To use Android Auto on your car display, you’ll need an Android phone running Android 8 or higher, an active data plan, and the Android Auto app.

Intelligent Driver Alertness cannot provide a warning in every situation. See Owner’s Manual for safety information.

Intelligent Cruise Control uses limited braking to help maintain a safe following distance to the vehicle ahead. It does not always detect every object and does not eliminate blind spots or warn of moving objects. See Owner’s Manual for safety information.

Available feature.

Your Nissan vehicle is equipped with a Dual Camera Drive Recorder to be used only in connection with the Easy-Fill Tire Alert to operate. Vehicle must be on for the Easy-Fill Tire Alert to operate.

System does not detect people or cargo. Always check rear seat before exiting. See Owner’s Manual for safety information.

Go the distance and then some

Versa® sips fuel sparingly, returning up to an exceptional EPA-estimated 40 highway mpg¹ fuel economy, but still has plenty of punch around town and when merging on the freeway.

Every inch goes the extra mile

When you need more room for cargo, the available 60/40-split fold-down rear seats let you add some gear with a rear passenger still aboard. Or fold both seats down for even more possibilities.¹⁶

From the moment you get in, you'll feel like you've been upgraded. Impressive fit and finish, smart design, and available tech you might find in some luxury vehicles all add up to your everyday "wow" moment.
