The possibilities are electric

The joy never ends with Nissan LEAF® SV PLUS. Get up to 212 miles off a single charge. Stay connected with your compatible smartphone on the big screen. And travel with confidence, knowing a standard suite of Nissan Safety Shield® 360 features are looking out for you.
Imagine having the option to drive with one pedal. Just press down for an instant rush and ease off to slow down. It’s not only fun, but it also encourages you to drive more efficiently. Of course, going back to driving with two pedals is as easy as flipping a switch.4

Feel the rush of instant acceleration

It’s a thrill you never saw coming. Nissan LEAF’s 100% electric drivetrain delivers instant acceleration as soon as you touch the pedal. Turn the wheel and the fun continues, with a battery pack that sits low in the chassis, letting you hug the road.

ProPILOT Assist5

| Helps keep you centered — even in gentle curves5 | Helps maintain your preset speed and distance5 | Can even come to a complete stop5 |

With available ProPILOT Assist, the Nissan LEAF® helps out with daily highway driving — assisting you by following the car ahead at a preset distance and helping keep you centered in your lane. It can even bring you to a full stop based on the traffic flow and can bring you back up to speed when traffic starts moving again. It all adds up to a more confident, enjoyable drive.5

Commuting has never come this easy

e-Pedal — One-pedal driving

Imagine having the option to drive with one pedal. Just press down for an instant rush and ease off to slow down. It’s not only fun, but it also encourages you to drive more efficiently. Of course, going back to driving with two pedals is as easy as flipping a switch.4
There’s nothing like seeing it on the big screen

People to see? Places to be? Just ask Siri®. Equipped with Siri® voice control, standard Apple CarPlay® brings your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more on board to your Nissan LEAF. Simply plug in your compatible iPhone® and go.

Talk to Google on Android Auto™ and get things done with your voice. Easily send messages, get directions, control media and more. Just say, “Hey Google” or long-press the voice control button on your steering wheel to get started.

Standard Nissan Safety Shield® 360 and driver assist technologies

In one of the most advanced Nissan vehicles ever, you can expect confidence from an array of driver assist and safety features.

Safety Shield 360 includes:
- Automatic Emergency Braking with Pedestrian Detection
- Rear Automatic Braking
- Rear Cross Traffic Alert

Nissan LEAF® also comes standard with:
- Intelligent Blind Spot Intervention
- Intelligent Lane Intervention
- Intelligent Forward Collision Warning
- Lane Departure Warning
- High Beam Assist

Work with Apple CarPlay

Work with Android Auto
Get your day started with NissanConnect® EV & Services

Your Nissan LEAF® is powered up and you’re connected — and you haven’t even stepped out of the house yet. The Nissan Skill for Amazon Alexa or the Nissan Action on Google makes it possible. Or just use the NissanConnect® EV & Services app on your compatible smartphone to remotely lock and unlock your doors, start charging, to heat or cool your cabin, and more.2, 14, 17

Charging at home

Charge overnight, when electricity rates are often lower, using a standard charging timer and 240-V plugs.1

Qmerit

Convenient. Professional. Get a home charger installed with Qmerit certified technicians and customer care specialists.18

At-Home 240-V Charging™

60 kWh Battery: EPA Range up to 212 Miles on Nissan LEAF SV PLUS®
Approx. 11.5 Hours = Full Charge

40 kWh Battery: EPA Range up to 149 Miles on Nissan LEAF®
Approx. 8 Hours = Full Charge

EPA Range up to 212 miles as shown on Nissan LEAF® SV PLUS.1

Charging on the go

An ever-expanding network of public EV charging stations means you’ve got a lot of options for your next charge. Just use the available menu on your Nissan LEAF’s center touch-screen display — you can even filter for the type of charger you are looking for, type of payment method, and more.13, 19, 21

Public DC Quick Charging19, 20, 21

60 kWh Battery: EPA Range up to 212 Miles on Nissan LEAF SV PLUS®
Approx. 45 Minutes = 80% Charge (100 kW)
Approx. 60 Minutes = 80% Charge (50 kW)

40 kWh Battery: EPA Range up to 149 Miles on Nissan LEAF®
Approx. 40 Minutes = 80% Charge (50 kW)

With NissanConnect® technologies, you can tailor how you stay in touch. Plug in and access your compatible smartphone. Available Nissan Door to Door Navigation makes driving to your next destination seamless. Bluetooth® and hands-free texting makes it easy to connect with your world. And you’ll stay charged up with three standard USB-A ports and a standard USB-C port.2, 14, 16, 19

Connect the way you want

Nissan has partnered with EVgo to provide qualifying Nissan LEAF customers with membership and charging credit (in select markets) on the nation’s largest network of public fast chargers, all through the EVgo app. Available in the Apple App Store® and Google Play.™

With room for up to five and available perks like heated front seats, the Nissan LEAF® shows how uncompromising driving electric can be. A “floating” touch-screen display puts your compatible iPhone® on center stage with Apple CarPlay®. Top it off with features like a telescoping D-shaped steering wheel, a distinctive center console, and a super-quiet, noise-insulated cabin, and it’s clear this interior was designed with you in mind.
