Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future - moving through life with greater confidence, excitement and connection to the world around you.

Warning: This unit is pre-programmed and cannot be altered. It is designed to enhance your driving experience by providing assistance in various situations. However, it is not a substitute for your attention and judgment while driving. Always be aware of your surroundings and adjust your driving style accordingly. By using this unit, you acknowledge and accept the terms and conditions outlined in the Owner's Manual.

1. Leather appointments. Do not use for extended periods of time. See Owner's Manual for important safety information. 2. Do not use for extended periods of time. See Owner's Manual for important safety information. 3. Information displayed is dependent on how vehicle is equipped. 4. This feature requires your full attention. If you have to use the connected device while driving, exercise extreme caution and only perform tasks that can be done with minimal attention. 5. Cargo shown for display purposes. 6. Available feature shown. Use feature only when safe and legal. 7. Use feature only when safe and legal. 8. All non-Nissan Genuine Accessories are not warranted by Nissan. Refer to accessory product manufacturer for warranty details. Nissan limited warranty also does not cover damages or failures to the vehicle caused by improper installation or alterations. Damage or failures caused by use of non-Nissan-affiliated parts/accessories are also excluded from Nissan warranty coverage. See Owner's Manual for details. 9. Fuel economy based on targeted 2023 EPA Fuel Economy for 2023 Rogue, estimated using model-year design specifications and is subject to Vehicle Certification Center confirmation. Actual mileage may vary with driving conditions. Use for comparison only. 10. Available feature shown. Use feature only when safe and legal. Compatible device and service required. 11. Availability of features vary by vehicle model year, model, trim level, packaging, and options. See Owner's Manual for important feature information. 12. Nissan safety systems cannot prevent all collisions and may not provide warning or braking in all conditions. 13. Automatic Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always check surroundings before driving. See Owner's Manual for safety information. 14. Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always check surroundings before driving. See Owner's Manual for safety information. 15. Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. 16. Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. 17. Nissan RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. 18. Nissan ProPILOT® can help maintain vehicle speed and position, but cannot substitute for driver attention and judgment. Always be aware of the road, traffic, and weather conditions and adapt to them. 19. Using Connected Services requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. 20. Nissan Propilot™ and ProPILOT® are Nissan technologies designed to assist drivers with some aspects of driving. They are not substitutes for attentive driving. The system is not designed to prevent all accidents or collisions. Always be aware of your surroundings and adjust your driving style accordingly. 21. Intelligent Around View® Monitor can help drivers see objects that are not directly visible and reduce the blind spot. It is not a substitute for attentive driving and does not eliminate blind spots or warn of moving objects. Always check the road and surroundings before driving. See Owner's Manual for safety information. 22. Nissan Connect® Services is subject to certain terms and conditions and availability, and may require your own separate subscription. 23. Air bags are only a supplemental restraint system. Always wear your seat belt. 24. Remote Engine Start System to be used only in accordance with any laws or rules in effect in your vehicle’s location. 25. Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. 26. Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. 27. Traffic Sign Recognition may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. See Owner's Manual for details. 28. Never program while driving. See Owner's Manual for safety information. 29. Genuine Nissan Accessories are covered by Nissan's limited warranty on Genuine Nissan Replacement Parts, Genuine NISMO® S-Tune Parts, and Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 36-months/36,000-mile (whichever occurs first) new vehicle limited warranty. Terms and conditions apply. 30. City MPG / 36 Highway MPG / 32 Combined for Rogue SL and Platinum FWD, 28 City MPG / 34 Highway MPG / 31 Combined for Rogue SL and Platinum AWD. MPG estimate based on Nissan internal testing results, subject to EPA confirmation. Actual mileage may vary with driving conditions. Use for comparison only. 31. Leather appointments. Do not use for extended periods of time. See Owner's Manual for important safety information. 32. Items shown for display purposes. 33. Information displayed is dependent on how vehicle is equipped. 34. Real-time traffic and weather information is available for the United States and Canada at nissansmartsockets.com. 35. Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for more information.
How will you go Rogue?
Capable of crossing over into every aspect of your day in fresh, unexpected ways. Thinking fast and responding faster. A never-ending capacity for adventure. This is the Nissan Rogue®.
Start with the available Head-Up Display in the upper left corner, then drop your gaze to the digital dashboard—twelve inches of available vibrant data right behind the steering wheel. A third display, the available 9” Infotainment screen, sits just to the right. Together, they offer nearly three feet of digital information, allowing you to configure Rogue to what you need in the moment. Now look again. See how each display is positioned to give you the info you want? This is customization—pixel by pixel.

You heard it here first. Bose, a leader in high-fidelity sound systems and a long-time Nissan partner, designed an available highly customized listening experience for Rogue. Based on proprietary design and the acoustical analysis of the cabin, Bose brings the power of sound to every seat.

Three genius displays, so many pixels to play with

Nissan Rogue® Platinum AWD shown in Charcoal Quilted Semi-aniline Leather with optional equipment.¹
Pick your seat and relax. Building a crossover from the ground up is about more than premium amenities. It's about designing an experience where family and friends feel welcome and any size personality fits in. So enjoy the available soft semi-aniline leather appointments, the available rear USB ports, and the available Tri-Zone Automatic Temperature Control. Revel in rear doors that open almost 90° for easier entry. And amaze everyone with the view from the available Dual Panoramic Moonroof.

In the cargo area, it's easy to configure the space with the available Divide-N-Hide® cargo system, a set of adjustable dividers giving you six different configurations. You can construct everything from a private storage area to a series of layered shelves. So get in there and mix it up.

Dial in adventure

Meet Nissan’s most capable Rogue® yet. An available Intelligent All-Wheel Drive system with direct coupling reacts almost instantly to help enhance stability and traction with so many possibilities in front of you, there’s virtually no limit to where you can go. That’s why Rogue offers up to five drive modes for practically every scenario. Choose Auto Mode to handle your everyday drive, or select one of the specialized modes to tackle more challenging conditions.

**Off-Road Mode** From gravel to sand to dirt, available Off-Road Mode is uniquely tuned to help you get up to speed. By balancing the transmission and throttle response, the Rogue tailors your all-terrain experience for maximum confidence.

**Snow Mode** If one of your favorite routes has fresh powder, available Snow Mode is engineered to help you make fresh tracks. It knows to back off on the throttle and shift to a higher gear ratio, helping you stay in control.

**Eco Mode** Like its name implies, Eco Mode is engineered to help boost fuel economy. When selected, engine and Xtronic CVT® (Continuously Variable Transmission) controls change to help you drive as efficiently as possible.

**Sport Mode** The fun starts here, especially if you’re about to take on a series of curves. Dial up Sport Mode and the Rogue responds with tighter steering and sharper throttle response. You respond with growing confidence and huge grins as you enter every twist and turn.

You may not know what’s ahead but with ProPILOT Assist with Navi-link, the Rogue is on it. 18

Available ProPILOT Assist helps you navigate stop-and-go freeway traffic while also helping to keep you centered in your lane. 18

Opt for ProPILOT Assist with Navi-link, and the concept of hassle-free driving rises to a new level. 18

By utilizing freeway mapping, available ProPILOT Assist with Navi-link is able to “read the road” what it does with that information gives you a totally new perspective. 18

• Helps smooth the way for upcoming turns, junctions, and off-ramps by adjusting your speed
• Can track posted speed limits with the ability to alter your set speed accordingly

Smarter phone connectivity

Available wireless Apple CarPlay® integration

People to see? Places to be? Just ask Siri®.

Equipped with Siri® voice control, Apple CarPlay® brings your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more on board to your Rogue. No need to plug-in. Your world is now freed from wires. 4, 10

Available wireless charging

You’re always on the move, sometimes changing direction on a moment’s notice. Keep going without the clutter or frustration of cords. Wirelessly recharge your compatible smartphone and re-energize your life. 4

Power or efficiency? Yes

| 37 | 201 | 225 |
| hwy mpg* | horsepower | lb-ft of torque |

Go Rogue® with the kind of numbers designed to exhilarate your soul and satisfy your conscience. It starts with an all-new revolutionary Variable Compression Turbo (VC-Turbo®) engine that can deliver low-compression, turbocharged power and then transform to provide high-compression efficiency. 18 All of which means you get the best of both worlds in one engine. Thrilling power. Long-distance efficiency. No compromise.

Standard Nissan Safety Shield® 360

Imagine feeling confident in almost any situation. With a suite of standard Safety Shield 360 technologies, the Rogue can help look out for you all around. This is peace of mind you can enjoy, mile after mile. 4, 10
