There’s excitement. Then there’s the kind of excitement that makes every moment behind the wheel a rush. Up to 226 miles of range on Nissan LEAF® S PLUS means new destination possibilities have opened up.¹ Put your compatible smartphone on the big screen and connect to your world.² Drive with more confidence, thanks to a suite of standard Nissan Safety Shield® 360 features that look out all around you.³ The 2020 Nissan LEAF. This is how driving should feel. This is Nissan Intelligent Mobility.⁴

EPA RANGE UP TO

226

MILES ON S PLUS
SL PLUS shown with EPA range up to 215 miles.¹

Nissan LEAF® SL PLUS shown in Two-tone Pearl White TriCoat/Super Black.
Feel the rush of instant acceleration

It’s a thrill you never saw coming. Nissan LEAF’s 100% electric drivetrain delivers instant acceleration as soon as you touch the pedal. Turn the wheel, and the fun continues, with a battery pack that sits low in the chassis, letting you hug the road.

Imagine having the option to drive with one pedal. Just press down for an instant rush and ease off to slow down and come to a stop. It’s a whole new way to drive that’s not only fun, but encourages you to drive more efficiently, helping extend your range. Of course, going back to driving with two pedals is as easy as flipping a switch.

e-Pedal – ONE-PEDAL DRIVING

Confidence has never come this easy

ProPILOT ASSIST

With available ProPILOT Assist, the Nissan LEAF® helps out with daily highway driving – helping you follow the car ahead at a preset distance or helping keep you centered in your lane. It can even bring you to a full stop based on the traffic flow, and can bring you back up to speed when traffic starts moving again. It all adds up to a more confident, enjoyable drive.

Helps keep you centered – even in gentle curves

Helps maintain your preset speed and distance

Can even come to a complete stop
Nissan Intelligent Mobility is changing how you move forever with technology that makes you feel more connected, confident, and excited. As part of Nissan Intelligent Mobility, Safety Shield 360 consists of features that help you see more, sense more, and can give you an assist when you need it. The following features are standard on Nissan LEAF.3, 4

NISSAN SAFETY SHIELD® 360

- Automatic Emergency Braking with Pedestrian Detection®
- Rear Automatic Braking®
- Rear Cross Traffic Alert®
- Blind Spot Warning®
- Lane Departure Warning®
- High Beam Assist

There's nothing like seeing it on the big screen

People to see? Places to be? Just ask Siri.® Equipped with Siri® voice control, standard Apple CarPlay® integration brings on board to your Nissan LEAF your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more. Simply plug in your compatible iPhone® and go.2, 12

Know where you’re going and when with Android Auto ™ for your Nissan LEAF. Google Maps™ helps you navigate to your next appointment, while Google Assistant keeps you on top of your schedule. Choose a song, change your destination, or respond to a text with your hands on the wheel using the hundreds of available voice commands.12, 13, 14
Get your day started with NissanConnect® EV & Services

Your Nissan LEAF® is powered up and you’re connected — and you haven’t even stepped out of the house yet. The NissanConnect EV Skill with Amazon Alexa or the NissanConnect EV Action for the Google Assistant makes it possible. Or just use the NissanConnect EV & Services app on your compatible smartphone to lock and unlock your doors, heat or cool your cabin while charging, and more.2, 12, 16

Charging at Home

Charge overnight, when electricity rates are often lower, using a standard 240-V plug.16

It’s never been easier to get a home charger installed with Amazon Home Services.

Charging on the Go

An ever-expanding network of public EV charging stations means you’re never far from your next charge or a quick top-off. Just use the available menu on your Nissan LEAF’s center touch-screen display — you can even filter for the type of charger you are looking for, type of payment method, and more.12, 16

PUBLIC DC QUICK CHARGING17

62 kWh BATTERY
EPA Range Up To 226 Miles Approx. 45 Minutes = 80% Charge (100 kW)
Approx. 60 Minutes = 80% Charge (50 kW)

40 kWh BATTERY
EPA Range Up To 149 Miles Approx. 40 Minutes = 80% Charge (50 kW)

Available 120-V/240-V portable charge cable.16

With NissanConnect® technologies, you can tailor how you stay in touch. Plug in and access your compatible smartphone. Available Nissan Door to Door Navigation makes driving to your next destination seamless. Bluetooth® and hands-free texting mean it’s easier than ever to connect with your world. And you’ll stay charged up with three standard USB ports, and a standard USB-C port.12, 13, 14

Connect the way you want

NISSAN INTELLIGENT MOBILITY®
It’s all around you. Bold lines, distinctive touches, and the sense that this is a vehicle like no other. The Nissan LEAF®’s driver-centric environment proves you don’t have to sacrifice comfort or convenience when driving electric, with features like a telescoping D-shaped steering wheel, distinctive center console, and a “floating” touch-screen display that puts your compatible iPhone® on center stage with Apple CarPlay® integration. It’s clear this interior was designed with you in mind.
