Bring along your favorite apps ¹

**WIRELESS APPLE CARPLAY® INTEGRATION**

Want to bring your favorite iPhone® apps along for the ride? Apple CarPlay® makes it possible. Access them on your touchscreen display or ask Siri. ¹, 8, 10

---

You can connect wirelessly with your compatible iPhone® on your ARIYA.¹, 8

---

**ANDROID AUTO™ COMPATIBILITY**

Connect your Android™ phone to experience a simpler, safer way to use your phone in the car. Talk to Google on Android Auto and get things done with your voice. Easily send messages, get directions, control media and more. Just say, “Hey Google” or, in compatible cars, long-press the voice control button on your steering wheel to get started.², 8, 10
BLUETOOTH® HANDS-FREE PHONE SYSTEM

Take that incoming call. Bluetooth® calling lets you receive and make calls and texts using your Nissan’s internal speakers.1,10

📞 Upload your phone’s address book, and the vehicle’s system can provide caller ID on your displays.1,8

BLUETOOTH® AUDIO

Your music comes along, too. Streaming Audio via Bluetooth® lets you stream from your compatible smartphone to your Nissan wirelessly.1,8

🔊 Let your rear passengers DJ. Just pass the connected device around or let them add their own device.1,8
Hello Nissan...

Talk to your ARIYA,® and it can respond with just what you want. Just push a button and say “Hello Nissan” and ask it to do a wide variety of tasks ranging from comfort to entertainment to directions.¹

Want to get the cabin to the perfect temp? Press and say “Hello Nissan, turn up the temperature 5 degrees” and ARIYA takes care of the rest.¹, ¹¹

Need to punch in a new destination? Press and say “Hello Nissan, give me directions to...” and say the address. ARIYA loads it up for you in a snap.¹, ²
Need something? Ask Alexa.¹

ALEXA BUILT-IN¹,⁹
Control your compatible smart devices from your front seat, or use a voice service-enabled device inside of your home to talk to your ARIYA. Want to play your favorite music, hear the news, check the weather, and much more? Alexa Built-in makes it possible.¹,⁹,¹²

Control smarthome devices from your ARIYA. Press and say “Alexa, open my garage.”¹,¹²

Can’t remember if you locked the smart lock on your front door? Just press and say “Alexa, lock my front door” instead of driving all the way back to check.¹,¹²
Gain access to the many unique features of your fully electric Nissan ARIYA.® Adjust your cabin temp, set charging timers, and get range info directly from your compatible smartphone and smartwatch. Remote access, driving history on demand, and customizable alerts round out a fully connected experience.¹,¹¹

Plus Package

NAVIGATE THE ROAD LIKE A PRO²:

• Connected Search
• MapCare

• Premium Traffic
• TomTom Weather

This package only applies to vehicles equipped with ProPILOT Assist 2.0⁶
Get the latest maps automatically¹

MAPCARE
From new construction to closures and everything in between, get the latest information sent straight to your ARIYA.⁶¹

Connect your ARIYA to your home Wi-Fi and your maps will automatically download and update on their own.¹, ³

Enjoy your coffee while ARIYA goes to work. You can update your maps on the go at compatible public Wi-Fi hotspots.¹, ³
Let your ARIYA help out on your freeway drives. Maintaining a set speed and distance to the car ahead? That’s easy. Help staying centered in your lane? We’ve got that handled. ProPILOT Assist 2.0 takes it to the next level, letting you take advantage of hands-off driving when you’re cruising in a single freeway lane. Your ARIYA can even prompt you to pass a slow-moving vehicle. To switch lanes, put your hands on the wheel and activate the turn signal — ProPILOT Assist 2.0 can guide you into the next lane.4

INCLUDES THESE FEATURES:

• Connected Search  
• MapCare3  
• Premium Traffic  
• TomTom Weather  
• HD Map Data for ProPILOT Assist 2.04

This package only applies to vehicles equipped with ProPILOT Assist 2.04
ProPILOT ASSIST 2.0

Get help on freeway drives, even enjoy some stretches of hands-off driving. Get help navigating a lane change while both hands are on the wheel. Push a button and ARIYA® can help you overtake a vehicle ahead of you that's traveling slower than your set cruising speed.

Get an alert when your exit is coming up and when it’s clear to move over. Freeway mapping and 360° traffic monitoring help contribute to smooth and precise driving.
When the unexpected happens, Nissan can be there to lend a helping hand. The Security Package offers features that can save the day or just offer some peace of mind.

- Automatic Collision Notification
- Emergency Call
- Connection to Roadside Assistance
- Stolen Vehicle Locator
- Custom Alerts
- And More
SUPPORT

Sometimes the unforeseen can happen, that’s when Nissan can lend a hand. Whether you’re in a collision or you need to call for help, we’re there for you.¹

In the event of a collision, Automatic Collision Notification can connect you to a live Response Specialist who can request emergency services on your behalf, if needed.¹

Make an emergency call. If you find yourself in need of help. Just press the SOS button in your Ariya to be connected (via hands-free voice call) to our live Response Specialists — 24 hours a day, seven days a week.¹
CUSTOMIZABLE ALERTS

Letting the kids borrow the car? Set your own alerts that let you if they’ve driven past your pre-set boundaries or speed limit.¹

💡 Want to make sure your ARIYA stays nearby? Set a boundary alert that reminds the driver to stay within a designated area. If they stray too far, ARIYA lets you know via your compatible smartphone.¹

💡 Lead foot in the family? Set a designated speed alert. If the driver exceeds it, they’ll get an alert to slow down and you’ll get an alert sent directly to your compatible smartphone.¹
The Convenience Package opens up a world of possibilities. Gain remote access to your ARIYA through your compatible smart device from just about anywhere. And enjoy live, 24-hour access to a professionally trained concierge team that’s on-hand to help out — from booking theater tickets to making dinner reservations.¹,⁶
