It's time to be bold, confident, and unapologetically stylish in every way. And why not bring advanced technology and a premium feel along for the ride? You'll find that in the 2024 Nissan Sentra. Where it takes you is up to you — but everyone will know you've arrived.

On point and fashionably on time

Nissan Sentra® SR shown in Two-tone Atlantic Gray Metallic / Super Black 1 with optional equipment.
A statement piece meant to move you

Go ahead: look and touch. It starts with the premium comfort of available leatherette seats. Take in the small details, like artful stitching, and the big ones, like the available moonroof with its unparalleled view of the stars and sky. Intuitive controls like the elevated touch-screen display keep your technology at your fingertips. And with finishing touches like chrome accents and GT-R®-inspired air vents, Sentra® delights the senses at every turn.
Get a kick out of your Sentra® with a responsive, energetic engine that delivers on the power and the mpg. Sentra’s low, wide stance hugs the road, reminding you that driving is supposed to feel fun. And with a sport-tuned suspension that helps to smooth out your drive, you’ll never want to settle for less.

Plenty of punch

Level up with next-level tech

Apple CarPlay® integration People to see? Places to be? Just ask Siri®. Equipped with Siri® voice control, Apple CarPlay® brings your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more on board to your Sentra. Simply plug in your compatible iPhone® and go.2, 4, 5, 6

Android Auto™ compatibility Talk to Google Assistant on Android Auto and get things done with your voice. Easily send messages, get directions, control media and more. Just say, “Hey Google” on your compatible car, long-press the voice control button on your steering wheel to get started.2, 4, 5, 6

Road-trip-minded, but built for spontaneity — Sentra features a wide, accessible trunk that lets you bring bulkier items with ease. The 60/40-split rear seats give you options on how to flex your space, allowing you to bring long items like skis or drop down both seats for maximum cargo space.14 Once you’re on the road, available front and rear USB ports keep your passengers charged up, while an available built-in Wi-Fi Hotspot helps keep everyone in the loop.2, 4, 5, 15, 39
