Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future - moving through life with greater confidence, excitement and connection to the world around you.

Always wear your seat belt, and it will make a difference.
Pump up the drive

Go ahead, take in the athletic proportions and artistry in every detail. Feel invigorating response and dynamic performance through every curve. Bask in confidence inspired by standard Nissan Safety Shield® 360.¹ This is you, stepping up your game. This is Nissan Sentra.®
An interior that transcends

This interior inspires interaction, from the soft materials on the door panels and dash to the artful stitching and available leather-appointed seats. Open the oversized moonroof and enjoy the fresh air during the day or the stars at night. Help keep your focus on the road ahead with easy-to-use, intuitive controls and the elevated color touch-screen display. And with touches like matte chrome accents and GT-R®-inspired air vents, Sentra® is just showing off.
Excitement and efficiency – you deserve both

You get all the ingredients of an exciting drive. A low, wide stance for a true connection to the road. A sporty independent rear suspension that can help smooth out the potholes and rough spots. And an energetic engine that delivers a kick when you need it, and smoothness when you want it. At this, with the same impressive fuel efficiency you’d expect of a Sentra.8

Standard smartphone connectivity

As part of Nissan Intelligent Mobility, Nissan Safety Shield 360 includes features that can monitor in front of you, behind you, on either side, and can step in to help keep you safe. The following confidence-inspiring features are all standard on every Sentra.1,8
