NissanConnectSM Apps

CONNECTED TO MORE THAN JUST THE ROAD

NissanConnectSM uses hands-free technology, your smartphone, and your Nissan's display screen to help you stay in touch with the outside world from inside your vehicle. It's loaded with features and a growing list of apps to help you stay more connected.

This handy checklist is your roadmap to a more connected driving experience. Feel free to print it out and take it to your vehicle for a quick and easy setup process!

DOWNLOAD THE NISSANCONNECTSM APP

Using your iPhone[®] or Android[®], search for NissanConnectSM in the App Store or Google Play Store to access Mobile Apps in your vehicle.

CONNECT YOUR PHONE TO YOUR NISSAN

If you have a vehicle equipped with navigation, use Bluetooth[®] to pair your Android[®], or use the USB port located in the vehicle's console to connect your iPhone[®]. If you have a vehicle without navigation, both Android[®] and iPhone[®] can be paired using Bluetooth[®].

ENROLL WITH NISSANCONNECTSM

Enrollment is easy. From the NissanConnectSM App, either log in using your current Nissan Owner Portal account information or create a new account. You can also manage the Mobile Apps enabled for your vehicle from the Nissan Owner Portal on your computer.

Once you are enrolled, follow the prompts to add your vehicle to the App. You are almost there.

CHOOSE THE MOBILE APPS YOU WANT TO USE IN YOUR VEHICLE

From the NissanConnectSM App, go to the "Manage My Apps" page and select the apps you want to use in your vehicle. Apps may need to be installed on your phone as well, and some apps may require you to log in to your account before using.

START ENJOYING NISSANCONNECTSM WITH MOBILE APPS

Your phone is connected to your vehicle, you're enrolled in NissanConnectSM, you've enabled the Mobile Apps you want to use. Now all that is left to do is enjoy the drive and experience NissanConnectSM.

HAVING TROUBLE CONNECTING MY NISSANCONNECTSM APP TO MY VEHICLE?

If you are experiencing problems connecting the NissanConnectSM app with your vehicle's non-navigation audio system while connected via Bluetooth[®] please try the following two-step procedure:

1. Open the NissanConnectSM app and sign in using one of the following methods:
Your Nissan Owner Portal account credentials, "Demo" mode or "Use as Guest" mode.
2. Turn the vehicle ignition off and restart the vehicle and/or toggle Bluetooth[®] off and then on again using the audio system Bluetooth[®] menu.

If you are experiencing problems connecting the NissanConnectSM app with your vehicle's navigation audio system while connected via Bluetooth[®] please try the following two-step procedure:

1. Open the NissanConnectSM app and sign in using one of the following methods:
Your Nissan Owner Portal account credentials, "Demo" mode or "Use as Guest" mode.
2. Press the APPS button on your audio system, then press the My Apps button on the screen to connect.
