The possibilities are electric

Thrill never ends with Nissan LEAF®. Get up to an EPA-estimated 212 miles of range on a single charge with SV PLUS models. Adventure in confidence, knowing you’ve got an available 214-hp electric drivetrain and compatible smartphone integration along for the ride — all with zero tailpipe emissions and a quiet drive ready for the EV journey of a lifetime.
Your digital launching pad

People to see? Places to be? Just ask Siri.® Equipped with Siri® voice control, standard Apple CarPlay® brings your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more on board your Nissan LEAF. Simply plug in your compatible iPhone® and go.2,6,7,8

Talk to Google Assistant on Android Auto™ and get things done with your voice. Easily send messages, get directions, control media, and more. Just say, “Hey Google” or long-press the voice control button on your steering wheel to get started.2,6,7,8

ProPILOT Assist+

With available ProPILOT Assist, your Nissan LEAF® can help out with daily highway driving — assisting you by following the car ahead at a preset distance and helping keep you centered in your lane. ProPILOT Assist can even bring you to a full stop based on traffic flow and get you back up to speed when traffic starts moving again. It all adds up to a more confident, enjoyable drive.4

e-Pedal technology: efficiency gets a thrill

Imagine having the option to drive with one pedal. Simply turn on Nissan LEAF’s e-Pedal system with the flip of a switch. Then just press down for an instant rush and ease off to slow down. It’s not only fun, but it also helps make your ride even more efficient.1,5

Standard Nissan Safety Shield® 360 and driver assist technologies

In one of the most advanced Nissan vehicles ever, you can expect confidence from an array of driver assist and safety features.9,10

Nissan LEAF also comes standard with:

- Intelligent Blind Spot Intervention,14
- Intelligent Lane Intervention,15 and Intelligent Forward Collision Warning.16
- Automatic Emergency Braking with Pedestrian Detection11
- Rear Automatic Braking12
- Rear Cross Traffic Alert13
- Blind Spot Warning14
- Lane Departure Warning15
- High Beam Assist

Nissan LEAF also comes standard with: Intelligent Blind Spot Intervention,14 Intelligent Lane Intervention,15 and Intelligent Forward Collision Warning.16
Get a head start on your day with NissanConnect® EV & Services

Your Nissan LEAF® is powered up and ready to go — and you haven’t even touched the steering wheel. Remote connectivity is easy with the Nissan Skill for Amazon Alexa. Or just use the available NissanConnect® EV & Services app on your compatible smartphone to remotely lock and unlock your doors, start charging, heat or cool your cabin, and more.2, 3, 11, 18

Using a charging timer, standard portable charge cable, and a dedicated 240-V outlet, you can easily recharge your Nissan LEAF’s battery overnight when electricity rates may be lowest.20

Need a home charger professionally installed? Nissan has teamed up with Wallbox to help make sure you’re covered. Wallbox offers qualifying 2025 Nissan LEAF owners a special offer on the rugged Pulsar Plus® home charger, which can also be expertly installed by certified technicians at an additional cost for durable, reliable at-home power when you need it.20, 37

Get the most out of charging19

Using a charging timer, standard portable charge cable, and a dedicated 240-V outlet, you can easily recharge your Nissan LEAF’s battery overnight when electricity rates may be lowest.20

An ever-expanding network of public EV charging stations means you’ve got a lot of options for your next charge. Just use the available menu on your Nissan LEAF’s center touch-screen display — you can even filter for the type of charger you are looking for, type of payment method, and more.6, 21

Power up for your next thrill

With room for up to five and available perks like front seat warmers and a hybrid heater system, the Nissan LEAF® shows how remarkable driving electric can be. A “floating” touch-screen display puts your compatible device on center stage. And with the available Nissan Door to Door Navigation System, you can send trip destinations from your compatible smartphone to your Nissan LEAF® and navigate to the front door or even get walking directions to parking spots.

A cabin designed to thrill

Customizable digital display | Intuitive drive selector | D-shaped steering wheel | Noise-insulated cabin
