NISSAN CARES...

Both Nissan and your Nissan dealer are dedicated to serving all your automotive needs. Your complete satisfaction with your vehicle and your Nissan dealer are our primary concerns. Your Nissan dealer is always available to assist you with all your automobile service requirements.

If, however, a situation arises that you believe has not been addressed to your satisfaction, we ask that you take the following steps:

STEP 1:

Discuss the situation with the dealership's manager. If a problem still exists, contact the dealership's Consumer Affairs Manager or owner. They are best equipped to resolve the matter for you.

STEP 2:

If the concern has still not been addressed to your satisfaction, please contact our (Nissan's) Consumer Affairs Department using our toll free number:

The Consumer Affairs Department will ask you for the following information:

- Your name, address, and telephone number
- Vehicle identification number (on dashboard)
- Date of purchase
- Current odometer reading
- Your Nissan dealer's name
- Details of the concern

Or you can write to Nissan with the above information at:

**Nissan North America Inc.
Consumer Affairs Department
P.O. Box 685003
Franklin, TN 37068-5003**

STEP 3:

In the event that you believe Nissan has been unable to satisfactorily address the issue with your vehicle, a special automotive complaint resolution program called BBB AUTO LINE is available to you. The BBB AUTO LINE program is independently operated by the Council of Better Business Bureaus, Inc. (BBB).

For information about the BBB AUTO LINE in your area, please call us (Nissan) at the same toll free number 1-800-NISSAN-1 (1-800-647-7261). We will be happy to provide you with information about BBB AUTO LINE. Or, you may contact the BBB directly at:

**BBB AUTO LINE a Division of BBB
National Programs, Inc.
1676 International Drive, Suite 550
McLean, VA 22102
1 (800) 955-5100**

If you call the BBB, its staff will take down details of your complaint by telephone. They will ask for the same information as described in Step 2.

The BBB AUTO LINE program consists of two parts, **mediation** and **arbitration**. The BBB will attempt to assist you to resolve the problem during mediation. If a satisfactory resolution has not been achieved during mediation, you will have the opportunity to personally present your case before an impartial arbitrator or three-person panel. The arbitrator(s) will make a decision after the arbitration hearing.

The BBB will, in most cases, send you a final decision within forty (40) days (plus 7 if you have not contacted the proper person from the dealership or Nissan) unless you delay the process. If you do not accept the decision, it will not be legally binding on you or Nissan. However in some states, if the decision is not accepted, it may be introduced either by you or by Nissan, as evidence in any potentially related court action.

BBB AUTO LINE is an informal dispute settlement mechanism operated to comply with applicable Federal law and regulations. In states where BBB AUTO LINE is available, you are required to use BBB AUTO LINE before exercising rights or seeking remedies under Title I of the Federal Magnuson-Moss Warranty Act, 15 U.S.C. §2301, et. seq. If you choose to seek remedies other than those created by Title I of the Magnuson-Moss Warranty Act, (for example, under state law), that Federal Act does not require you to first use BBB AUTO LINE. The program is still available to you, however, and may be of considerable assistance. Some states specify that informal dispute settlement mechanisms such as BBB AUTO LINE must be used before you may use state-operated complaint resolution processes, before you may file a lawsuit under state law, and/or before you may have certain other rights or remedies available under state law. In accordance with those states' laws, Nissan requires the prior use of BBB AUTO LINE in good faith before you resort to such other processes, file a lawsuit, or seek other remedies provided by state law. Please see the "Supplement to 2025 Nissan Warranty Information Booklet & 2025 Nissan Owner's Manual" for additional information.

BBB AUTO LINE may not be available in all states. We, Nissan, would be pleased to provide you with information about the availability of BBB AUTO LINE in your state, or call the BBB AUTO LINE number listed above.

For additional information on the Auto Line program, please refer particularly to the information on your state in the "Supplement to the 2025 Nissan Warranty Information Booklet, and 2025 Nissan Owner's Manual".

ASSISTANCE OUTSIDE OF WARRANTY

In our continuing effort to convey our commitment to service and customer satisfaction, Nissan may occasionally offer to pay or reimburse for part or all of the cost of making certain, specific repairs beyond or outside of the terms of the warranty for some specific vehicle models. (Some states refer to such programs as "adjustment" programs). In such circumstances Nissan mails notices to all known registered owners of affected vehicles. You may additionally inquire of your authorized Nissan dealer or of Nissan directly at the number listed below of the applicability of such programs to your vehicle.

Nissan may occasionally offer special assistance that may pay for part or all of vehicle repairs beyond the expiration of the limited warranty period on a case by case basis. Should you experience unusual difficulties with your vehicle please discuss the situation with your dealer. If your dealer is unable to assist you, you may call the Nissan Consumer Affairs Department at 1-800-NISSAN-1 (1-800-647-7261) to discuss your concern.

You will need to provide the Model, Model Year, VIN (Vehicle Identification Number), mileage, maintenance history, a detailed explanation of the concern, and why you believe that Nissan should be responsible for the repair. Your request will be individually investigated and you will be informed of Nissan's decision.

Please review the "Supplement to the 2025 Nissan Warranty Information Booklet & 2025 Nissan Owner's Manual" for important information concerning consumer rights in your state.

AGREEMENT TO ARBITRATE FOR CALIFORNIA VEHICLES ONLY

Please carefully read this Agreement to Arbitrate, as it affects your rights and applies to any dispute between you and Nissan North America, Inc. and its affiliates, agents, and authorized service and repair facilities (together "Nissan," "we" or "us"). This Agreement does not preclude you from first pursuing resolution using the complaint resolution program through BBB Auto Line as described above.

If you purchased or leased your vehicle in California, you and we agree that any dispute arising out of or relating to any aspect of the relationship between you and Nissan will not be decided by a judge or jury but instead by a single arbitration administered by either New Era ADR (www.neweraadr.com) or the American Arbitration Association ("AAA") (www.adr.org). Unless modified by this Arbitration Agreement, New Era ADR's arbitration will follow its Virtual Expedited Arbitration Rules and Procedures (www.neweraadr.com/rules-and-procedures/), while AAA's arbitration will adhere to AAA's Consumer Arbitration Rules (www.adr.org).

This includes claims arising out of your warranty and claims arising before or after this Agreement, such as claims related to statements about our products or any and all claims about the performance, design of our products or manufacturing of our products.

If you have a concern or dispute, before initiating arbitration, you must send a written notice describing it and your desired resolution to Nissan North America, Inc., Consumer Affairs Department, P.O. Box 685003, Franklin, TN 37068-5003. Following this notice, either side may request an individualized informal telephonic dispute resolution conference, which you shall participate in with our designee, and either sides' counsel may also participate. If your concern or dispute is not resolved within 60 days of your notice, a formal arbitration claim may be initiated.

Other than your initial filing fees up to a maximum of \$250, we will pay all fees and costs for any arbitration, which will be held virtually for New Era ADR or in the federal district in which you reside for any in person AAA arbitration. To learn more about the rules and how to begin an arbitration, you may go to

neweraadr.com for information about New Era ADR or to www.adr.org for information about AAA.

The arbitrator may resolve only disputes between you and Nissan. Any claim or dispute is to be arbitrated by a single arbitrator on an individual basis and not as a class action. To the extent permitted by applicable law, the arbitrator cannot hear class or representative claims or requests for relief on behalf of others and you expressly waive any right you may have to proceed in any class or representative action. If a court or arbitrator decides that any part of this agreement to arbitrate cannot be enforced as to a particular claim for relief or remedy (such as injunctive or declaratory relief), then that claim or remedy (and only that claim or remedy) shall be severed and must be brought in court and any other claims must be arbitrated first.

Disputes concerning the validity, application, scope, enforceability, or interpretation of this Agreement will be exclusively decided by the arbitrator. The Agreement and associated proceedings, such as waiver, estoppel, breach, or

default, before, during, or after arbitration, will be governed by the Federal Arbitration Act, 9 U.S.C § 1 et seq., and federal common law, not by any state laws or procedures regarding arbitration. The arbitrator at all times holds the exclusive authority to address challenges to this Agreement, including questions of waiver, estoppel, breach, default, or the validity or scope.

If one party files a court action instead of arbitration, all proceedings will be stayed until resolution of any proceedings to compel arbitration, including appeals. If you prefer, you may instead take an individual dispute to small claims court.

IF YOU PURCHASED OR LEASED YOUR VEHICLE IN CALIFORNIA, YOUR WARRANTY IS MADE SUBJECT TO THE TERMS OF THIS BINDING ARBITRATION AGREEMENT. BY USING THE VEHICLE, OR REQUESTING OR ACCEPTING BENEFITS UNDER THIS WARRANTY, INCLUDING HAVING ANY REPAIRS PERFORMED UNDER WARRANTY, YOU AGREE TO BE BOUND BY THESE TERMS.

You may opt out of arbitration within 30 days after the date of initial delivery of your vehicle to you by sending a letter to: Nissan North America, Inc., Consumer Affairs Department, P.O. Box 685003, Franklin, TN 37068-5003, stating your name, Vehicle Identification Number, and intent to opt out of the arbitration provision. If you do not opt out, then this Agreement is binding.

**NEW VEHICLE WARRANTIES
(WARRANTIES THAT COME WITH THE VEHICLE)**

WHO IS THE WARRANTOR

Nissan¹ warrants all parts of your 2025 Nissan vehicle supplied by Nissan, except for those listed elsewhere under the caption "WHAT IS NOT COVERED."

APPLICABILITY

- This warranty is provided to the original and subsequent owner(s) of a Nissan vehicle originally distributed by Nissan which is originally sold by a Nissan authorized Nissan dealership in the United States, and which is registered in the U.S. and normally operated in the United States (including Alaska and Hawaii), the United States territories (specifically Guam, Saipan, American Samoa, Puerto Rico and the U.S. Virgin Islands), and Canada.
- This warranty is generally transferable from the original 'owner other than a Nissan dealer' (OWNER) to subsequent owners of the vehicle at any time

ownership of the vehicle is transferred, without any action on your part; except that this warranty is not transferable but is instead VOID if during the first six months after delivery to the original OWNER: (1) ownership of the vehicle is transferred from the original OWNER, and (2) the vehicle is registered outside of the United States.

- Your Nissan vehicle is manufactured to meet U.S. regulations and environmental requirements. With the exception of privately owned vehicles belonging to members of the U.S. military or employees and officers of the United States Government stationed abroad, this warranty does not apply if an otherwise covered vehicle is operated in, or relocated to, a country other than those listed above under this caption, except that it continues to apply if the vehicle is operated in full compliance with its proper use as described in the applicable Owner's Manual² while

touring outside of the United States, the U.S. territories or Canada for a period not exceeding sixty (60) consecutive days or sixty (60) days in any one 12 month period. Subject to the transferability restriction described above, this warranty applies to a relocated vehicle which is returned to, and is registered and normally operated in the United States, the U.S. territories or Canada, except for conditions due to the vehicle's foreign operation, e.g., use of inappropriate fuels or other fluids.

Nissan¹ makes available to you, and you are specifically required by Federal Law to use BBB AUTO LINE [(800) 955-5100] before exercising rights or seeking remedies under the Federal Magnuson-Moss Warranty Act, 15 U.S.C. §2301, et. seq. You are not required to first use BBB AUTO LINE if you seek remedies not created by Title I of that Federal law, except that you are required to first use BBB AUTO LINE in good faith if you seek remedies created by state law, including your state's lemon law, if applicable state law provides for using a

LIMITATION OF WARRANTIES AND OTHER WARRANTY TERMS AND STATE LAW RIGHTS

EXTRA EXPENSES - LIMITATIONS OF DAMAGES

This warranty does not cover incidental or consequential damages such as loss of the use of the vehicle, inconvenience or commercial loss.

ANY IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE SHALL BE LIMITED TO THE DURATION OF THIS WRITTEN WARRANTY.

Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Nissan¹ does not authorize any person to create for it any other warranty, obligation or liability in connection with this vehicle.

¹ Nissan indicates Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003 which distributes Nissan vehicles in the United States.

THE WARRANTY BEGINS

The warranty period begins on the date the vehicle is delivered to the first retail buyer or put into use, whichever is earlier.

FOR HOW LONG AND WHAT IS COVERED

BASIC COVERAGE

- The basic coverage period is 36 months or 36,000 miles, whichever comes first.
- This warranty covers any repairs needed to correct defects in materials or workmanship of all parts and components of each new Nissan vehicle supplied by Nissan subject to the exclusions listed under the heading "WHAT IS NOT COVERED" or, if the part is covered by one of the separate coverages described in the

following sections of this warranty, that specific coverage applies instead of the basic coverage.

POWERTRAIN COVERAGE

- The Powertrain coverage period is 60 months or 60,000 miles, whichever comes first.
- This warranty covers any repairs needed to correct defects in materials or workmanship.
- Powertrain coverage applies to headings, Engine, Transmission and Transaxle, Drivetrain, and Restraint System, supplied by Nissan subject to the exclusions listed under the heading "WHAT IS NOT COVERED".

ENGINE

- Cylinder heads and block and all internal parts, rocker covers and oil pan, valve train and front cover, timing chain and tensioner, oil pump, water pump and fuel pump, fuel injectors, intake and exhaust manifolds and turbocharger, flywheel, seals, and gaskets.

TRANSMISSION AND TRANSAXLE

- Case and all internal parts, torque converter and converter housing, automatic transmission control module, transfer case and all internal parts, seals and gaskets, clutch cover and housing, A/T cooler, and electronic transmission controls.

DRIVETRAIN

- Drive shafts, final drive housing, and all internal parts, propeller shafts, universal joints, bearings, seals and gaskets.

RESTRAINT SYSTEM

- Air bags and related electronic control systems.

SEAT BELT COVERAGE

This warranty covers any seat belt or related component, supplied by Nissan for use on Nissan vehicles, that fails to function properly during normal use within ten (10) years of the date the vehicle is delivered to the first retail buyer or put into service, whichever is earlier. Warranty repairs are free of charge for parts and labor.

WHAT IS NOT COVERED

- Damage or failure due to misuse, alteration, accident or collision damage. (Proper use is outlined in your Owner's Manual).
- Color fading, spotting or other cosmetic items when the belt is otherwise functioning properly.
- Air bags and related electronic control systems which are covered by the Powertrain warranty.

CORROSION COVERAGE (PERFORATION FROM CORROSION)

Any body sheet metal panel supplied by Nissan found to have developed perforation (rust-through) due to corrosion in normal use is covered for 60 months, regardless of mileage, subject to the exclusions listed under the heading "WHAT IS NOT COVERED". No additional rust proofing applications are required. Perforation is a condition in which any body sheet metal panel has corroded from one surface through the other.

TOWING COVERAGE

If your vehicle is inoperative due to the failure of a warranted part, during any of the New Vehicle Limited Warranties, including Emission and Seatbelt warranties, towing service to the nearest authorized Nissan dealership is covered.

ADJUSTMENT COVERAGE

Service adjustments not usually associated with the replacement of parts, such as wheel alignment and wheel balancing, are covered only during the first 12 months or 12,000 miles, whichever comes first.

- **Limited 12 month warranty coverage:** I-key and key fob batteries are covered for the first 12 months of ownership.
- **Limited 6 month warranty coverage:** OE wiper blade inserts are covered for the first six months of ownership.

REFRIGERANT RECHARGE ONLY COVERAGE

Refrigerant recharge not associated with the repair or replacement of a warranted part is covered only during the first 12 months, regardless of the mileage.

SOFTWARE UPDATES DELIVERED OVER-THE-AIR (OTA)

During the New vehicle limited warranty period, you will not incur any charges for diagnosis, repair, replacement, or adjustment of covered parts or components that are damaged or do not function as intended as the result of a software update delivered by Nissan over the air. Please reference your Owner's Manual for additional information.

NO CHARGE

Warranty repairs will be made at no charge for parts and/or labor (except for tires, in which case you may pay certain charges as noted above or as described in the applicable tire warranty found later in this booklet). Any needed parts replacement will be made using Genuine Nissan or Nissan approved new or remanufactured parts. Nissan reserves the right to make changes at any time, without notice, to production and service parts in their specifications, colors, and materials, including those used in connection with warranty repairs. For this reason, when approved by Nissan and at Nissan's discretion, functionally

equivalent replacement parts may be used that do not exactly match the original production part.

OBTAINING WARRANTY SERVICE

- You must take the vehicle to an authorized Nissan dealer in the United States or Canada during regular business hours at your expense in order to obtain warranty service. The names and addresses of authorized Nissan dealers are listed in telephone directories and in www.NissanUSA.com.
- If you require warranty service outside of the United States (see terms under caption "APPLICABILITY"), contact an authorized Nissan dealer in that country.

MAINTENANCE, DATA ACCESS, AND RECORDS

As a condition of this warranty, you are responsible for properly using, maintaining and caring for your vehicle as outlined in your Owner's Manual, and maintaining copies of all maintenance records & receipts for review by Nissan.

You are also required to provide consent to give Nissan access to data stored on vehicle systems. Failure to do so is likely to result in the denial of warranty coverage.

Evidence of the performance of the required maintenance should be kept and presented as proof of such maintenance in connection with related warranty repairs. To assist you in maintaining appropriate records, the maintenance log located in your Nissan Owner's Manual can be used along with supporting repair invoices, receipts and other such records.

CORROSION PROTECTION GUIDELINES

In order to help protect your vehicle against corrosion, it is important that you care for your vehicle regularly, following these suggestions:

- Wash your vehicle regularly using cold clean water and a mild vehicle wash soap.
- If insects, tar or other similar deposits have accumulated on your vehicle, wash it as soon as possible.

- If you drive on salted or dust controlled roads, or if you drive near the ocean, hose off the under carriage at least once a month.
- It is important that the drain holes in the lower edges of the doors and rocker panels be kept clear.
- If you detect any stone chips or scratches in the paint, touch them up immediately.
- If you do much driving on gravel roads, consider installing mud or stone shields behind each wheel.
- If your Nissan is damaged due to an accident or similar cause which destroys the paint and protective coating, have your vehicle repaired as soon as possible. The cost of such repairs is considered the responsibility of the owner.
- This corrosion warranty does not cover non-genuine sheet metal parts or damage caused by the installation of such non-genuine sheet metal parts. SEE YOUR OWNER'S MANUAL FOR FURTHER DETAILS.

WHAT IS NOT COVERED

GENERAL EXCLUSIONS

This warranty does not cover damage, failures or corrosion resulting from or caused by:

- Failure to operate the vehicle in accordance with the Owner's Manual
- Misuse, such as using the vehicle to tow
- Failure of a component not covered by warranty
- Racing and competitive driving
- Theft, vandalism, fire, or flooding (including engine water ingestion)
- Accident, collision, being towed
- Repairs performed by anyone other than an authorized Nissan dealer
- Glass breakage, unless resulting from defects in material or workmanship
- Normal wear and tear, including dings, dents, chips, or scratches
- Damage caused by any automated or manually operated car wash or by using a pressure washer

- Embedded or installed software and/ or firmware, and updates thereto, are not covered under this warranty. Such software/ firmware is licensed, and not sold to you. See End User Agreement at <http://www.nissanusa.com/owners/ownership> for details and conditions

Note: Complaints related to failure to comply with proper use of the vehicle as described in the applicable Owner's Manual, or the vehicle's lack of compliance with local regulations or environmental requirements of any country (other than the U.S. or Canada) are NOT covered by this warranty.

DAMAGE OR FAILURES DUE TO ALTERATION OR MODIFICATION

This warranty does not cover damage, failures or corrosion resulting from or caused by:

- Alteration, tampering, or improper repair.
- Installation of non-Nissan approved accessories or components.

- Improper installation of any Nissan approved aftermarket accessory or component.
- A vehicle whose odometer mileage has been altered, or the odometer repaired or replaced and the actual vehicle mileage cannot be correctly and readily determined.

SALVAGE TITLE

This limited warranty does not apply to any vehicle, and is rendered VOID if the vehicle is (or ever has been) issued a "salvage" or similar title including, but not limited to junk, scrap, rebuilt, or flood titles under any state's law; or has ever been determined to be a "total loss" or equivalent by any insurance company, such as by payment of a cash payment of claim in lieu of repairs because of a determination that the cost of repairs exceeded the actual cash value of the vehicle.

DAMAGE, FAILURES OR CORROSION FROM ENVIRONMENTAL CONDITIONS

This warranty does not cover damage, failures or corrosion resulting from or caused by:

- Stone chipping, chemical fallout (acid rain), tree sap, salt, hail, windstorm, lightning, flood or other environmental conditions.
- The items listed below are not covered under corrosion coverage (perforation from corrosion).
 - Exhaust system components.
 - Corrosion of outer trim parts, such as moldings. However, corrosion of outer trim parts is warranted for 12 months or 12,500 miles, whichever comes first.
 - Corrosion other than perforation, such as cosmetic or surface corrosion due to defects in materials or workmanship. This is covered under the Basic Coverage of the New Vehicle Limited Warranty.
 - Special bodies or equipment not manufactured or supplied by Nissan.

DAMAGE, FAILURES OR CORROSION DUE TO LACK OF OR IMPROPER MAINTENANCE OR REPAIRS

This warranty does not cover damage, failures or corrosion resulting from or caused by:

- Lack of performance of proper maintenance services as outlined in your Owner's Manual.
- Fuel, fluids, or lubricants that are contaminated or that do not meet the specification as outline in your Owner's Manual.
- Use of parts not equivalent in quality or design to parts supplied by Nissan.

MAINTENANCE SERVICE EXPENSE

This warranty does not cover normal maintenance services as specified in both your Owner's Manual such as cleaning and polishing, wheel alignment, headlight aiming, replacement of filters, replacement of windshield wiper inserts, lubricants, coolant, worn brake shoes, pads, drums and rotors and worn clutch discs, for example.

EMISSION DEFECTS WARRANTY

Nissan¹ warrants that your vehicle was designed, built and equipped to conform at the time of sale with all applicable United States emission standards.

This warranty covers any repairs needed to correct defects in materials or workmanship which would cause your vehicle not to meet these standards.

WHAT IS COVERED UNDER THE DEFECTS WARRANTY

Covered components are listed below under the caption "WARRANTY PARTS LIST." Exceptions to this warranty are listed below under the caption "WHAT IS NOT COVERED UNDER EITHER THE DEFECTS OR PERFORMANCE WARRANTIES."

HOW LONG IS THE DEFECTS WARRANTY

This warranty is for 3 years or 36,000 miles, whichever occurs first. The warranty begins the date the vehicle is delivered to the first retail buyer or put

into use, whichever is earlier. Additionally, the engine control module/onboard diagnostic device, transmission control module (TCM), and catalytic converter(s) listed below and indicated by an "O" under the caption "WARRANTY PARTS LIST" are covered for 8 years or 80,000 miles, whichever occurs first.

EMISSIONS PERFORMANCE WARRANTY

WHEN DOES THIS WARRANTY APPLY

The Emission Performance warranty applies to your 2025 Nissan vehicle ONLY when both of the following occur.

1. The vehicle fails to meet applicable emissions standards as judged by an emissions test approved by the Environmental Protection Agency (EPA).
2. This failure results or will result in some penalty to you, such as a monetary fine or the denial of the right to use your vehicle, under local, state or federal law.

For example, if your state requires an EPA approved yearly vehicle inspection before you receive a renewed license, this warranty applies to your vehicle. In areas where there is no approved test program, this warranty does not apply.

WHAT IS COVERED AND FOR HOW LONG UNDER THE PERFORMANCE WARRANTY

Nissan¹ warrants that it will remedy any non-conformity in your vehicle which causes it to fail an approved emissions test during the first 24 months or 24,000 miles, whichever occurs first. This warranty begins the date the vehicle is delivered to the first retail buyer or put into use, whichever is earlier.

Additionally, failure of an approved emissions test resulting from the failure of those parts listed below under the caption "WARRANTY PARTS LIST" are covered by the EMISSIONS DEFECTS WARRANTY described above.

¹ Nissan indicates Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003 which distributes Nissan vehicles in the United States.

Exceptions to this warranty are listed below under the caption "WHAT IS NOT COVERED UNDER EITHER THE DEFECTS OR PERFORMANCE WARRANTIES."

LIMITATION OF WARRANTIES AND OTHER WARRANTY TERMS AND STATE LAW RIGHTS

EXTRA EXPENSES - LIMITATIONS OF DAMAGES

This warranty does not cover incidental or consequential damages such as loss of the use of the vehicle, inconvenience or commercial loss.

ANY IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE SHALL BE LIMITED TO THE DURATION OF THIS WRITTEN WARRANTY.

Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Nissan¹ does not authorize any person to create for it any other warranty, obligation or liability in connection with this vehicle.

WHAT IS NOT COVERED UNDER EITHER THE DEFECTS OR PERFORMANCE WARRANTIES

These warranties do not cover:

1. Normal maintenance, service and parts replacement as outlined in the emissions control maintenance instructions of your Owner's Manual.
2. Failures directly as a result of:
 - Failure to perform required emission control maintenance as outlined in your Owner's Manual.
 - Misuse, accident or modification.
 - Improper adjustment or installation of parts during the performance of maintenance services.
 - Tampering with or disconnecting any part affecting vehicle emissions
 - Fuel, fluids, or lubricants that are contaminated or that do not meet the specification as outlined in your Owner's Manual.

3. In the case of the Performance Warranty, the use of any part not certified in accordance with Federal requirements which is defective or not equivalent from an emissions standpoint to the original equipment part.
4. In the case of the Performance Warranty, costs of determining the cause of a vehicle failing an EPA approved emissions test if such failure is found not to be covered.
5. In the case of the Defects Warranty, parts not supplied by Nissan or damage to other parts caused directly by non- Nissan parts.

WHAT YOU MUST DO

In order to obtain warranty service you must deliver the vehicle to an authorized Nissan dealer in the United States at your expense.

You must also maintain your vehicle as outlined in the maintenance instructions in your Owner's Manual.

¹ Nissan indicates Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003 which distributes Nissan vehicles in the United States.

WHAT NISSAN WILL DO

Warranty repairs will be made at no charge for parts and/or labor, including diagnosis and tax. Any needed parts replacement will be made using new or remanufactured parts.

OTHER WARRANTY TERMS

PERFORMANCE WARRANTY CLAIMS PROCEDURE

You may make a claim under the Performance Warranty immediately after the failure of an EPA approved emissions test. You must provide proof of this failure when making your claim.

You will be told whether Nissan will honor your claim within 30 days of the date you make the claim unless a shorter time period is required by law. If your claim is denied, Nissan will notify you in writing of the reason. If we do not notify you within this time period, we will repair your vehicle under this warranty at no cost to you. The time period for notification will not apply if you request a delay or a delay is caused by events not under the control of Nissan dealers.

No claim will be denied under the Performance Warranty because you use a non-Nissan but EPA certified part for maintenance or repair.

MAINTENANCE SERVICE AND REPLACEMENT PARTS

Important information concerning maintenance service and replacement parts is in the Limited Warranty on Nissan Parts and Accessories section of this booklet.

MAINTENANCE RECORDS

Receipts covering the performance of regular maintenance should be kept in the event questions arise concerning maintenance. The receipts should be transferred to subsequent owners.

IF YOU HAVE QUESTIONS

You may obtain further information concerning these warranties by following the procedure outlined in the "CUSTOMER CARE" section of this booklet. In the case of the Performance Warranty, you may also contact or report any violations to the Office of Transportation and Air Quality, Vehicle Compliance Programs

Group, U.S. Environmental Protection Agency, Ariel Rios Building (6405J), 1200 Pennsylvania Avenue, N.W., Washington, D.C. 20460

* = Long Term Federal Emission Parts covered for 96 months/or 80,000 miles.

BASIC INFORMATION¹

The following statement is required to be provided by regulations of the California Air Resources Board.

YOUR WARRANTY RIGHTS AND OBLIGATIONS

The California Air Resources Board is pleased to explain the emission control system warranty on your 2025 vehicle². In California, new motor vehicles must be designed, built and equipped to meet the State's stringent anti-smog standards. Nissan³ must warrant the emission control system on your vehicle for the periods of time listed below provided there has been no abuse, neglect or improper maintenance of your vehicle.

Your emission control system may include parts such as the fuel-injection system, the ignition system, catalytic converter and engine computer. Also included may be hoses, belts, connectors and other emission-related assemblies.

Where a warrantable condition exists, Nissan will repair your vehicle at no cost to you including diagnosis, parts and labor.

MANUFACTURER'S WARRANTY COVERAGE

For 3 years or 50,000 miles (whichever occurs first):

1. If your vehicle fails a Smog Check inspection, all necessary repairs and adjustments will be made by Nissan to ensure that your vehicle passes the inspection. This is your emission control system PERFORMANCE WARRANTY.

2. If any emission-related part on your vehicle is defective, the part will be repaired or replaced by Nissan. This is your short-term emission control system DEFECTS WARRANTY.

For 7 years or 70,000 miles (whichever occurs first):

If an emission-related part listed in this warranty booklet specially noted with coverage for 7 years or 70,000 miles is defective, the part will be repaired or replaced by Nissan. This is your long-term emission control system DEFECTS WARRANTY.

¹ These warranties are provided to the ultimate purchaser and subsequent purchaser(s) of California and 50-state emission equipped 2025 model year Nissan vehicles sold for registration as new vehicles in California, Colorado, Connecticut, Delaware, Maine, Maryland, Massachusetts, Minnesota, Nevada, New Jersey, New York, Oregon, Pennsylvania, Rhode Island, Vermont, Virginia, or Washington only.

² Throughout this Limited Emission Control Warranty, "vehicle" means a Nissan model vehicle.

³ Nissan indicates Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003 which manufactures and distributes Nissan vehicles in the United States.

OWNER'S WARRANTY RESPONSIBILITIES

As the vehicle owner, you are responsible for the performance of the required maintenance listed in your Owner's Manual. Nissan recommends that you retain all receipts covering maintenance on your vehicle, but Nissan cannot deny warranty solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

You are responsible for presenting your vehicle to a Nissan dealer as soon as a problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

As the vehicle owner, you should also be aware that Nissan may deny you warranty coverage if your vehicle or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

If you have any questions regarding your warranty rights and responsibilities, you should contact Nissan's Consumer Affairs Department at 1-800-NISSAN-1 (1-800- 647-7261) or the California Air Resources Board at 4001 Iowa Avenue, Riverside, CA 92507.

The following is Nissan's³ new vehicle emission control warranty statement for vehicles certified for sale in California and sold for registration as a new vehicle in California, Colorado, Connecticut, Delaware, Maine, Maryland, Massachusetts, Minnesota, Nevada, New Jersey, New York, Oregon, Pennsylvania, Rhode Island, Vermont, Virginia, or Washington only.

LIMITATION OF WARRANTIES AND OTHER WARRANTY TERMS AND STATE LAW RIGHTS

EXTRA EXPENSES - LIMITATIONS OF DAMAGES

This warranty does not cover incidental or consequential damages such as loss of the use of the vehicle, inconvenience or commercial loss.

ANY IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE SHALL BE LIMITED TO THE DURATION OF THIS WRITTEN WARRANTY.

Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Nissan¹ does not authorize any person to create for it any other warranty, obligation or liability in connection with this vehicle.

¹ Nissan indicates Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003 which distributes Nissan vehicles in the United States.

MISSIONS DEFECTS WARRANTY

WHAT IS COVERED

Nissan warrants that your vehicle was designed, built and equipped to conform with all applicable requirements of the California Air Resources Board and is free from defects in materials and workmanship which cause the failure of a warranted part to be identical in all material respects to the part as described in the vehicle or engine manufacturer's application for certification for the coverage periods described below. This warranty covers any part which affects applicable regulated emission(s).

Some of these include the parts listed in the WARRANTY PARTS LIST of the preceding FEDERAL VEHICLE EMISSION CONTROL LIMITED WARRANTIES section.

Nissan will also cover damages to other vehicle components proximately caused by a failure of a warranted part during the emission warranty period.

If any part covered by emission warranty fails during the period of coverage, it will be repaired or replaced by Nissan and any such part repaired or replaced under the warranty will be warranted for the remaining warranty period. Any use of an add-on or modified part exempted by the California Air Resources Board from the prohibitions of Vehicle Code section 27156 shall not be grounds for disallowing an emission warranty claim. However, Nissan will not warrant failures of parts caused by the use of such an add-on or modified part.

Exceptions to this warranty are listed below under the caption "WHAT IS NOT COVERED."

HOW LONG IS THE WARRANTY

This warranty is for 3 years or 50,000 miles, whichever occurs first. Additionally, the components listed under the caption "Long-Term Emission System Defects Warranty Parts List" are covered for 7 years or 70,000 miles, whichever occurs first, and except that the catalytic converter, transmission control module (TCM), and engine control module (ECM)

are warranted for 8 years or 80,000 miles, whichever occurs first. The warranty begins the date the vehicle is delivered to the first retail buyer or put into use, whichever is earlier.

Some items require scheduled replacement before 50,000 miles. These items are warranted only up to the replacement interval. The replacement intervals are outlined in the maintenance instructions in your Nissan Owner's Manual. Any warranted part that is scheduled only for regular inspection is warranted for the applicable warranty period, and a statement of "repair or replace as necessary" will not reduce the period of warranty coverage. Any such part required or replaced under warranty is warranted for the remaining warranty period.

EMISSIONS PERFORMANCE WARRANTY

WHEN DOES THIS WARRANTY APPLY

This warranty applies to your 2025 Nissan vehicle only if it fails to pass a California "smog check" test or equivalent.

WHAT IS COVERED AND FOR HOW LONG

Nissan warrants that if your vehicle fails to pass a California "smog check" test, it will make the necessary repairs so that your vehicle will pass. If the "smog check" failure was caused by the failure of a warranted part during the emission warranty coverage, Nissan will also cover the damages to other vehicle components proximately caused by such failure. Any use of an add-on or modified part exempted by the California Air Resources Board from the prohibitions of Vehicle Code section 27156 shall not be grounds for disallowing an emissions performance warranty claim. However, Nissan will not warrant failures of parts caused by the use of such an add-on or modified part. This warranty is for 3 years or 50,000 miles, whichever occurs first.

The warranty begins the date the vehicle is delivered to the first retail buyer or the date it is first put in to service, whichever is earlier.

Exceptions to this warranty are listed under the caption "WHAT IS NOT COVERED".

WHAT IS NOT COVERED

These warranties do not cover:

1. Normal maintenance, service and parts replacement as outlined in the emission control maintenance instructions of your Owner's Manual.
2. Failures directly as a result of:
 - Lack of performance of required emission control maintenance as outlined in your Owner's Manual.
 - Misuse, accident or modification.
 - Improper adjustment or installation of parts during the performance of maintenance (non-warranty) services.

- Tampering with or disconnecting any part affecting vehicle emissions.
 - Fuel, fluids, or lubricants that are contaminated or that do not meet the specification as outlined in your Owner's Manual.
3. In the case of the Performance Warranty, the use of any non-Nissan part not certified in accordance with Federal requirements which is defective or not equivalent from an emissions stand point to the original equipment part.
 4. In the case of the Defects Warranty, parts not supplied by Nissan or damage to other parts caused directly by non-Nissan parts.
 5. In the case of the Performance Warranty, costs of determining the cause of a vehicle failing a California "smog check" test if such failure is found not to be covered.

WHAT YOU MUST DO

In order to obtain warranty service you must deliver the vehicle to any authorized Nissan dealer in the United States at your expense. You are responsible for the required maintenance on your vehicle as outlined in the maintenance instructions in your Nissan Owner's Manual. Nissan recommends that you retain all receipts covering maintenance on your vehicle, but Nissan cannot deny warranty solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

WHAT NISSAN WILL DO

Warranty repairs will be made at no charge for parts and/or labor, including diagnosis and tax. Any needed parts replacement will be made using new or remanufactured parts.

OTHER WARRANTY TERMS

PERFORMANCE WARRANTY CLAIMS PROCEDURE

You may make a claim under the Performance Warranty immediately after the failure of a "smog check" test. You must provide proof of this failure when making your claim in order to avoid additional "smog check" test charges.

You will be told whether Nissan will honor your claim within 30 days of the date you make the claim, unless a shorter time period is required by law. If your claim is denied, Nissan will notify you in writing of the reason. If we do not notify you within this time period, we will repair your vehicle under this warranty at no cost to you. The time period for notification will not apply if you request a delay or a delay is caused by events not under the control of Nissan dealers. No claim will be denied under the Performance Warranty because you use a certified part for maintenance or repair.

MAINTENANCE SERVICE AND REPLACEMENT PARTS

Important information concerning maintenance service and replacement parts is in the Limited Warranty on Nissan Replacement Parts and Accessories section of this booklet. No warranty claim will be denied solely because a non-Nissan part was used for maintenance or repair.

CALIFORNIA VEHICLE INSPECTION PROGRAM

Under this program, if your vehicle fails a "smog check" test, you may choose to have diagnosis of the failure and repairs made at a Nissan dealer or at another service facility. If the inspection failure is the result of a condition covered by these warranties, you must take your vehicle to an authorized Nissan dealer for warranty repairs. This includes parts, labor and diagnosis. You must pay for diagnostic costs if performed at another service facility except in the case of emergency repairs as outlined below.

You must pay for all diagnostic and repair costs of an inspection failure as required by law if the failure was caused by

conditions not covered by these warranties. If the failure is the result of a combination of conditions, you must pay for only the diagnostic and repair costs related to items not covered by these warranties.

After the 3 year/50,000 mile performance warranty has passed, a "smog check" test failure due to a defect in a part which is warranted for 7 years/70,000 miles is covered.

EMERGENCY REPAIRS

In case of an emergency, when an authorized Nissan dealer is not reasonably available, warranty repairs may be performed at any service facility or by the owner using any replacement parts. Nissan will reimburse you for such repairs, including diagnosis, up to the amount of Nissan's suggested retail price for parts and labor charges based on Nissan's recommended time allowance for the warranty repair and the geographically appropriate hourly labor rate. A part not being available or a repair not being complete within 30 days also constitutes an emergency. You must take the replaced part and paid receipts to an authorized Nissan dealer for repayment in such emergency situations.

MAINTENANCE RECORDS

Receipts covering the performance of regular maintenance are not required but should be kept in the event questions arise concerning maintenance. The receipts should be transferred to subsequent owners.

IF YOU HAVE QUESTIONS

You may obtain further information concerning these warranties by following the procedure outlined in the "CUSTOMER CARE" section of this booklet. You may also contact or report any violations to the Office of Transportation and Air Quality, Vehicle Compliance Programs Group, U.S. Environmental Protection Agency, Ariel Rios Building (6405J), 1200 Pennsylvania Avenue, N.W., Washington, D.C. 20460 or the Chief, Mobile Source Division, Air Resources Board, 4001 Iowa Ave., Riverside, CA. 92507.

OTHER OBLIGATIONS

Nissan does not authorize any person to create for it any other warranty, obligation or liability in connection with this vehicle.

Warranty for 2025 vehicles certified for sale in California may be subject to future governmental administrative or judicial action. As a result, this warranty may be changed because Nissan reserves the right to, and, will make those changes required by future law, regulation, or judicial or administrative action in order to be consistent with such governmental actions.

REPLACEMENT PART WARRANTIES (WARRANTIES ON SERVICE PARTS)

WHAT IS COVERED

Nissan² warrants to correct defects in materials or workmanship in all Genuine Nissan replacement parts, Nissan Motorsports parts (including NISMO and NISMO Off Road branded parts, and service parts for Japanese Domestic Market (JDM) vehicles, collectively, "Motorsports parts"), and Genuine Nissan Accessories, distributed by Nissan North America in the United States, installed and used on Nissan (if an appropriate use and application of the part, accessory, or Nissan Motorsports parts) vehicles only, except as described under the caption below, "WHAT IS NOT COVERED".

This warranty covers any repairs needed to correct defects in materials or workmanship. Bedliners will be repaired to commercially acceptable standards subject to the conditions and limitations listed in "WHAT IS NOT COVERED."

¹ Actual warranty is provided by the dealer at time of purchase and should be read carefully. This warranty is subject to change and the applicable warranty will be that which is in effect on the date of purchase.

² Nissan indicates Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003 which distributes and provides consumer services for Nissan Vehicles in the United States.

HOW LONG IS THE WARRANTY

Except for replacement audio components, this warranty is for 12 months or 12,000 miles from the date of installation or purchase, whichever is earlier. However, the warranty on Genuine Nissan replacement parts, Nissan Motorsports parts, and Genuine Nissan Accessories installed during the Nissan New Vehicle Limited Warranty will extend through, and will not end before, the end of that original warranty.

REPLACEMENT AUDIO COMPONENTS

A replacement Radio, Amplifier navigation, Bluetooth®, control unit, or Compact Disc Player/Auto Changer supplied by Nissan is covered for 12 months from the time of installation or the balance of the Basic Vehicle Warranty as it applies to audio components, whichever is greater.

WHAT IS NOT COVERED

This warranty does not cover:

1. Tires or replacement batteries. These items are covered by separate warranties.
2. Damage or failure resulting from racing and competitive driving.
3. Normal maintenance service and parts replacement as outlined in the maintenance schedule of your Nissan Owner's Manual.
4. Damage or failures of parts resulting from:
 - Misuse (your Owner's Manual is your guide to proper use).
 - Accident, theft, fire, driving through water resulting in engine water ingestion.
 - Chemical fallout, tree sap, salt, sand, hail, flood or other environmental conditions.

- Modification or improper repair of the part or of the vehicle in which the part is installed.
 - Use of parts not equivalent in quality or design to parts supplied by Nissan.
 - Lack of performance of required maintenance services as outlined in your Nissan Owner's Manual.
 - Use of improper or dirty fuel, fluids or lubricants.
 - Normal wear and tear, including dings, dents, chips or scratches.
5. SALVAGE TITLE. This warranty does not cover damage, failures or corrosion to any Nissan replacement part, NISMO S-Tune Part, or Genuine Nissan Accessory, installed in the vehicle, if the vehicle is issued a "salvage" or similar title including, but not limited to junk, scrap, rebuilt, or flood titles, under any state's law. (This exclusion does not extend to new Genuine Nissan replacement parts, Nissan Motorsports parts or Genuine Nissan Accessories, installed in a Nissan vehicle after the issuance of a "salvage" or similar title.)

WHAT YOU MUST DO

In order to obtain warranty service you must deliver the warranted part or accessory, or the vehicles, on which the part or accessory is installed, to an authorized Nissan dealer in the United States or Canada at your expense with proof of purchase (parts invoice or service repair order from an authorized Nissan dealer).

LIMITATION OF WARRANTIES AND OTHER WARRANTY TERMS AND STATE LAW RIGHTS

EXTRA EXPENSES - LIMITATIONS OF DAMAGES

This warranty does not cover incidental or consequential damages such as loss of the use of the vehicle, inconvenience or commercial loss.

ANY IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE SHALL BE LIMITED TO THE DURATION OF THIS WRITTEN WARRANTY.

Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. Nissan¹ does not authorize any person to create for it any other warranty, obligation or liability in connection with this vehicle.

¹ Nissan indicates Nissan North America, Inc., PO. Box 685003, Franklin, TN 37068-5003 which distributes Nissan vehicles in the United States.

Please visit Nissanusa.com to obtain the names and address of authorized Nissan dealers nearest to you.

You must also pay for labor charges to remove and replace the part or accessory if it was not originally installed on your vehicle by an authorized Nissan dealer.

WHAT NISSAN WILL DO

If the part or accessory to be repaired was originally installed by an authorized Nissan dealer, it will be removed and reinstalled after repair at no charge for parts and labor. If the part or accessory was not installed by an authorized Nissan dealer, the part or accessory will be repaired or exchanged only. Any needed parts replacement will be made using Genuine Nissan or Nissan approved new or remanufactured parts. Nissan reserves the right to make changes at any time, without notice, to production and service parts in their specifications, colors, and materials, including those used in connection with warranty repairs. For this reason, when approved by Nissan and at Nissan's discretion, functionally equivalent replacement parts may be used that do not exactly match the original production part.

WHAT IS COVERED?

Nissan² warrants your Genuine Nissan Replacement Battery as described below except as stated under "What Is Not Covered?".

This warranty covers defects in materials and workmanship.

HOW LONG IS THE WARRANTY AND WHAT WILL NISSAN DO

If your replacement battery becomes unserviceable within the first 24 months of service Nissan will replace your battery, including labor, without charge, providing the battery was originally installed in your vehicle by an authorized Nissan dealer.

If the replacement battery becomes unserviceable after 24 months of use, Nissan will provide a replacement battery at a reduced price. The amount that Nissan will cover will decline over time until the 84 month mark. This is called a

"pro-rata adjustment". You will be responsible for all labor charges for the replacement of the battery.

This warranty and the pro-rata adjustment end 84 months after the date of the battery's purchase or installation, whichever is earlier. However, the warranty on a Genuine Nissan replacement battery installed during the Nissan New Vehicle Limited Warranty will extend through, and will not end before, the end of that original warranty.

WHAT IS NOT COVERED?

This warranty does not cover:

1. Damage or failure resulting from:
 - Accident, theft, fire or freezing.
 - Misuse of the battery or vehicle in which it is installed, including the use in applications for which the battery was not designed. Proper use is described in the vehicles Owner's Manual.

- Improper installation or battery charging.
 - Vehicle electrical malfunctions not covered by your New Vehicle Limited Warranty.
 - Modification or improper repair of the vehicle or a part of the vehicle.
 - Use of parts not equivalent in quality or design to parts supplied by Nissan.
 - Environmental conditions, including, but not limited to flood, and salt spray or salt water.
2. Normal maintenance service and recharging of discharged batteries.
 3. Batteries in service more than 84 months.

¹ Actual warranty is provided by the dealer at time of purchase and should be read carefully. This warranty is subject to change and the applicable warranty will be that which is in effect on the date of purchase.

² Nissan indicates Nissan North America, Inc. P.O. Box 685003, Franklin, TN 37068-5003, which distributes Nissan vehicles and provides related consumer services in the United States of America.

4. **Salvage Title.** This warranty does not cover damage, failure, or corrosion to any Genuine Nissan battery installed in the vehicle, if the vehicle is issued a "salvage" or similar title under any state's law, and this warranty is rendered void for any battery installed in a vehicle prior to the vehicle being issued a "salvage" or similar title unless state law expressly states otherwise. (This exclusion does not extend to a new Genuine Nissan battery installed in the vehicle after the issuance of a "salvage" or similar title).

WHAT YOU MUST DO

In order to obtain warranty service, you must deliver the warranted battery or the vehicle in which the battery is installed to an authorized Nissan dealer in the U.S. or Canada at your expense, with proof of purchase (parts invoice or service repair order from an authorized Nissan dealer) Please visit Nissanusa.com to obtain the names and address of authorized Nissan dealers nearest to you.

If the pro-rata adjustment applies, you must pay for the applicable portion of the cost of the replacement battery.

The amount you pay is computed in two steps:

- First, the customer pay percentage is determined from the chart shown below based upon the months of actual battery service.
- Second, the current suggested retail price of the new battery is multiplied by the customer pay percentage. For example, should the battery fail after 40 months of service you would pay 50% of the suggested retail price of the new battery.

Customer Pay Percentage

Months In Service (Based on Replacement Battery Purchase Date)	Nissan Part Coverage % (pro-rata)	Labor
0-24 Months	0%	0%
25-32 Months	25%	100%
33-50 Months	50%	
51-84 Months	75%	

LIMITATION OF WARRANTIES AND OTHER WARRANTY TERMS AND STATE LAW RIGHTS REGARDING EXTRA EXPENSES/ LIMITATIONS OF DAMAGES

This warranty does not cover incidental or consequential damages such as, but not limited to, loss of wages or loss of use of the vehicle, inconvenience, or commercial loss.

ANY IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE IS LIMITED TO THE DURATION OF THE LIMITED WARRANTY. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which may vary from state to state. Nissan² does not authorize any person to create for it any other warranty, obligation or liability in connection with this vehicle.

² Nissan indicates Nissan North America, Inc. PO Box 685003, Franklin, TN 37068-5003, which distributes Nissan vehicles and provides related consumer services in the United States of America.

WHAT IS COVERED

Nissan² warrants to the first retail purchaser ("Original Repairing Vehicle Owner"), that Nissan will either repair or replace the Genuine Nissan Outer Sheet Metal Panels you install or have installed on your Nissan vehicle should the purchased panels develop inside out rust through corrosion perforation. Replacement sheet metal panels must be installed on vehicles owned and operated in the United States and Canada. Nissan warrants to the Original Repairing Vehicle Owner that the replacement and refinishing of panels will be carried out at no cost to the Original Repairing Vehicle Owner subject to the exclusions listed below under the heading What is not Covered.

WHAT IS NOT COVERED

This warranty becomes void when damage results from:

1. Accidents, collision, faulty installation, or any alteration to the panel, panels, or vehicle that could be reasonably expected to effect the performance of the covered panels.
2. Environmental pollution or conditions, including acid rain, hail, or lightning.
3. Vehicle neglect, abuse, or use of the vehicle for unintended purposes.
4. Stone chips, scratches, or other paint damage that lead to surface rust damage.
5. Cleaning and polishing agents, chemicals, and solvents, including improper undercoating or use of other rust prevention materials.

WHAT YOU MUST DO

The purchaser must present the original receipts and/or repair orders to a Nissan dealer in order to invoke this warranty. The dealership will then validate and verify warranty coverage prior to authorization for replacement or repair of the panels.

WHAT NISSAN WILL DO

Only authorized Nissan dealership personnel or authorized Nissan personnel can approve a repair or replacement under this warranty. Nissan will pay for the cost of the repair, including parts, labor, paint, and supplies necessary to repair or replace and refinish the panels purchased.

The repair may be completed at an authorized Nissan dealership's collision repair shop or an independent collision repair shop that will install Genuine Nissan replacement parts.

¹ Actual warranty is provided by the dealer at time of purchase and should be read carefully. This warranty is subject to change and the applicable warranty will be that which is in effect on the date of purchase.

² Nissan indicates Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003, which distributes Nissan vehicles in the United States.

WHO IS THE WARRANTOR

Nissan² warrants NISSAN GENUINE and VALUE ADVANTAGE[®] brake products (Brake Pads, Brake Rotors, Brake Drums, and Brake Shoes) of your Nissan vehicle supplied by Nissan.

WHAT IS COVERED AND FOR HOW LONG

NISSAN GENUINE and VALUE ADVANTAGE[®] brake products (Brake Pads, Brake Rotors, Brake Drums, and Brake Shoes) are warranted against defects in workmanship and/or materials for 36 months/36,000 miles, whichever occurs first, for both parts and labor.

Brake products sold over-the-counter for independent repair facility (IRF) or owner installation are warranted against defects in workmanship or materials for 36 months or 36,000 miles, whichever occurs first, for parts (exchange) only.

WHAT IS NOT COVERED

- Normal wear, tear or maintenance of the component(s).
- Non-Nissan parts, components or equipment.
- The cost(s) of any repairs or adjustments that might be caused by or needed because of the use or installation of any non-Nissan parts, equipment, materials or additives.
- The costs of repairing damage or conditions caused by fire or accident; by abuse, negligence or misuse; by improper adjustment, alteration or failure to maintain the vehicle on which parts are installed; or corrosion or damage caused by the use of caustic materials.
- Parts installed on a vehicle used for racing or competition, nor do they cover the repair of any damage or conditions caused by racing or competition.
- The costs of repairing or replacing any part due to damage caused by poor or improper maintenance, contaminated fuels, or the use of fuels, oils, lubricants or fluids of a type other than those recommended in your Owner's Manual.
- The costs of damage caused by environmental factors or Acts of God. "Environmental factors" include such items as airborne fallout, chemicals, tree sap, salt, ocean spray and road hazards. "Acts of God" include such things as hail, floods, windstorms, lightning, tornadoes, sandstorms and earthquakes.
- Parts installed on a vehicle that has had its odometer or emissions systems tampered with or disconnected, or that has been declared a total loss by any insurance company, or is rebuilt after being declared a total loss; or is issued a certificate of title indicating that it is designated as "salvage," "junk," "rebuilt"

or words of similar import. Warranty coverage will be denied without notice if found that a vehicle is ineligible for warranty coverage because it has been salvaged or declared a total loss as set forth in this paragraph.

- Any incidental or consequential damages connected with the failure of the part under warranty. Such damages include lost time; inconvenience; the loss of the use of your vehicle; the cost of rental cars, towing, gasoline, telephone, travel or lodging; the loss of personal or commercial property; or the loss of revenue. This warranty does not cover applicable taxes.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

OBTAINING WARRANTY SERVICE

You must take the vehicle to an authorized Nissan dealer in the United States or Canada during regular business hours at your expense in order to obtain warranty service. Please visit Nissanusa.com obtain the names and address of authorized Nissan dealers nearest to you.

This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. Nissan¹ does not authorize any person to create for it any other warranty, obligation or liability in connection with this vehicle.

¹ Nissan indicates Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003 which distributes Nissan vehicles in the United States.

WHAT IS COVERED AND FOR HOW LONG

Nissan² warrants to correct defects in materials or workmanship, or for failure due to normal wear and tear, of all replacement **Genuine Nissan Original Equipment muffler assemblies, Genuine Nissan** vehicle suspension system **shock absorbers and strut assemblies** installed on Nissan vehicles only, except as described under the caption below, "WHAT IS NOT COVERED". **THE LIFETIME FEATURE OF THIS WARRANTY APPLIES ONLY IF** the parts are purchased and paid for by the owner of the vehicle on which they are installed, and only if they are installed by an authorized Nissan dealer, for as long as the original purchaser of the replacement **muffler assembly, shock absorber** and/or **strut assembly** owns the Nissan vehicle on which the parts are installed.

IMPORTANT: The lifetime feature of this warranty does not apply to parts (a) paid for in whole or in part by Nissan, to include warranty replacement, campaigns or goodwill adjustments, or (b) which are paid for under the terms of any service contract. Such parts are instead warranted against defects in material or workmanship only (but not failure due to normal wear and tear) for 12 months or 12,000 miles from the date of installation or purchase, whichever is earlier. In no case shall the warranty from defects in material or workmanship end prior to the end of the applicable Nissan New Vehicle Limited Warranty on the Nissan vehicle on which the parts are installed, had the part(s) been installed in the vehicle at manufacture.

LIMITATION OF WARRANTIES AND OTHER WARRANTY TERMS AND STATE LAW RIGHTS

EXTRA EXPENSES - LIMITATIONS OF DAMAGES

This warranty does not cover incidental or consequential damages such as loss of the use of a vehicle, substitute transportation, inconvenience or commercial loss.

ANY IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE SHALL BE LIMITED TO THE DURATION OF THIS WRITTEN WARRANTY.

Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

1 Actual warranty is provided by the dealer at time of purchase and should be read carefully. This warranty is subject to change and the applicable warranty will be that which is in effect on the date of purchase.

2 Nissan indicates Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003 which provides consumer service for Nissan vehicles in the United States.

Nissan² does not authorize any person to create for it any other warranty, obligation or liability in connection with the part(s) subject to this express limited warranty.

² Nissan indicates Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003 which distributes Nissan vehicles in the United States.

WHAT IS NOT COVERED

This warranty does not cover:

1. Non Genuine Nissan Muffler Assemblies.
2. Shock absorbers and strut assemblies installed before July 1, 1999. Muffler assemblies installed before October 1, 1999.
3. Damage or failure(s) of parts resulting from:
 - Misuse (your Owner's Manual is your guide to proper use.)
 - Accident, theft, fire, driving through water.
 - Salt, sand, flood or other environmental conditions.
 - Modification or improper repair of the part or of the vehicle in which the part is installed.

- Use of parts not equivalent in quality or design to parts supplied by Nissan.
4. Salvage Title. This warranty does not apply and is rendered VOID if the vehicle is issued a "salvage", "flood", or similar title under any state's law after the part(s) is purchased unless state law expressly states otherwise. (This exclusion does not extend to new Genuine Nissan Original Equipment muffler assemblies, Genuine Nissan shock absorbers or strut assemblies purchased and installed in the vehicle after the issuance of a "salvage", "flood", or similar title.)

WHAT YOU MUST DO

In order to obtain lifetime limited warranty service, bring your vehicle, proof-of-purchase (service repair order from an authorized Nissan dealer in the United States) and personal identification (driver's license, etc.) to any authorized Nissan dealer in the United States. Please visit Nissanusa.com to obtain the names and address or authorized Nissan dealers nearest to you.

WHAT NISSAN WILL DO

If the lifetime feature of this warranty applies to a Genuine Nissan Original Equipment muffler assembly, shock absorber or strut assembly it will be removed and reinstalled after repair at an authorized Nissan dealer at no charge for parts or labor.

Otherwise a warranted Genuine Nissan Original Equipment **muffler assembly, shock absorber** or **strut assembly** will be exchanged only unless you can provide proof that it was originally installed by a Nissan dealer, in which case it will be removed and reinstalled after repair at no charge to you for parts or labor during the term of the warranty. Any needed parts replacement or exchange will be made using new or remanufactured parts at Nissan's option.

OTHER WARRANTIES AND SERVICES

WHO IS THE WARRANTOR

The warrantor of the tires supplied as original equipment on your new Nissan vehicle is the tire manufacturer or tire distributor of your specific tires. WHAT IS COVERED

The tire manufacturer's warranty statement for the specific tires supplied as original equipment on your vehicle may be found on their website.

WHAT YOU MUST DO

Please refer to the following pages for important safety information.

To obtain information on tire warranties and tire dealer service locations or for customer service, contact the appropriate warrantor listed above.

In order to obtain warranty service, you must present the unserviceable tire to an authorized Nissan dealer or to an authorized dealer of the warrantor in the United States or Canada. Your Nissan dealer will also assist you with your tire service requirements or in obtaining tire warranty service from the tire manufacturer.

BASIC INFORMATION

Any tire, no matter how well constructed, may fail due to improper maintenance or service factors. This could create a risk of property damage and serious or fatal injury. Disregarding any of the safety precautions and instructions contained in this manual may result in tire failure or explosion causing serious personal injury or death. For your safety, comply with the following:

TIRE INFLATION

Keep tires inflated to the pressures recommended on the tire data placard. (See your Owner's Manual for location.) These inflation pressures must be maintained as a minimum. However, do not exceed the maximum pressure rating indicated on the tire sidewall.

CHECK INFLATION PRESSURES ON ALL YOUR TIRES, INCLUDING THE SPARE, WHEN TIRES ARE COLD, AT LEAST ONCE A MONTH BEFORE DRIVING.

Failure to maintain correct inflation may result in improper vehicle handling and may cause rapid and irregular tire wear, sudden tire destruction, loss of vehicle control and serious personal injury. Therefore, inflation pressures should be checked at least once a month and always prior to long distance trips.

Pressures should be checked when tires are cold. The tires are cold when your vehicle has been driven less than a mile at moderate speed after being stopped for three or more hours.

CHECKING PRESSURE WHEN TIRES ARE HOT

If you must add air when your tires are hot, add 4 psi (28 kPa) above the recommended cold air pressure. Recheck the inflation pressure when the tire is cold.

For Example Only:

Gauge reading of hot tire: 32 psi

If recommended pressure is: 30 psi

Desired gauge reading of hot tire 30 psi + 4 psi = 34 psi

Check cold pressures as soon as possible, at least by the next day. Never "bleed" air from hot tires as your tire will be underinflated. Use an accurate tire gauge to check pressures. Never allow children to air up tires.

DRIVING ON ANY TIRE THAT DOES NOT HAVE THE CORRECT INFLATION PRESSURE IS DANGEROUS. For replacement tires, the correct inflation pressure will be provided by your tire dealer. If not, refer to the vehicle decal.

Underinflation produces extreme flexing of the sidewalls and builds up heat which may result in sudden tire destruction and serious personal injury. Overinflating can cause the tire to be more susceptible to impact damage.

¹ Provided by and published at the request of the tire manufacturers/warrantors.

LOAD LIMITS

DO NOT OVERLOAD. DRIVING ON ANY OVERLOADED TIRE IS DANGEROUS.

Never load your tires beyond the load carrying limits molded into the sidewall of the tires or the maximum vehicle load limit as shown on the vehicle tire data placard, whichever is less. Overloading causes heat to build up which can lead to sudden tire failure and serious personal injury.

SPEED LIMITS AND SPEED RATED TIRES

HIGH SPEED DRIVING CAN BE

DANGEROUS. Never operate your vehicle in excess of lawful speeds or the maximum speeds justified by the driving conditions. Excessive speeds or racing can cause heat buildup in a tire leading to possible failure and serious personal injury.

Correct inflation pressure is especially important. However, at high speeds, even with the correct inflation pressure, a road hazard, for example, is more difficult to avoid and if contact is made, there is a greater chance of causing tire damage than at the lower speed. Moreover, driving at high speed reduces the reaction time available to avoid accidents and bring your vehicle to a safe stop. If you see any damage to a tire or wheel, replace it with your spare tire and see your tire dealer at once.

Tire speed ratings do not imply that a vehicle can be safely driven at the maximum speed for which the tire is rated. In addition, some damages or improper repairs may cause a speed-rated tire to lose its speed rating. Exceeding the tire's maximum speed rating will cause the tire to build up excessive heat which can cause tire damage that could result in sudden tire destruction and rapid air loss. Failure to control a vehicle with sudden air loss can lead to an accident. In any case, you should not exceed reasonable speeds as indicated by the legal limits and driving conditions.

SPEED SYMBOLS

Are shown on the sidewall of some tires. The following table shows the maximum speed corresponding to the symbol.

†Speed Maximum Rating	Speed mph	km/hr
M	81	130
N	87	140
P	93	150
R	99	160
R	106	170
S	112	180
T	118	190
H	130	210
W	168	270
Y	186	300
V*	149	240
Z**	149	240

SPEED RATINGS

***Some V (or VR) rated tires may have a speed capacity of greater than 149 mph (240 km/h).** Consult your tire manufacturer for maximum speed ratings if your vehicle capability exceeds this speed.

****Z (or ZR) rated tires are designed for use on cars with maximum speed capabilities in excess of 149 mph (240 km/h).** Consult your tire manufacturer for maximum speed capabilities.

†Although a tire may be speed rated, we do not endorse the operation of any vehicle in an unsafe or unlawful manner. Speed ratings are based on laboratory tests which relate to performance on the road, but are not applicable if tires are underinflated, overloaded, worn out, damaged, altered, improperly repaired, or retreaded. Furthermore, tire speed ratings do not imply that vehicles can be safely driven at the maximum speed for which the tire is rated, particularly under adverse road and weather conditions or if the vehicle has unusual characteristics. Most highway passenger tires that do not have a speed symbol in the sidewall have

a maximum speed rating of 105 mph (170 km/h). Light truck highway tires that do not have a speed symbol on the sidewall of the tire have a maximum speed of 87 mph (140 km/h).

Some light truck tires may have higher maximum speeds; consult your tire dealer. The speed and other ratings of retreaded tires are assigned by the retreader and voids the original manufacturer's ratings.

IMPORTANT: In order to maintain the speed capability of the vehicle, replacement tires must have speed ratings equal to or higher than those fitted as original equipment (as indicated on the vehicle placard or Owner's Manual). If tires with lower speed ratings are fitted, the speed capability of the vehicle will be lowered to the maximum speed capability of the replacement tire as indicated on the above table.

Remember...High speed driving can be dangerous and may be damaging to your tires.

And...When driving at highway speeds, correct inflation pressure is especially important.

Contact the manufacturer of your tires for their position and assistance on the repair of speed-rated tires. When you are replacing tires that have a speed rating, you must replace with tires of the same or higher speed rating if the speed capability of the vehicle is to be maintained.

VISUAL INSPECTION

INSPECT YOUR TIRES. DO NOT DRIVE ON A DAMAGED TIRE OR WHEEL.

Check your tires frequently for scrapes, bulges, separations, cuts, snags, cracks, penetrations or excessive localized wear from hard braking. Also check for abnormal tire wear, particularly on the edges of the tire tread which may be caused by misalignment or underinflation. Impacts can damage the inner portion of the tire without being visible on the outside. If damage can be seen on the tires or wheels, or if you suspect that possible impact damage may have occurred, replace with spare at once and have your tire store or dealer inspect your tires immediately. Use of a damaged tire could result in tire destruction. When inspecting your tires, including the spare, check your air pressures. If your pressure check

indicates that one of your tires has lost pressure of two pounds or more, look for signs of penetrations, valve leakage, or wheel damage that may account for the air loss.

All tires will wear out faster when subjected to high speeds as well as hard cornering, rapid starts, sudden stops, frequent driving on roads which are in poor condition, and off-road use. Roads with holes and rocks or other objects can damage tires and cause misalignment of your vehicle. When you drive on such roads, drive on them carefully and slowly, and before driving again at normal or highway speeds, examine your tires for any damage, such as cuts, bulges, penetrations, unusual wear patterns, etc.

TREAD WEAR INDICATORS (WEAR BARS):

Tires contain Tread Wear Indicators (Wear Bars) in the grooves of the tire tread which **show up when only 2/32 inch (1.6 mm) of tread is remaining. At this stage, your tires must be replaced. Tires worn beyond this stage are dangerous.**

* Provided by and published at the request of the tire manufacturers/warrantors.

HAZARDS

Objects in the road that threaten a tire should be safely avoided. These objects are potholes, glass, metal, rocks, wood debris and the like. Unavoidable contact should prompt a thorough tire inspection.

You may not always recall hitting an object that can damage or injure your tires. If while driving your vehicle experiences any unusual vibrations, ride disturbance or noise and/or you suspect that possible damage to the tires or vehicle has occurred, **DO NOT JAM OR LOCK YOUR BRAKES!** Rather reduce your speed and drive with caution until you can safely pull off the road. Stop and inspect the tires. If the tire is underinflated or damaged, deflate, remove the tire and rim assembly and replace it with your spare. If you cannot detect a cause, have the vehicle towed to the nearest vehicle or tire dealer to have the vehicle inspected.

REPAIRING, MOUNTING AND DEMOUNTING OF TIRES

Do not attempt to repair, mount or demount a tire yourself. Tire changing can be dangerous and must be done by professionally trained persons using proper tools and procedures as specified by the Rubber Manufacturers Association (RMA). Follow these mounting recommendations. Your tires should be mounted on wheels of correct size and type and which are in good, clean condition. Bent, chipped or rusted wheels may cause tire damage. The inside of the tire must be free from foreign materials. Have your dealer check the wheels before mounting new tires. Mismatched tires and rims can explode during mounting. Also, mismatched tires and rims can result in dangerous tire failure on the road. If a tire is mounted by error on the wrong-sized rim, do not remount it on the proper rim - scrap it. It may be damaged internally (which is not externally visible) by being dangerously stretched and could fail on the highway.

Old valves may leak. When new tubeless tires are mounted, have new valves of the correct type installed. Tubeless tires must be mounted only on wheels designed for tubeless tires, i.e., wheels which have safety humps or ledges.

Never perform a temporary repair, use an innertube or inject sealant as a permanent substitute for a proper repair. Only qualified persons should repair tires.

Be sure that all your valves have suitable valve caps. This will keep valve cores clean and clear and guard against leakage.

REPAIRS - WHENEVER POSSIBLE, SEE A TIRE DEALER AT ONCE. Some tire manufacturers do not warrant any inspection or repair process. The repair is entirely the responsibility of the repairer. Punctures in the tread of a passenger tire which do not exceed 1/4 inch (6 mm) in diameter can usually be repaired by following the Rubber Manufacturer's Association (RMA) Passenger and Light Truck Repair procedures. Contact the manufacturer of your tires for its position and assistance as to the acceptable location for a proper repair and the repair

of speed rated tires. **Do not use plug repairs. They may cause further damage to the tire. They are not always air tight and the plug may fail.** Do not exceed posted speed limits on any repaired tire. Certain tire manufacturers speed ratings are voided if the tire is repaired.

Although a tire was properly repaired, internal structural damage resulting from the puncture may have occurred. Sometime later the damage may cause the tire to be removed from service.

If the tire has a puncture in the tread which exceeds 1/4 inch (6 mm), the tire must be replaced. If any tire has sustained a puncture, have the tire inspected internally by a tire dealer for possible damage that may have occurred.

Improper mounting and inflation procedures can cause an explosion of the tire/rim assembly. Only specially trained persons should perform these tasks. Contact your tire store or dealer for assistance.

CAUTION - Never, under any circumstance, introduce a flammable substance into a tire.

WHEEL ALIGNMENT AND BALANCING

Wheel alignment and balancing are important for safety and maximum mileage from your tires. Check how your tires are wearing at least once a month. If your tires are wearing unevenly, such as the inside shoulder of the tire wearing faster than the rest of the tread, or if you detect excessive vibration, your vehicle may be out of alignment or balance. These conditions not only shorten the life of your tires, but adversely affect the handling characteristics of your vehicle which could be dangerous. If you detect irregular wear or vibration, have your alignment and balance checked immediately.

Tires which have been run underinflated will show more wear on the shoulders than in the center of the tread.

HARD BRAKING

You must inspect your tires after any hard braking circumstances or after tires have slid on the pavement. This can cause a flat spot in a section of the tire tread.

TIRE SPINNING

Never spin your tires above a speedometer reading of 35 mph (55 km/h) if your vehicle becomes stuck. The centrifugal force generated by the free spinning tire/ wheel assembly may cause a sudden tire explosion, resulting in vehicle damage and/ or serious personal injury or death. Never allow anyone to stand near or behind a tire spinning at high speed while attempting to push a vehicle that is stuck. When in mud, sand, snow, ice or other slippery conditions, do not indulge in excessive wheel spin. In such conditions, with automatic transmission vehicles, by accelerating the engine excessively, it is possible to spin one of the drive tires beyond its speed capability. This is also true when balancing a drive tire/wheel assembly using the engine of the vehicle to spin the wheel.

TIRE TREAD

Tires must be replaced when the depth of the tread reaches 2/32 inch (1.6 mm). Tires are manufactured with tread wear indicators molded into the tire grooves which indicate tread wearout. As tires approximate 2/32 inch (1.6 mm) wearout,

the tread gauge becomes thinner and more vulnerable to the effects of road hazards. Also, worn tires are more subject to hydroplaning, which can cause loss of control. Therefore, visual tire inspection becomes more crucial as the tires wear out.

WORN TIRES

Never drive on worn tires. Tires should be replaced by trained personnel when 2/32 inch (1.6 mm) tread depth remains, as indicated by the tread wear indicators molded into the tread grooves. In most states, it is illegal to drive with less than 2/32 inch (1.6 mm) of tread remaining.

TIRE MIXING

For best performance select tires similar in size and load rating to the original equipment tires. It is recommended that the same size and type of tire be used on all four wheel positions. In certain tires, casing ply material and ply construction may vary as indicated on the sidewall of the tire. When changing or replacing tires, it is preferred that all four tires are the same construction type (i.e., High Performance, All Season, Mud & Snow) and construction (Radial or Bias Ply).

Before mixing tires of different types on a vehicle in any configuration, be sure to check the vehicle Owner's Manual for its recommendations.

Tires which meet the Rubber Manufacturer's Association (RMA) definition of mud and snow tires are marked M/S, M+S, M&S. On such tires, this designation is molded into the sidewall. Tires without this notation are not recommended for mud and/or snow driving.

If snow tires are needed, it is necessary to select tires equivalent in size and load rating to the original equipment tires. Always fit performance snow tires in sets of four (4) for optimum mud & snow traction and maintenance of vehicle handling characteristics. If you do not, it may adversely affect the safety and handling of your vehicle. It is also important to check the vehicle Owner's Manual before mixing or matching tires on 4-wheel drive vehicles as this may require special precautions.

Please refer to your Owner's Manual for more information on tire replacement precautions.

TIRE ROTATION

Tires on your Nissan vehicle should be rotated every 7,500 miles or as irregular wear develops. If irregular wear becomes apparent or if the wear rate on the tires is perceptibly uneven, the tires should be rotated in such a way to alleviate the problem. Check your vehicle for any mechanical problems and correct if necessary. Any rotation pattern or procedure may be followed including those indicated in the Owner's Manual. Some tires have arrows on the sidewall showing the direction in which the tire should turn. When rotating this type of tire, care must be taken to maintain the proper turning direction as indicated by the arrows. Some vehicles have different tire sizes specified for front and rear axles. Tires on these vehicles should not be rotated side to side (unless they are nondirectional). Where a temporary type spare tire is available, it should not be included in the tire rotation schedule. Such tires are intended for temporary use only.

REPLACING TWO TIRES

If your vehicle was originally equipped with four tires that were the same size and you are only replacing two of the four tires, install the new tires on the rear axle. Placing new tires on the front axle may cause loss of vehicle control in some driving conditions and cause an accident and personal injury.

TRAILER TOWING

If you anticipate towing a trailer, you should see a tire dealer for advice concerning the correct size of tire and pressure.

Tire size and pressure will depend on the type and size of the trailer and hitch utilized, but in no case must the maximum cold inflation pressure or the tire load rating be exceeded. Check the tire decal and your Owner's Manual for further recommendations on trailer towing.

TIRE ALTERATIONS

Do not perform any alterations on your tires. Alterations may prevent proper performance, leading to tire damage, which can result in an accident.

Tires which become unserviceable due to alterations such as truing, whitewall inlays, addition of balancing or sealant liquids, may be excluded from warranty coverage. Consult your tire warranty.

HIGH PRESSURE TEMPORARY SPARE TIRES

1. The high-pressure spare tire in your Nissan vehicle is designed for temporary use only and must not be used continually as a regular tire. The standard tire should be repaired and/or replaced as soon as possible
2. Avoid driving over obstacles that may damage the tire through impact or cutting, such as potholes, glass, metal, etc.
3. Speed must not exceed 50 mph (80 km/h) for non-speed-rated temporary spare tires.
4. Temporary spare tires have a limited tread life which can vary depending on road conditions and your driving habits. The spare tire should be returned to the trunk as soon as the standard tire can be repaired or replaced.

5. Because the high-pressure spare tire was specifically designed for your car, it should not be used on any other vehicle.
6. Do not use snow chains on your high-pressure spare. This could cause damage to your vehicle.
7. Check the tire's cold inflation pressure monthly and maintain at 60 psi (4.2 kg/cm²) even when not in use.
8. The high-pressure spare tire should not be used with any other rim nor should standard tires, wheel covers, or trim rings be used on the high-pressure spare tire rim which was originally installed.
9. When the tread wear indicator appears on the tire, replace it only with the same type spare tire.
10. Do not enter an automatic car wash with a temporary spare tire fitted.
11. Do not make a sharp turn or apply the brakes suddenly when driving on a high-pressure temporary spare.

Note: When using any temporary type spare tire, be sure to follow the vehicle Owner's Manual instructions.

TIRE STORAGE

All tires should be stored in a cool dry place indoors so that there is no danger of water collecting inside them.

When tires are stored they should be stored in a cool place away from sources of heat and ozone such as hot pipes and electric generators. Be sure that surfaces on which tires are stored are clean and free from grease, gasoline or other substances which could deteriorate the rubber. (Tires exposed to these materials during storage or driving could be subject to sudden failure.)

To Avoid Damage to your Tires and Possible Accident:

- Check tire pressure at least once a month when tires are cold and before long trips.
- Do not underinflate/overinflate.
- Do not overload.
- Drive at moderate speeds, observe legal limits.
- Avoid driving over potholes, obstacles, curbs or edges of pavement.
- Avoid excessive wheel spinning.
- If you see any damage to a tire, replace with spare and see the tire manufacturer's dealer or your Nissan dealership.

ROADSIDE ASSISTANCE

Included with your Nissan Vehicle purchase, Roadside Assistance Benefits are available to you, 24 hours a day, 365 days a year, for emergency roadside assistance should the need arise for any of the following items:

- Mechanical Breakdown
- Flat Tire
- Accident/Collision (Loaner vehicle not included)
- Dead Battery
- Emergency Fuel Delivery
- Lock-out service

HOW TO USE ROADSIDE ASSISTANCE

Should one of the disablements listed above occur, simply call the toll free number, **1-800-225-2476** and advise the Roadside Assistance Representative of your name, the vehicle identification number (VIN) of your car, your location, and the nature of the problem. The VIN can be found imprinted on a plate affixed to the upper dashboard on the driver's side of your vehicle.

ON-SITE AND TOWING SERVICE

Depending on the type of vehicle problem you are experiencing, the Roadside Assistance Representative will determine the appropriate roadside assistance service to be dispatched. In most cases, minor disablement services such as lock-out service, out-of-gas delivery, battery boost, etc., can be performed on-site so that you can be on the road again as soon as possible. Any charges for the replacement of keys, or non-warranty items will be your responsibility at the time of the repair or service. There is no charge for on-site or towing while within the parameters for Roadside benefits as defined under Coverage. Roadside Assistance will arrange to transport the vehicle to the nearest Nissan dealer. Warranty covered repairs will be provided for under the terms of the applicable Nissan New Vehicle Limited Warranty. However, any non-warranty or accident/collision repairs will be your responsibility.

Note: You may be required to sign a receipt at the time of disablement to acknowledge receipt of the Roadside Assistance service rendered.

EMERGENCY TRAVEL EXPENSE/TRIP INTERRUPTION BENEFITS

If you experience a mechanical breakdown more than 100 miles from your primary residence, you may be eligible for the following reasonable trip interruption benefits:

- Meals
- Lodging
- Substitute transportation
- Costs to reunite the vehicle and owner, after warranty repairs have been completed

The Roadside Assistance Representative will explain Emergency Travel Expense/Trip Interruption benefits in detail and provide authorization of appropriate benefits. In most situations you may be required to pay for these benefits initially. If so, the representative will provide instructions for reimbursement procedures. You must keep records of these expenses and submit them upon request. Emergency Travel Expense/Trip Interruption Benefits are not available for accident/collision and/or other non-warrantable disablements.

COVERAGE

Roadside Assistance is provided from the date the vehicle is delivered to the first retail buyer or otherwise put into use, whichever is earlier, for a period of 36 months/36,000 miles.

Roadside Assistance is available to anyone operating a Nissan vehicle with the authorization of the owner. (For purpose of Roadside Assistance benefits, "owner" includes the lessee of a leased vehicle.) These services are transferable with the resale of the vehicle for the time remaining on the Roadside Assistance coverage period. Roadside Assistance is available throughout all 50 states.

TOWING

Roadside Assistance provides towing service for a period of 60 months/60,000 miles, (whichever comes first).

EXCLUSIONS

Roadside Assistance is not a warranty and is not provided under any Nissan warranty, but is a service which is provided to you as part of the purchase of a Nissan Vehicle to minimize any unforeseen vehicle operation inconvenience. Potential liability is

expressly limited to the cost of the listed benefits and does not extend to incidental or consequential damages such as loss of use inconvenience, loss of pay, or commercial loss.

Roadside Assistance benefits exclude any costs related to repairs, parts replacement, labor, etc. which are incurred as a result of accident/collision, vehicle abuse, racing, vandalism or other items not covered by the Nissan New Vehicle Limited Warranty. Also excluded are services for snow tires, repair to studs, mounting or demounting of snow chains, and any fines, fees or taxes which are associated with impound towing as a result of actual or alleged violation of any laws or regulations.

Roadside assistance offers you concierge services, which will assist in arranging for the following services:

- **Hotel Reservations**
Assistance locating emergency lodging when away from home at a hotel that best fits your needs.
- **Airline Information**
Assistance obtaining flight information, e.g. flight times and fares.

- **Alternate Transportation**
Assistance obtaining rental vehicles or taxi service.
- **Enhanced Directory Assistance**
Assistance locating nearby service station, ATM, and/or bank and provide telephone and address information.
- **Message Relay**
We will attempt to contact those persons for whom telephone numbers are provided in order to relay messages.

All third-party cost associated with these benefits are the customer's responsibility.

Roadside Assistance is offered for emergency roadside assistance only. Any abuse of this benefit may lead to suspension or cancellation of the service.

LONG TERM PROTECTION FOR YOUR NISSAN...

Security+Plus®

A Security+Plus Extended Protection Plan is the most valuable investment you can make to ensure you enjoy your Nissan for as long as you drive it.

Our plans provide you with impressive long-term protection that goes beyond your vehicle's Limited Warranty. If a covered component fails during the term of your plan, Nissan pays for the repair. In addition, plans include 24-hour Roadside Assistance, Towing, Car Rental, and Trip Interruption benefits.

Best of all, Security+Plus Protection Plans were created exclusively for Nissan owners. Since your protection is backed by Nissan, you can rest assured your benefits will be available at Nissan dealers nationwide.

For just pennies a day, Security+Plus can help protect you from unexpected repair costs when your factory warranty expires. Plans lock in today's parts and service rates, too.

A few of our plan's highlights:

1. With Security+Plus Extended Protection Plan, you can choose coverage for up to 8 years/120,000 miles to help guard against rising repair costs.
2. Repairs are performed at participating Nissan dealerships throughout the U.S. by factory-trained technicians using Genuine Nissan or Nissan approved parts to maintain your vehicle in top running condition.

3. Payment-free service, other than your deductible (if applicable). Dealers are paid directly by Nissan.
4. Security+Plus Plans are transferable to subsequent owners, helping to enhance the resale value of your Nissan.
5. Customer assistance is available at any Nissan dealer, or by calling 800-647-7261 or SMS/Text to 615-675-9353.
6. A 0% payment plan is available for qualified applicants. Useful if you have prearranged vehicle financing, or are buying a contract after taking delivery of your vehicle.
