

NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into assistants. Together the journey is more confident, connected, and exciting. Whether it's cars that assist in the driving task, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

SEE PATHFINDER® COME TO LIFE

Go to NissanUSA.com and find an interactive brochure for Pathfinder® and every Nissan in the lineup. Available on desktop or smartphone, it's the full product story – including demos, videos, and complete info on trims, colors, and accessories.

Or download the Interactive Brochure Hub app on your tablet.
Free on the App Store® and Google Play.™

NISSAN ROADSIDE ASSISTANCE

Your peace of mind is on us. For 36 months or 36,000 miles, whichever comes first, your new Nissan is covered for the following:¹

- Flat-tire changes
- Trip Interruption benefits
- Jump starts
- Vehicle lockouts
- Emergency fuel delivery

Follow Nissan on:

TAKE ON ADVENTURE. Seek new destinations. Unrivaled space means everyone gets in on the action. Now take on the road, or what they call a road, with legendary capability and some of the most advanced available driver-assistance systems anywhere. **TAKE ON TODAY.**

Nissan Pathfinder® Platinum 4WD shown in Caspian Blue with accessory Roof Rail Crossbars and Splash Guards.

ALL-TERRAIN CAPABILITY

Pathfinder®'s available Intelligent 4x4 gives you the capability you need with a choice of full-time 2WD for maximum efficiency, Auto for traction only when you need it, and 4WD lock mode for when the going really gets tough.

ADVANCED DRIVING TECHNOLOGIES

Whether you're changing lanes on the highway, maneuvering out of a parking spot, or following stop-and-go traffic, Pathfinder's available driver assistance features, including standard Automatic Emergency Braking, help you see more, sense more, and can even give you an assist when you need it most.^{2, 3, 4, 5}

- Rear Cross Traffic Alert²
- Blind Spot Warning³
- Automatic Emergency Braking⁴
- Intelligent Cruise Control⁵

²Available feature. Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. ³Available feature. Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ⁴AEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply. ⁵Available feature. Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident.

HANDS-FREE ACCESS

Carrying everything at once? No problem. Just kick your foot under the rear bumper and the available Motion Activated Liftgate will open for you. And there's no more fumbling for keys, thanks to the available Nissan Intelligent Key® with Push Button Ignition. Just step inside of Nissan Pathfinder, push a button, and away you go.¹

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

CONVENIENCE YOU CAN COUNT ON

Never forget something in the back seat again with the innovative Rear Door Alert system. If the system detects you may have left something, it gives you a visual and audible alert to remind you to check the rear seat.⁶

THREE ROWS OF FLEXIBILITY

With the EZ FLEX® Seating System's LATCH AND GLIDE® technology, the right side of the 2nd row glides and tilts forward for 3rd-row access, even with a child seat in place.⁷ And with so many possible seating configurations, Pathfinder is always ready for the next adventure.

⁶See Owner's Manual for details. ⁷Slide forward function should not be performed with the CRS occupied.

Images may show additional available equipment. ¹Towing capability varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. ²Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ³Information displayed is dependent on how vehicle is equipped. ⁴Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within Nissan or its partners' or agents' control and may be discontinued at any time. For more information, see dealer, Owner's Manual, or NissanUSA.com/connect/important-information. ⁵Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁶See Owner's Manual for details. ⁷Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod® is a registered trademark of Apple, Inc. All rights reserved. External device not included. ⁸AEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed and other limitations apply. See Owner's Manual for details. ⁹Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12

and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. ¹⁰VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. ¹¹TPMS is not a substitute for regular tire pressure checks. ¹²Vehicle must be on for the Easy-Fill Tire Alert to operate. ¹³The optional Rear Sonar System is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. May not detect every object behind you. ¹⁴State and local laws, regulations or ordinances may apply based on the location of the vehicle. ¹⁵Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ¹⁶IAVM cannot completely eliminate blind spots and may not detect every object. IAVM operates at vehicle speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. ¹⁷Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. ¹⁸Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ¹⁹Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. Bose® is a registered trademark of The Bose Corporation. HomeLink® is a registered trademark of Gentex Corporation.
