Every Genuine Nissan Accessory is custom-fit, custom-designed and durability-tested. Each one is backed by Nissan's 3-year/36,000-mile limited warranty. Plus, they're just a few dollars a month when financed with vehicle purchase. All illustrations, photographs and specifications in this publication are based on the latest product information available at the time of printing. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. List price includes time and labor for installation. Estimated monthly payment amounts are hypothetical and subject to dealer negotiation and lender credit approval. Terms may vary depending upon credit qualifications. A 10% APR finance rate for a 60-month term is assumed. No down payment is included in this assumption, but may be required by the dealer. See participating dealer for details, qualifications, and specific credit terms. ¹See your Nissan dealer and read the actual limited warranty for complete details. ²This component is a NISMO R-Tune accessory and does not carry the Parts and Accessories limited warranty of other Genuine Nissan Accessories. As such, some dealerships elect not to install R-Tune accessories. ³See Nissan Towing Guide and Owner's Manual for proper use. Cargo and load capacity limited by weight and distribution. Heavy loading of the SUV with cargo, especially on the roof, will affect the handling and stability of the vehicle. At NissanUSA.com, you'll find virtual product demonstrations, a way to "build your own Nissan," a dealer locator, and more information about key Nissan support services.
