration for distribution to the appropriate entities a sum sufficient to fund any bill on which the fiscal note indicates that the cost of implementation of the bill is minimal or not significant. It is the legislative intent that if funding is earmarked for implementation in such bills that the funds appropriated in this item be reduced accordingly. It is the legislative intent to recognize a revenue loss from bills that result in no expenditure increase but forgo revenue which has not been collected previously.

Item 4. In addition to any other funds appropriated by the provisions of this act, if the fiscal note on any bill states that state revenues would be increased in an amount equal to or greater than state expenditures as a result of the enactment of such bill, then there is appropriated a sum sufficient from such increased revenue to the appropriate entity, as determined by the Commissioner of Finance and Administration, to implement such bill.

SECTION 13. The provisions of this section shall take effect upon becoming a law, the public welfare requiring it.

Item 1. The Commissioner of Finance and Administration is authorized to reallocate appropriations for Board of Claims premiums and property insurance premiums among state agencies and programs, based on the actuarial study provided by the State Treasurer, and to adjust federal and other departmental revenues accordingly. There is further appropriated for this purpose sums sufficient from dedicated and earmarked revenues to provide for the allocation of appropriations to those agencies and programs funded by dedicated and earmarked revenues. SECTION 14. The appropriations made by this act and all other appropriations, including appropriations of departmental revenues as set forth in Section 4 of this act, except such as may be made for the expenses of the Legislative Branch, and the appropriations made for the Judiciary, including the Attorney General and Reporter, District Attorneys General, Public Defenders, and the Office of the Post-Conviction Defender, the Secretary of State, Comptroller of the Treasury and State Treasurer, shall be obligated and expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51, which shall remain in full force and effect; and in case of conflict with any other law, the provisions of such laws shall prevail, except as otherwise herein specifically provided. All appropriations except those made by acts authorizing bond issues and expenditures thereof and those excepted from obligations and expenditure hereinabove, though made by other statutes, shall likewise be obligated and expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51.

SECTION 15.

Item 1. No part of the fund appropriated to any department, office, instrumentality, or agency of the state government shall be expended in any other such entity, but if the head of any department, office, commission or instrumentality of the state government finds that there is a surplus in any classification, division, or unit under such entity, and a deficiency in any other division, unit or classification, then in that event the head of such department, office, commission or instrumentality of the state government may transfer such portion of such funds as may be necessary for the one division, unit or classification where the surplus exists to the other, except as otherwise

provided herein, provided such transfer is approved by the Commissioner of Finance and Administration. Such transfer of funds pursuant to this item shall be subject to the approval of a majority of a committee composed of the Speaker of the Senate, the Speaker of the House and the Comptroller of the Treasury.

Item 2. The Commissioner of Finance and Administration may establish in any department, office, commission or instrumentality of the state government a clearing account through which all salaries and wages, including the state's portion of retirement, insurance, Social Security, etc., may be disbursed. In the event such accounts are established, department records shall be maintained showing the distribution of such amounts among the various appropriation codes, and any financial reports shall present expenditures as if such expenditures had been made through the individual appropriation accounts.

Item 3. The Commissioner of Finance and Administration shall have power and authority to refuse, with the approval of the Governor, to approve or honor any and all requisitions for purchases, except requisitions for purchases authorized by the Legislative Branch, including the Secretary of State, Comptroller of the Treasury and State Treasurer, and the Judiciary, including the Attorney General and Reporter. In case any division or function of government for which an appropriation is provided in this act or otherwise, shall be transferred from an existing department, to any other department, such transfer shall automatically result in the appropriation for such transferred division or function becoming available to the department to which such transfer is made for the purposes of such transferred division or function.

Item 4. From the appropriations made to the various state departments and agencies under this act, and other general acts appropriating money, there may be paid any expenses incurred by said departments and agencies for the purpose of conducting and serving as host for regional or national conferences of which such departments or agencies may be members. Before any funds shall be expended under this authorization, the amount and purpose of the proposed expenditure shall be approved by the Commissioner of Finance and Administration.

Item 5. Notwithstanding any provision of law to the contrary, no state department or agency in the Executive Branch of state government is authorized to make organizational changes within such department or agency without the prior approval of the Commissioner of Finance and Administration. Where such organizational changes require a transfer of funds between organizational accounts and are contrary to the manner in which appropriations have been made herein, approval of said transfers is subject to approval by the Commissioner of Finance and Administration and by a majority of a committee composed of the Speaker of the Senate, the Speaker of the House and the Comptroller of the Treasury.

Item 6. The Commissioner of Finance and Administration is authorized to draw down disputed federal funds and to reserve the funds to prevent their expenditure until the dispute is settled; and the Commissioner of Finance and Administration in consultation with the State Treasurer is authorized to allocate interest earnings on the draw-down of disputed federal funds and to pay interest earnings to the federal government in those instances when expenditures are ultimately disallowed.

Item 7. The Commissioner of Finance and Administration is authorized to impose a reasonable real estate transaction fee on all real estate transactions when the transaction is processed through the Department of Finance and Administration. Said fee structure shall be subject to approval by the State Building Commission.

Subject to the approval of the State Building Commission, there is hereby appropriated a sum sufficient to replace any real estate transaction fees that are waived.

Item 8. The Commissioner of Finance and Administration shall maintain a policy to recover state funds and the state's costs associated with checks, warrants, drafts, and electronic funds transfers deposited to a state account that are subsequently returned unpaid by the drawer's bank.

Item 9. The Commissioner of Finance and Administration is authorized to maintain an indirect cost recovery plan to recognize overhead costs associated with the operations of the Tennessee Regulatory Authority, Wildlife Resources Agency, Department of Financial Institutions, Housing Development Agency and the regulatory boards and commissions not under the administration of the Department of Commerce and Insurance or the Department of Health. The Commissioner is further authorized to charge the departments and agencies covered by the indirect cost recovery plan for their individual overhead costs.

Item 10. The Commissioner of Finance and Administration shall establish a state regulatory fee of \$5.00 for one year and \$10.00 for two years. The fee shall be in lieu of any allocation of indirect costs which would otherwise be allocated to the regulatory boards covered by the provisions of Tennessee Code Annotated, Section 4-3-1011(b)(2).

Item 11. If any appropriation in this act fails to designate a department or agency of state government to be responsible for the administration of the appropriation, then the Commissioner of Finance and Administration is hereby directed to designate the state department or agency to administer the appropriation.

Unless otherwise directed by language in this act, appropriation grants to agencies outside of state government shall be administered in such manner as the Commissioner of Finance and Administration shall determine. Direct appropriation grants for the benefit of agencies outside of state government may be administered by the Department of Finance and Administration.

The Commissioner of Human Resources in consultation with the Commissioner of Finance and Administration shall designate and classify position(s) within each agency of the Executive Branch of state government as chief fiscal officer(s) for that agency. Qualifications and appointments to fill existing or future vacancies shall be in accordance with procedures established by the Commissioner of Human Resources with the approval of the Commissioner of Finance and Administration.

Item 13. From the appropriations made in this act to pay the salaries of state employees who are hired on or after July 1, 2011, the Commissioner of Finance and Administration is authorized to require that those salaries be paid through direct-deposit procedures.

Item 14. The Commissioner of Finance and Administration is hereby authorized to adjust departmental revenue and reserve estimates and related expenditures: (a) for internal service funds and enterprise funds to record fees received for services provided to departments, agencies, boards, and commissions, and (b) to record payment for services provided to state agencies by another state agency.

Item 15. Item 16. The Commissioner of Finance and Administration is hereby authorized to adjust the estimates of federal block grant funds and other federal grant-in-aid funds estimated in Section 4 and Section 31 of this act to reflect the actual allocations of federal revenues made available to the State of Tennessee by the federal government.

The employer contribution amounts established by the State Insurance Committee for eligible participating employees shall not exceed, in the aggregate, the amounts appropriated in this act. The State Insurance Committee shall determine a calendar year 2012 plan of benefits, related services, and monthly premiums for each of the health care options it authorizes pursuant to Section 8-27-201, Tennessee Code Annotated, which result, with reasonable certainty, in the provision of sufficient revenues to pay plan expenses and to provide for the funding of reserves for estimated incurred but unreported claims. The monthly premiums and the employer contribution amounts shall be subject to the approval of the Commissioner of Finance and Administration pursuant to Section 4-3-1006, Tennessee Code Annotated.

The State Insurance Committee shall recognize the annualized rate and benefits adjustments intended to be effective on January 1, 2012, which are required so that the plan of benefits, on an annualized basis, shall not exceed the recurring revenues to pay plan expenses.

Item 2. From the appropriations made herein the Department of Military is hereby authorized to pay, on behalf of each participating national guardsman called up to state active duty, the cost of each individual's participation in the state-approved Group Life Insurance Plan for national guardsmen called up to state active duty. The provisions of Tennessee Code Annotated, Title 8, Chapter 27, Part 2, shall apply.

Item 3. The State Insurance Committee shall establish and maintain, within the appropriations made in this act for supplemental medical insurance for retired state employees and retired teachers and in accordance with Tennessee Code Annotated, Section 8-27-702, the respective contribution levels to be made by the state on behalf of the eligible participating retirees. The annualized contribution rate established by the Committee for the eligible participating employees shall not exceed the amount appropriated in this act, and the rate established is subject to approval by the Commissioner of Finance and Administration.

Item 4. It is the legislative intent that the State Insurance Committee establish a schedule of premium payments for retirees participating in the group insurance plan under the provisions of Tennessee Code Annotated, Section 8-27-205(b).

Item 5. The Commissioner of Finance and Administration is hereby authorized to establish positions and make appropriate adjustments to the Benefits Administration budget to reflect changes in the contractual arrangements for medical and other insurance coverage provided to state insurance plan participants. The establishment of additional positions and the allotment of additional departmental revenue are subject to approval by the State Insurance Committee.

SECTION 18. From the appropriations made by this act, claims for official travel expenses of state employees and members of boards and commissions, notwithstanding any provision of the law to the contrary, shall be subject to the provisions of comprehensive travel regulations as approved by the Attorney General and the Commissioner of Finance and Administration under the provisions of Tennessee Code Annotated, Section 4-3-1008.

The same shall apply to similar or duplicate appropriations made solely within this act.

SECTION 20. SECTION 21. The State Procurement Commission or Board of Standards, as applicable, may, if it considers such action in the interest of the state, authorize the Chief Procurement Officer or Director of Purchasing to negotiate for the purchase of computer programs and associated software systems without following the procedures set out in Tennessee Code Annotated, Title 12, Chapter 3, relative to requisitioning and the receipt of bids. Such purchases shall be made at and for the best possible price, and each such purchase shall be confirmed by the State Procurement Commission or Board of Standards before becoming effective. This exception shall not apply to the purchase of computer equipment machinery or associated hardware, but the same shall continue to be acquired in accordance with the procedures set out in Tennessee Code Annotated, Title 12, Chapter 3.

SECTION 22. Notwithstanding the provisions of Tennessee Code Annotated, Title 66, Chapter 29, warrants, drafts, and checks drawn on the State Treasury that have not been redeemed within 12 months of issue date shall be cancelled and written off the state's books with the funds reverting to the fund of issue. Subsequent claims by the payee of said instruments, shall be honored upon receipt of documentation to substantiate the claim. The Commissioner of Finance and Administration and the State Treasurer shall ensure the state's compliance with the unclaimed property law.

SECTION 23. Item 1. Budget and Authorized Positions Reconciliation and Reporting; Allotments. It is hereby declared to be the legislative intent that the Commissioner of Finance and Administration revise the funding recommendations and personnel summaries contained in the Budget Document to conform with this act, other general acts of this Session and any other actions which affect the level of departmental or other such revenue; it is the legislative intent that the commissioner make all necessary adjustments to revenues, appropriations, authorized positions, and totals to effectuate the provisions of this act as amended by the General Assembly. Said revised summaries shall be provided to the Office of Legislative Budget Analysis, Finance, Ways and Means Committees of the Senate and House of Representatives and to the Office of the Comptroller of the Treasury and Fiscal Review Committee.

In establishing allotments from the appropriations herein made, the Commissioner of Finance and Administration may establish total spending authorizations in the amount of the specific appropriation from state revenues herein made, plus the estimated federal and departmental revenues estimated to be available as presented in the revised funding summaries cited above. In the event federal and departmental revenues for any particular program, appropriation code, or other classification are less than the amount estimated to be available under the allotments then and to that extent the spending authorizations are hereby

reduced; to the extent that federal or departmental revenues in excess of the amounts allotted are realized, such excess shall not constitute increased spending authorizations, except under the conditions herein specified.

In establishing the allotments herein authorized, the Commissioner of Finance and Administration shall divide the total spending authorizations by allotment code, into two subdivisions, as follows:

1. Personal Services and Benefits
2. Other Operating Expenses

Item 2. Program Expansion Reports (Federal and Other Departmental Revenue). No state revenues shall be expended by any state agency unless such revenues are appropriated by the General Assembly, as reflected in the provisions of this act and the revised summaries cited above. No state agency shall establish any new programs or expand any existing programs, beyond the scope of those already established, recognized and approved by the General Assembly, as reflected in this act and the revised summaries cited above, unless each such new or expanded program is funded entirely from unanticipated or excess departmental revenues or federal revenues. However, no such expenditure of unanticipated or excess departmental revenues or federal revenues shall occur until written notice of the program and the availability of unanticipated or excess departmental revenues or federal revenues is submitted by the Commissioner of Finance and Administration to the Chairs of the Finance, Ways and Means Committees of the Senate and House of Representatives and until said committee chairs have acknowledged in writing receipt of such written notice; provided, however, that capital outlay program projects, whether capital improvements or capital maintenance, shall be submitted to the State Building Commission to be acknowledged. When submitted, a copy of operational budget expansion reports shall be provided to the Fiscal Review Committee executive director and the Office of Legislative Budget Analysis director for information purposes. For the purposes of this paragraph, the term "departmental revenues" means earnings or charges for goods or services; or donations, contributions or participation by political subdivisions, foundations, corporations, firms or persons; and the term "state revenues" means the proceeds of taxes, licenses, fees, fines, forfeiture or other imposts laid specifically by state law.

An expansion report shall not be acknowledged by the Chairs of the Finance, Ways and Means committees during a time that the General Assembly is in regular, annual session until each Finance, Ways and Means Committee has held a hearing on the proposed program expansion, or the committees have held a joint hearing.

State fiscal stabilization funds available under U.S. Public Law 111-5, American Recovery and Reinvestment Act, and any subsequent revenue-sharing relief to the states in excess of the amounts specifically appropriated or identified in this act shall not be used to expand programs until specifically appropriated by the General Assembly.

Item 3. Capital Outlay Budget and Quarterly Reports. It is the legislative intent that funding for all capital improvement projects and funding for each capital maintenance project of one million dollars (\$1,000,000) or more shall be specified in detail in the annual budget document and listed by affected spending agency. Funding for each capital maintenance

project of less than one million dollars (\$1,000,000) shall be specified in such detail in the annual budget document as the Governor shall determine.

It is further the legislative intent that appropriations for capital improvement and capital maintenance projects shall be specified by state agency in lump sums consistent with capital improvement and maintenance projects detailed in the annual budget document.

The Commissioner of Finance and Administration shall provide a written quarterly report to the director of the Office of Legislative Budget Analysis and to the executive director of the Fiscal Review Committee identifying additions, deletions or other modifications of capital improvement and capital maintenance projects occurring subsequent to enactment of the annual budget through the appropriations and bond authorization acts.

The Commissioner of Finance and Administration shall report to the Chairmen of the Senate and House Finance, Ways and Means Committees on positions funded by federal criminal justice grants that are time-limited. The report shall include the number of positions and costs by federal program and by state agency and program, the period of the grant, the outlook for federal continuation of the grant beyond the expiration date, and any conditions of the grant indicating a state obligation upon expiration of the grant. A copy of the report also shall be provided to the Office of Legislative Budget Analysis director and the Fiscal Review Committee executive director.

Item 5. Non-recurring Grants Notification. The Department of Finance and Administration is directed to notify in writing by November 1, 2011, each entity (other than state agencies or individuals) receiving a grant under this act which is from a non-recurring appropriation that such funding has been identified in the Budget or appropriations act to expire at the end of 2011-2012, and that such entity is advised to seek alternative non-state funding for future fiscal years or to reduce its budget.

Item 6. Overlapped Positions Reports. The Commissioner of Human Resources shall submit a monthly report to the Office of Legislative Budget Analysis regarding positions that have been overlapped for ninety (90) days or more. In addition, the budget as introduced shall indicate the number of positions overlapped for ninety (90) days or more at a time no more than thirty (30) days before transmittal of the budget.

SECTION 24.

Item 1. Notwithstanding any provision of the law to the contrary, the heads of the respective departments for which appropriations are made in Section 1, Titles I, II, III-1, Items 1, 3, 5, and 7, are authorized to revise their respective budgets and personnel authorizations within the appropriations made in Sections 1 and 4 of this act and to submit those revised summaries to the Commissioner of Finance and Administration, who shall incorporate them into the revised funding recommendations and personnel summaries and allotments and spending authorizations required by Section 23 of this act.

Item 2. All funds appropriated in Section 1, Title III-1, Items 3, 5 and 7 and in Section 4, Title III-1, Items 3, 5 and 6, shall be administered in a ministerial capacity by the Department of Finance and Administration in accordance with budgets and any

revisions thereto of the respective entities for which such appropriations are made. Such budgets and any revisions thereto shall be subject to the concurrence of the Speaker of the Senate and Speaker of the House of Representatives.

SECTION 25. Except where sovereign immunity has been or shall hereafter be expressly waived by the General Assembly, all appropriations of state revenues and departmental revenues made in this act and in prior acts to the state, its departments, agencies, boards, educational institutions, instrumentalities, and incorporated entities performing the state's governmental functions shall be state funds and shall be protected by the state's sovereign immunity from every court's judgment, decree, attachment, or other legal process; provided, however, that any statutory or other provision authorizing an agency, board, or entity to sue and be sued shall not constitute a waiver of sovereign immunity.

SECTION 26. From the appropriation made for the General Assembly under Section 1, Title I, payment shall be made for, but not limited to, the following items:
