NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into assistants. Together the journey is more confident, connected, and exciting. Whether it's cars that assist in the driving task, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

SEE ALTIMA® COME TO LIFE

Go to NissanUSA.com and find an interactive brochure for Altima and every Nissan in the lineup. Available on desktop, smartphone, or tablet, it's the full product story – including demos, videos, and complete info on trims, colors, and accessories.
The All-New 2019 Nissan Altima®
Impossibly Smart

This isn’t just a sedan, this is our latest technology, built to unlock the pure joy of driving. With the world’s first engine that feels like two in one. And Nissan Intelligent Mobility™ that responds to the world around you in real-time. Confidence from available Intelligent All-Wheel Drive. Surprising connectivity before you even reach the driver’s seat. The All-New 2019 Nissan Altima. Tech that moves you.
Parking will never be the same. Intelligent Around View Monitor uses four cameras to give you a virtual composite 360° bird’s-eye view of your Altima, with selectable split-screen closeups of the front, rear, and curbside views, so you can get a better look. It can even give you an on-screen heads-up when it detects moving objects near your vehicle. We’re looking at you, shopping cart.

ProPILOT ASSIST
Welcome to a whole new highway commute. With Nissan ProPILOT Assist, you can let go of driving stress while Altima® takes care of the little things—like following the car ahead at a preset distance or helping keep you centered in your lane. It can even bring your Altima to a full stop based on the traffic flow and hold you there. Now even your typical morning drive can be the best way to start the day.

SAFETY SHIELD® 360
Nissan Intelligent Mobility is changing how you move forever with technology that makes you feel more connected, confident, and excited. As part of Nissan Intelligent Mobility, Safety Shield 360° includes features that help you see more, sense more, and can give you an assist when you need it. The following features are standard on trim levels SV and above.

- Automatic Emergency Braking with Pedestrian Detection
- Rear Automatic Braking
- Rear Cross Traffic Alert
- Blind Spot Warning
- Lane Departure Warning
- High Beam Assist

INTELLIGENT AROUND VIEW® MONITOR
Parking will never be the same. Intelligent Around View Monitor uses four cameras to give you a virtual composite 360° bird’s-eye view of your Altima, with selectable split-screen closeups of the front, rear, and curbside views, so you can get a better look. It can even give you an on-screen heads-up when it detects moving objects near your vehicle. We’re looking at you, shopping cart.
Altima gives you peace of mind you never thought you could get from a sedan. Part of Nissan Intelligent Mobility, available Intelligent All-Wheel Drive continuously monitors road conditions and responds in an instant, sending power to the wheels that need it most.

SMARTPHONE CONNECTIVITY
Plug in a compatible iPhone® and Apple CarPlay® gives you access to your favorite apps and Siri®.10,11 If you use a compatible Android phone, Android Auto™ puts what’s important to you, like the Google Assistant, at your fingertips, directly on your Altima’s NissanConnect® 8” touch-screen display.12,13

- Apple CarPlay® compatibility14
- Android Auto™ compatibility
- Available Nissan Door to Door Navigation15
- Available NissanConnect® Services with Amazon Alexa and Google Assistant.12,13

INTELLIGENT ALL-WHEEL DRIVE
Altima gives you peace of mind you never thought you could get from a sedan. Part of Nissan Intelligent Mobility, available Intelligent All-Wheel Drive continuously monitors road conditions and responds in an instant, sending power to the wheels that need it most.

THE WORLD’S FIRST PRODUCTION VARIABLE COMPRESSION TURBO ENGINE
Imagine an engine so smart it seems to anticipate what you want. Whether it’s turbocharged power that pushes you back in your seat or impressive fuel efficiency, even in city streets,11 Altima’s all-new shape-shifting VC-Turbo™ engine lets you have both – without compromise.15
