This is Nissan Intelligent Mobility.
ROCK CREEK™ EDITION
Adventure has a bold new look. Over thirty years of rugged capability are behind your next family adventure, while distinctive touches inside and out pay homage to a legend. The Pathfinder® Rock Creek Edition. Forge ahead in style.

HANDS-FREE ACCESS
Carrying everything at once? No problem. Just kick your foot under the rear bumper and the available Motion Activated Liftgate will open for you. And there’s no more fumbling for keys, thanks to the available Nissan Intelligent Key® with Push Button Ignition. Just step inside, push a button, and away you go.4

THREE ROWS OF FLEXIBILITY
With the EZ FLEX® Seating System’s LATCH AND GLIDE® technology, the right side of the 2nd row glides and tilts forward for 3rd-row access, even with a child seat in place.10 And with so many possible seating configurations, Pathfinder is always ready for the next adventure.

Never forget something in the back seat again with the innovative Rear Door Alert system. If the system detects you may have left something, it gives you a visual and audible alert to remind you to check the rear seat.11

REMOTE START FROM YOUR PHONE
If you forget to lock your Pathfinder, or need to unlock it, simply log in to the NissanConnect® Services app or Owner Portal to remotely lock or unlock your doors. You can even check your vehicle’s location on a map at any time, or start it remotely. It works nearly anywhere your compatible smartphone works. Now that’s cool.3

Whether you’re changing lanes on the highway, maneuvering out of a parking spot, or following stop-and-go traffic, Pathfinder’s available driver assistance features, including standard Automatic Emergency Braking, help you see more, sense more, and can even give you an assist when you need it most.6
