Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving through life with greater confidence, excitement and connection to the world around you.
Welcome to exhilaration. A high-tech powerhouse that changes from premium ride to canyon carver at the touch of a button. Loaded with available advanced driver assist features and seamless connectivity with your compatible smartphone. This is what it’s like to drive a living legend.
Pure ambiance

Technically, the term is “Wow.” There’s no better way to describe it — the perfect execution of driving function with elegance and style. The quality of materials and the ideal placement of controls are made for your touch. The long list of luxuries you expect — and a few you hadn’t even thought of — make every moment feel special. It’s just your every day inside of the Nissan Maxima.

Nissan Maxima® Platinum shown in Cashmere Premium Ascot Leather.
Maxima® SR

Start with 19" gloss black aluminum-alloy wheels, a Dual Panel Panoramic Moonroof, and a unique sport-tuned suspension with advanced dynamic technologies. Add in a special interior with Premium Ascot Leather appointments, Alcantara® inserts on the seats and steering wheel, and Satin Dark Chrome faceted interior trim. The result — a driving experience that’s exhilarating in every sense of the word.

Smartphone connectivity

Apple CarPlay® Integration
People to see? Places to be? Just ask Siri®! Equipped with Siri® voice control, Apple CarPlay® brings on board to your Maxima your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more. Simply plug in your compatible iPhone® and go.1, 7

Android Auto™
Talk to Google on Android Auto and get things done with your voice so you can keep your focus on driving. Easily send messages, get directions, control media and more. Just say, ‘Hey Google’ or, in compatible cars, long-press the voice control button on your steering wheel to get started.7, 8, 9

Nissan Safety Shield® 360

Imagine being surrounded by confidence on every drive. Part of Nissan Intelligent Mobility, Safety Shield 360 includes features that monitor in front of you, behind you, and on either side, and can step in to help keep you safe. The following features come standard on every 2022 Nissan Maxima.10, 11
