Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and look before changing lanes. See Owner's Manual for safety information.

Intelligent Forward Collision Warning cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information.

RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information.

Remote Engine Start System to be used only in accordance with any laws or rules in effect in your vehicle's location. Please read and understand operator's manual and any other applicable information before operating. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary. Visit Nissansite.com/connect/legal for details. Include the vehicle, engine type, and VIN to ensure proper assistance.

Tech for a world that never stops

It’s everything you’re looking for — and more. Available Nissan Intelligent Mobility technologies help keep you safe and connect you to your world.¹ Want personalization? You got it. Interior tech lets you customize every drive. And when it comes to performance, merge and maneuver with ease, while getting up to 40 highway MPG.² This is the Nissan Versa.³
The innovative available Advanced Drive-Assist Display is at your command. The 7” color display can be customized to show everything from your tachometer to music to fuel economy history.4

Intelligent Cruise Control
Go with the flow. Available Intelligent Cruise Control watches the flow of traffic to help out with your commute. The system helps maintain an adjustable speed and set distance between you and the car ahead.3

Advanced Drive-Assist Display
The innovative available Advanced Drive-Assist Display is at your command. The 7” color display can be customized to show everything from your tachometer to music to fuel economy history.4

Nissan Safety Shield® 360
Imagine being surrounded by confidence on every drive. Nissan Intelligent Mobility includes features that monitor in front of you, behind you, and on either side and can step in to help keep you safe. These six advanced safety features are standard on Versa SV and above.1, 9

- Automatic Emergency Braking with Pedestrian Detection®1
- Rear Automatic Braking®
- Rear Cross Traffic Alert®
- Blind Spot Warning®1
- Lane Departure Warning®
- High Beam Assist

Smartphone connectivity
People to see? Places to be? Just ask Siri®. Equipped with Siri® voice control, Apple CarPlay® (shown above) brings on board to your Versa® your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more. Simply plug in your compatible iPhone® and go.5, 6, 7, 8

Talk to Google on Android Auto™ and get things done with your voice. Easily send messages, get directions, control media and more. Just say, “Hey Google” or, in compatible cars, long-press the voice control button on your steering wheel to get started.5, 7, 8
Versa® gives you a fuel-sipping exceptional 40 highway MPG and still delivers more power than ever. That means plenty of punch around town and when merging on the freeway.

Great mpg, plenty of power, infinite city fun

Pass-through trunk and 60/40-split seatbacks

When you need more room for cargo, the available 60/40-split fold-down rear seats let you add some gear with a passenger still aboard. Or fold both seats down and really pack it in.

It's okay to say ‘wow’ every time you get in

From the moment you get in, you’ll feel like you’ve been upgraded. Impressive fit and finish, smart design, and available tech you might find in some luxury vehicles all add up to your everyday wow moment.
