

This does not constitute tax advice. All persons considering use of available incentives should consult with their own tax professional to determine eligibility, specific amount of benefit available, if any, and further details.

State of California

San Joaquin Valley Electric Vehicle Rebates

Short Description: Rebates of up to \$3,000 are available to residents and businesses located in the San Joaquin Valley for the purchase or lease of plug-in electric vehicles

Beneficiary: Purchaser of an electric vehicle in a qualifying county

Type of Incentive: Cash Rebate

Effective Dates: Current benefit, No Sunset Date

Value of Benefit: Rebate of between \$0 and \$3,000 for each vehicle. Application forms must be filled out.

Full Description: The San Joaquin Valley Air Pollution Control District (SJVAPCD) administers the Drive Clean! Rebate Program, which provides rebates for the purchase or lease of eligible new vehicles, including qualified natural gas, hydrogen fuel cell, propane, zero-emission motorcycles, battery electric, neighborhood electric, and plug-in electric vehicles. The program offers rebates of up to \$3,000 (depending on the vehicle purchased), which are available on a first-come, first-served basis for residents and businesses located in the SJVAPCD. For more information, including a list of eligible vehicles and other requirements, see the SJVAPCD Drive Clean! Rebate Program website.
