Express yourself harder with the 2020 Nissan Kicks. Rock your aesthetic with next-level personalization options and style everywhere, both inside and out. Zip around town your way with Kicks’ precise handling and advanced driver assist features. Feel your playlist like never before with the available Bose® UltraNearfield™ speakers that are built right into the headrest. This is self-expression. This is Nissan Intelligent Mobility.
Welcome to a place that puts you, and your ambitions, first. From the D-shaped steering wheel to the tablet-like display to the distinctive contrast stitching, Kicks® makes you, and your crew, feel like the center of attention. Where you all belong.

GRAB A SEAT AT THE CENTER OF ATTENTION
With Kicks Color Studio, you can make your Kicks one of a kind. Choose from a large selection of available accents and finishes, including the distinctive interior accents shown here on the right. Your ride, your choice.

Available accent color options
Nissan has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual color at your dealer.

TURN UP YOUR ANTHEM
Expect your own personal concert on every drive with available Bose® UltraNearfield™ speakers built right into the driver’s headrest.

NISSAN SAFETY SHIELD® 360
Nissan Intelligent Mobility is changing how you move forever with technology that makes you feel more connected, confident, and excited.

As part of Nissan Intelligent Mobility, Safety Shield 360 includes features that help you see more, sense more, and can give you an assist when you need it. The following features are standard on 2020 Nissan Kicks.

- Automatic Emergency Braking with Pedestrian Detection
- Rear Automatic Braking
- Rear Cross Traffic Alert
- Blind Spot Warning
- Lane Departure Warning
- High Beam Assist

NETWORK LIKE A BOSS
APPLE CARPLAY®
People to see? Places to be? Just ask Siri®. Equipped with Siri®, Apple CarPlay® (shown on the left) brings on board to your Kicks your contacts, favorite audio apps, Apple Maps, and more. You can even use your steering wheel controls to adjust volume and toggle through screens. Simply plug in your compatible iPhone® and go.

ANDROID AUTO™
Know where you’re going and when. Google Maps™ helps you navigate to your next appointment, while your Google Assistant keeps you on top of your schedule. Choose a song, change your destination, or respond to a text with your hands on the wheel using the hundreds of available voice commands.

An innovative, available 7” Advanced Drive-Assist® Display can be customized to show everything from rpm to playlists to fuel economy history. Something you’ll enjoy keeping track of when getting impressive MPG on the highway.
