Enrollment

Enhance your ownership experience

Get access to your vehicle’s information online and even manage your services and subscriptions when you enroll in the MyNISSAN Owner Portal. Enrollment is easy; just ask your dealer to enroll you. Or, if you’d rather enroll on your own time, choose from the MyNISSAN Owner Portal options below:

1. Download the NissanConnect® EV & Services app and log in with your account to get access to your Nissan LEAF®.

   Tap here for iOS®  
   [Apple App Store]

   Tap here for Android™
   [Google Play Store]

2. If you don’t have a MyNISSAN Owner Portal account, you can register and enroll by following the link below.

   MyNISSAN Owner Account Portal
Gain access to the many unique features of your fully electric Nissan LEAF® through the NissanConnect® EV & Services app. Adjust your cabin temp, set charging timers, and get range info directly from your compatible smartphone and smartwatch. Remote access, driving history on demand, and customizable alerts round out a fully connected experience.¹,²,⁷
NISSANCONNECT® EV & SERVICES

Be one with your Nissan LEAF®

CONNECTED VEHICLE SERVICES, RECHARGED

Designed exclusively for Nissan LEAF, the available NissanConnect® EV & Services app, powered by SiriusXM, takes connected EV technology to the next level. On the go? You can sync with your LEAF and control select vehicle functions with your compatible smartphone and smartwatch. At home? Access your Nissan LEAF with just your voice using the Nissan Skill for Amazon Alexa.®¹, ⁸

☐ Check or set your car’s cabin temperature remotely with the NissanConnect® EV & Services app.¹, ⁷

NissanConnect® EV with Services 3 Years Included

Range & Charging$^{1,2}$

KNOW EVERYTHING ABOUT YOUR NEXT CHARGE

Get important alerts and up-to-date range and charging info on your compatible phone.$^{1,2,13}$

- Estimated Driving Range$^2$
- Charging Station Availability$^5$
- Charging Station Map Updates
- Plug-in Reminder Notifications
- Charge Complete Notifications
- Lithium-ion Battery Warmer Status
- Charging Timer
- And More
Use the NissanConnect® EV & Services app to begin charging your Nissan LEAF® anytime you want. If you are plugged in, there is no need to physically go to your vehicle or charge station.1

Want to charge at night when electricity prices are lower? Plug your Nissan LEAF in at home and set the charging timer to wake up to a full battery.1, 9

ESTIMATED DRIVING RANGE
How far until your next charge? See your remaining range at a glance on your compatible phone.1, 2
Control your Nissan from the comfort of your home

Just ask Alexa. Using only your voice, the Nissan Skill for Alexa can help you control some of your favorite vehicle functions as quickly and easily as having a conversation. Just tell Alexa “Launch Nissan” to get started!1, 8, 10

- “Alexa, ask Nissan to set cabin temperature to 72 degrees.”1, 7, 10
- “Alexa, ask Nissan to check my battery charge level.”1, 9, 10
- “Alexa, ask Nissan to unlock my car.”1, 10

Nissan Skill for Amazon Alexa
Plan a road trip, set multiple stops, and find charging stations along the way. NissanConnect® EV with Services helps you maximize your time on the road.¹, ⁵, ⁶

- Route Planner¹, ⁶, ¹¹
- Destinations by Google¹, ⁶
- My Car Finder
- And More
Planning, Destination & Assistance

FOLLOW AN ITINERARY OR MAKE NEW PLANS ON THE FLY

ROUTE PLANNER

Plan your itinerary and simplify your trip. Route Planner uses your Nissan LEAF’s battery status to map out your next road trip, with charging waypoints along the way.1, 5, 6

- You can add up to 5 waypoints to your route, so pit stops can be planned.1, 6, 11

- Set your route from the comfort of your home. You can access Route Planner from the MyNISSAN Owner Portal.1, 6, 11
With NissanConnect® EV with Services, you get detailed information about your Nissan LEAF’s health and performance directly in the app. See your driving history, performance, and more.¹

- In-vehicle Messaging
- Eco Ranking
- Mobile Information Service
- Driving History
- And More
DRIVING HISTORY
Get insights on your driving and get help on how to get the best range and charge.¹, ², ⁹

- Driving Records and My Driving Style information let you see how you’re driving and can help you maximize your range.¹, ²

- See when you can expect the best charging rates with Electric Rate Simulation via the NissanConnect® EV & Services app or MyNISSAN Owner Portal¹, ⁹

¹¹ Years Included

1. NissanConnect® Services are proprietary connected vehicle services provided by Nissan Electronics (North America) Inc. Subject to NissanConnect® Terms of Service and Privacy Policy found at nissanusa.com/connect. Services subject to change. Fees and other restrictions may apply. NissanConnect® Services are available on select models only and through factory-installed NissanConnect® Services capable device. Not all vehicles are NissanConnect® Services capable. NissanConnect® Services require activation by visiting nissanusa.com/connect or calling 1-888-970-8237. The vehicle must be unlocked and near cellular service for NissanConnect® Services to function. Features like Traffic Information and Roadside Assistance¹² require variety of third-party services. Not all services are available in all areas and vehicle range will vary. NissanConnect® Services not available in Canada.
Keep tabs on your Nissan

ALERTS
Stay in the know with customizable alerts delivered right to your compatible smartphone, like knowing if your Nissan LEAF® goes above a certain speed.¹

Do the kids need to borrow the car? You can get a heads-up if they go farther than your set boundary.¹

AUTOMATIC COLLISION NOTIFICATION
In the event of a collision, Automatic Collision Notification can connect you to a live Response Specialist who can request emergency services on your behalf, if needed.¹

Make an Emergency Call at the touch of a button and get connected with EV Roadside Assistance with an in-vehicle connection.¹,¹²
NISSANCONNECT® SERVICES

Select Package

REMOTE CONTROLS

- Remote Door Lock/Unlock

NOTIFICATIONS/ALARMS

- Maintenance Alert
Get access and info directly from your smartphone

REMOTE DOOR LOCK/UNLOCK
Did you lock your vehicle? Just use this feature on your compatible smartphone and lock it again — just in case.

This feature not only works on compatible smartphones but on compatible smartwatches, too.

MAINTENANCE ALERT
Stay up to date on your vehicle’s maintenance requirements with Maintenance Alert automated notifications.

You can choose how you’d like to be notified — via email, text, in-vehicle message, and/or push notifications.
STANDARD SMARTPHONE CONNECTIVITY

NissanConnect®

19

FEATURES YOU CAN ENJOY ON EVERY DRIVE

• Bluetooth® Hands-free Phone System¹
• Streaming Audio via Bluetooth®¹
• Available Nissan Door to Door Navigation¹, ⁶
• AM/FM audio system
• Apple CarPlay® integration¹
• Android Auto™ compatibility¹
• USB/aux inputs¹³
Bring along your favorite apps\(^1\)

**APPLE CARPLAY® INTEGRATION**

Want to bring your favorite iPhone\(^\circ\) apps along for the ride? Apple CarPlay® makes it possible. Access them on your touchscreen display or ask Siri\(^\circ\).\(^1,\)\(^13\)

- Want to talk to Siri\(^\circ\)? Just press and hold the talk button on your steering wheel.\(^1,\)\(^13\)

**ANDROID AUTO™ COMPATIBILITY**

Talk to Google Assistant on Android Auto and get things done with your voice. Easily send messages, get directions, control media, and more. Just say, “Hey Google” or long-press the voice control button on your steering wheel.\(^1,\)\(^6,\)\(^13,\)\(^14\)

- With Android Auto, connect to your favorite apps and compatible smartphone to seamlessly get things done throughout your day.\(^1,\)\(^13\)
BLUETOOTH® HANDS-FREE PHONE SYSTEM
Take that incoming call. Bluetooth® calling lets you make and send texts and calls using your Nissan’s internal speakers.\(^1\), \(^{13}\), \(^{14}\)

- Upload your compatible smartphone’s address book, and the vehicle’s system can provide caller ID on your displays.\(^1\), \(^{13}\)

BLUETOOTH® AUDIO
Your music comes along, too. Streaming Audio via Bluetooth® lets you wirelessly stream from your compatible smartphone to your Nissan.\(^1\), \(^{13}\)

- Let your rear passengers DJ. Just pass the connected device around or let them add their own device.\(^1\), \(^{13}\)
VOICE RECOGNITION
Access your contacts, see available maps, send and make texts and calls — all using voice commands.¹, ⁶, ¹⁴

ości press the talk button on your steering wheel to access Nissan’s voice-recognition technology.¹

Now it’s easier to keep your eyes on the road and your hands on the wheel. You can even ask for a specific song or playlist.¹
Get access to the widest variety of entertainment. With SiriusXM, choose from hundreds of available channels covering music, sports, talk, comedy, and more. You can listen on the SXM app, online, or at home on connected devices — it’s all included with your trial.⁴
Access a world of exclusive content

MUSIC, SPORTS, AND MORE
Hearing the same music across multiple stations? SiriusXM offers a wide variety of curated channels for multiple genres and interests.¹

- Let SiriusXM bring you music genres from rock to country and hip-hop to pop. Hear hits before they hit. Exclusive music channels inspired by your favorite artists, styles, and eras are playing right now, on demand and ad-free.¹

- Set your favorites in your vehicle and continue to listen on the SXM app. Just download the app and start listening.¹

Learn more about SiriusXM
Traffic, weather, charging stations, sports scores and schedules, movie listings, and more — SiriusXM helps you stay in the know when you’re on the go.¹,⁵,⁶

Stay connected with SiriusXM
GET REAL-TIME UPDATES
Route changes, charging stations, or weather — SiriusXM Traffic & Travel Link can help keep you ahead of the pack.¹, 4, 5, 6

- Help avoid roadway congestion with real-time updates on traffic speed, accidents, construction, closures, and more.¹

- Get detailed info on the weather, charging stations, parking, and more seamlessly integrated into your vehicle’s navigation system.¹, 5, 6
