NissanUSA.com
It’s everything you’re looking for, and more. Versa® features available Nissan Intelligent Mobility technologies that can help keep you safe and connect you to your world like never before.¹

Want personalization? You got it. Interior tech lets you customize every drive, from the available digital gauges to your perfect temperature. And when it comes to performance, merge and maneuver with ease, while getting up to 40 highway MPG.² This is tech that keeps you a step ahead. This is the Nissan Versa.

¹ Nissan Intelligent Mobility technologies may include, but are not limited to, ProPILOT® Assist, e-Pedal, and e-Assist.
² High fuel economy estimates depend on driving conditions and how you drive and maintain your vehicle.
Intelligent Cruise Control

Go with the flow. Available Intelligent Cruise Control watches the flow of traffic to help out with your commute. The system helps maintain an adjustable speed and set distance between you and the car ahead. 3

Intelligent Cruise Control

The innovative available Advanced Drive-Assist Display is at your command. The 7" color display can be customized to show everything from your tachometer to music to fuel economy history. 4, 5

Advanced Drive-Assist® Display

People to see? Places to be? Just ask Siri.® Equipped with Siri® voice control, Apple CarPlay® (shown on the right) brings on board to your Versa your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more. Simply plug in your compatible iPhone® and go. 13, 14

With Android Auto™ you can keep your eyes on the road and hands on the wheel while using your voice to help you with your day. Ask Google to play your favorite song, navigate home, or respond to a text hands-free. Just say, “Hey Google” or long-press the voice control button on your steering wheel. 14, 15, 16

Smartphone connectivity

Imagine being surrounded by confidence on every drive. Nissan Intelligent Mobility includes features that monitor in front of you, behind you, and on either side, and can step in to help keep you safe. These six advanced safety features are standard on Versa SV and above: 1, 6

Automatic Emergency Braking with Pedestrian Detection 7

Nissan Safety Shield® 360

Rear Automatic Braking

Rear Cross Traffic Alert 9, 10

Blind Spot Warning 9, 11

High Beam Assist

Lane Departure Warning 12

Rear Automatic Braking 8

High Beam Assist

Automatic Emergency Braking

With Pedestrian Detection
Versa® gives you a fuel-sipping exceptional 40 highway MPG fuel economy and still delivers more power than ever. That means plenty of punch around town and when merging on the freeway.

Great MPG, plenty of power, infinite city fun

Pass-through trunk and 60/40-split seatbacks

When you need more room for cargo, the available 60/40-split fold-down rear seats let you add some gear, with a passenger still aboard. Or fold both seats down and really pack it in.

It’s okay to say “wow” every time you get in

From the moment you get in, you’ll feel like you’ve been upgraded. Impressive fit and finish, smart design, and available tech you might find in some luxury vehicles all add up to your everyday wow moment.
Nissan has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors.
