Preventative scheduled maintenance is an important investment to optimize the performance, reliability, safety and resale value of your Nissan. Scheduling your vehicle’s maintenance at the recommended intervals will ensure your vehicle is running at its best.

We want you to enjoy your Nissan vehicle. This Service and Maintenance Guide is designed to help you make sure your vehicle receives proper and timely maintenance that is necessary. Key services are explained in detail, along with an outline of scheduled maintenance to help you maintain your vehicle. Your local Nissan dealer can assist you in determining the best schedule based on your driving habits and local conditions.

Failure to perform scheduled maintenance may result in excluding portions of your vehicle from warranty coverage and may reduce the performance, safety, reliability and/or resale value of your vehicle. See your Warranty Information Booklet and Owner’s Manual for details.
WHY NISSAN SERVICE? *

To safeguard the quality, reliability and safety of your vehicle, an authorized Nissan dealer is recommended for maintenance or repair. Only an authorized Nissan dealer offers you these advantages:

- Nissan trained and ASE certified technicians
- Immediate access to warranty service history and Nissan technical information
- Latest diagnostic, special tools and service techniques
- Genuine Nissan Parts that meet Nissan’s demanding standards
- 12 month/12,000 mile parts and labor limited warranty when Genuine Nissan Parts are installed by your dealer
- Lifetime limited warranty on select replacement parts
- Clear, up-front estimates
- Time guaranteed Express Services (at participating dealers)
- Over 1,000 locations nationwide
- Shuttle service/Courtesy van (at participating dealers)

Your Nissan dealer is a full-service maintenance and repair center. We recommend using authorized Nissan Service and Genuine Nissan Parts that we have designed for their reliability, safety and suitability for your Nissan vehicle. We are committed to providing you with quick, efficient and competitively priced service and parts.

* May differ or not apply outside the United States, please inquire of your dealer.
If someone told you, you could drive your new Nissan for the next 7 years or 100,000 miles, almost worry-free of unexpected repair costs, would you be interested?

Nissan’s "Security+Plus" family of extended service contracts delivers the peace of mind that does just that. Security+Plus vehicle protection plans can cover everything from over 1,100 vehicle components to roadside assistance to rental vehicle costs and provide: Nationwide Coverage (over 1,000 Nissan dealers nationwide); utilizing: Genuine Nissan Parts (new or in some cases remanufactured); installed by: Factory Trained Technicians (trained by us to work on your vehicle). And you'll be protected against future inflation (rising cost of parts and labor).

Security+Plus coverage can be purchased any time within your vehicle's original 3-year/36,000-mile basic limited warranty period. Just contact your selling dealer and tell them you'd like to take advantage of one of the best mechanical breakdown plans available for your Nissan today.

Maintaining your vehicle to factory specification by factory trained technicians. Like Security+Plus, you'll benefit from Nationwide Coverage, Genuine Nissan Parts, Factory Trained Technicians, and you'll be protected against future inflation (rising costs of parts and labor). What could be easier? Maintenance+Plus offers four service levels, two service intervals and five time and mileage periods... so it's easy to find a plan that's right for you. Didn't purchase Maintenance+Plus at the time of vehicle delivery? Don't sweat the small stuff, 'New' Maintenance+Plus contracts can be purchased any time within the first 3-months/3,750-miles of original vehicle sale date. If for some reason you missed this initial window a 'Used' Maintenance+Plus contract may be purchased at anytime throughout the life of the vehicle. Just contact your selling dealer and tell them you'd like to take advantage of one of the best maintenance plans available for your Nissan today.

* These products not available outside the United States.

See your participating Nissan dealer for details.
If you have an accident, insist on Genuine Nissan Collision Parts. If you want your vehicle to be restored using parts made to Nissan’s original exacting specifications – if you want it to last, help to protect your personal safety and to help hold its resale value, the solution is simple. Tell your insurance agent and your repair shop to use only Genuine Nissan Collision Parts.

Many non-genuine parts are copies made from impressions of Nissan parts and may not match the specifications and performance standards of Genuine Nissan Parts. As a result, non-genuine parts may not look or fit right, and may be less safe.

The hood on your vehicle is a good example. Nissan designed it with hood buckling creases to help prevent the hood from penetrating the interior of your vehicle in an accident. Non-genuine parts may not provide such built-in safeguards.

In some states, the law says you must be advised if non-genuine parts are used to repair your vehicle. Why should you take a chance?

**Replacement Panel Limited Lifetime Corrosion Warranty**

If you have your collision damage repaired using Genuine Nissan Outer Sheet Metal Panels you don't have to worry about corrosion. That’s because these panels are warranted against inside out rust-through perforation for as long as you own your Nissan. Another reason to insist on Genuine Nissan Collision Repair Parts.

* This warranty does not apply to vehicles not distributed by Nissan North America and/or sold outside the United States.
DETERMINING THE PROPER MAINTENANCE INTERVAL

Depending on your driving habits and local conditions, you should follow one of the three maintenance schedules listed below. Use these guidelines to determine which maintenance schedule to use:

PREMIUM MAINTENANCE* (Every 3,750 miles or 3 months, whichever comes first)

Premium Maintenance is a Nissan-recommended option that is suitable for all driving habits and local conditions. Nissan developed Premium Maintenance for owners who want the ultimate in preventative maintenance. With Premium Maintenance, more maintenance items are regularly checked or replaced than with either Schedule 1 or Schedule 2 maintenance schedules.

Using the Premium Maintenance schedule may optimize the performance, reliability, and resale value of your vehicle.

SCHEDULE 1 (Every 3,750 miles or 3 months, whichever comes first)

Schedule 1 features the same 3,750-mile service intervals as Premium Maintenance; however, with Schedule 1 fewer maintenance items are regularly checked or replaced than with the Premium Maintenance schedule. Use Schedule 1 if you primarily operate your vehicle under any of these conditions:

- Repeated short trips of less than 5 miles in normal temperatures or less than 10 miles in freezing temperatures
- Stop-and-go traffic in hot weather or low-speed driving for long distances
- Driving in dusty conditions or on rough, muddy, or salt-spread roads
- Towing a trailer, or using a camper or car-top carrier

SCHEDULE 2 (Every 7,500 miles or 6 months, whichever comes first)

Schedule 2 features 7,500-mile service intervals; with Schedule 2 fewer maintenance items are regularly checked or replaced than with Schedule 1.

Generally, Schedule 2 applies only to highway driving in temperate conditions. Use Schedule 2 only if you primarily operate your vehicle under conditions other than those listed in Schedule 1.

* Premium Maintenance is a Nissan-recommended option; however, owners need not perform such maintenance in order to maintain the warranties which come with their Nissan. Premium Maintenance may not be available outside the United States, please inquire of your dealer.
EXPLANATION OF SCHEDULED MAINTENANCE ITEMS

The following descriptions are provided to give you a better understanding of the scheduled maintenance items that should be regularly checked or replaced. The maintenance log indicates at which mileage/time intervals each item requires service.

In addition to scheduled maintenance, your Nissan requires that some items be checked during normal day-to-day operation. You can find these items listed under “General Maintenance” in Chapter 8 of your Owner’s Manual.

Items marked with “*” are recommended by Nissan for reliable vehicle operation. You are not required to perform maintenance on these items in order to maintain the warranties which come with your Nissan. Other maintenance items and intervals are required.

When applicable, additional information can be found in the “Maintenance and do-it-yourself” section in Chapter 8 of your Owner’s Manual.

For recommended fuel, lubricants, fluids, grease, and refrigerant, refer to Chapter 9 in your Owner’s Manual.

Emission Control System Maintenance:

Drive Belts*
Check engine drive belts for wear, fraying or cracking and for proper tension. Replace any damaged drive belts.

Engine Air Filter
Replace at specified intervals. When driving for prolonged periods in dusty conditions, check/replace the filter more frequently.

Engine Coolant*
Drain and flush the cooling system at the specified interval.

Engine Oil and Oil Filter
Replace engine oil and oil filter at the specified intervals. For recommended oil grade and viscosity refer to Chapter 9 in your Owner’s Manual.

Engine Valve Clearance*
Inspect only if valve noise increases. Adjust valve clearance if necessary.

Evaporative Emissions Control Vapor Lines*
Check vapor lines and connections for leaks or looseness. Tighten connections or replace parts as necessary.
EXPLANATION OF SCHEDULED MAINTENANCE ITEMS

Fuel Filter
Maintenance-free item (in-tank type filter).

Fuel Lines*
Check the fuel hoses, piping and connections for leaks, looseness, or deterioration. Tighten connections or replace parts as necessary.

Spark Plugs
Replace at specified intervals. Install new plugs of the same type as originally equipped.

Chassis and Body Maintenance:

Brake Lines and Cables
Visually inspect for proper installation. Check for chafing, cracks, deterioration, and signs of leaking. Replace any deteriorated or damaged parts immediately.

Brake Pads, Rotors, Drums, & Linings
Check for wear, deterioration and fluid leaks. Replace any deteriorated or damaged parts immediately.

Cruise Control Vacuum Hoses
Inspect cruise control vacuum hoses for cracks and leakage at the specified intervals.

Exhaust System
Visually inspect the exhaust pipes, muffler and hangers for leaks, cracks, deterioration, and damage. Tighten connections or replace parts as necessary.

In-Cabin Microfilter
Standard equipment on Altima (except 2.5 Base), Maxima, Murano, Quest SE, Titan Crew Cab LE, SE, and Frontier LE, NISMO. Optional accessory on all other models. Replace at specified intervals. When driving for prolonged periods in dusty conditions, replace the filter more frequently.

Propeller Shaft(s)
Check for damage, looseness, and grease leakage. (4WD/AWD).

Steering Gear and Linkage, Axle and Suspension Parts, Drive Shaft Boots
Check for damage, looseness, and leakage of oil or grease. Under severe driving conditions, inspect more frequently.

Tire Rotation
Tires should be rotated every 7,500 miles according to the instructions in the Owner’s Manual (except 350Z). When rotating tires, check for damage and uneven wear. Replace if necessary.
EXPLANATION OF SCHEDULED MAINTENANCE ITEMS

Transmission Fluid/Oil, Differential Oil, Transfer Case Oil
Visually inspect for signs of leakage at specified intervals. If towing a trailer, using a camper or car–top carrier, or driving on rough or muddy roads, replace the fluid/oil every 30,000 miles or 24 months (60,000 miles or 48 months for Murano CVT fluid).

Off-Road Maintenance
Check the following items frequently whenever you drive off-road through deep sand, mud or water:
- Brake pads and rotors
- Brake linings and drums
- Brake lines and hoses
- Differential, transmission and transfer case oil
- Steering linkage
- Propeller shaft(s) and front drive shafts
- Engine air filter
- Clutch housing drain (4WD only)
The following Maintenance Log has been compiled by Nissan to assist you in performing the recommended maintenance services and keeping appropriate records of services performed. Along with the related repair invoices, receipts, and other such records, a properly documented maintenance history could enhance the value of your vehicle should you ever wish to sell it. The services listed represent the minimal Nissan recommended requirements for each time/mileage interval, up to 120,000 miles / 96 months.
Many Nissan dealers nationwide now offer Express Services. All Express Services include a 14-point vehicle inspection and the Express Service guarantee – the Service is completed in the allotted time – or your next Express Service 30 Oil and Filter Change is FREE.

NISSAN EXPRESS SERVICES *

Express Services 30 – Performed in 30 minutes or less

- Oil and filter change service

Ask your participating Nissan dealer about other Express Services

* May differ or not apply outside the United States, please inquire of your dealer.
3,750 MILES OR 3 MONTHS

PREMIUM MAINTENANCE

- Replace engine oil and filter
- Inspect the following:
  - All lights
  - Brake fluid level
  - Clutch fluid
  - Differential oil
  - Engine air filter
  - Engine coolant level/top-off
  - Engine drive belts
  - Power steering fluid/top-off
  - Radiator hoses
  - Tires/adjust air pressure
  - Transmission fluid/oil
  - Washer fluid level/top-off
  - Wiper blades

SCHEDULE 1 MAINTENANCE

- Replace engine oil and filter

SCHEDULE 2 MAINTENANCE

- Replace engine oil and filter (Titan FFV only.)
  All other models: Next scheduled maintenance at 7,500 Miles or 6 Months

Dealer Verified Service Stamp

Equipment varies by model. Perform only those operations that apply to your vehicle.

1 350Z, Armada, Frontier, Murano AWD, Pathfinder, Titan, Xterra.
Genuine Nissan Oil Filters

Genuine Nissan Oil Filters are designed specifically for your vehicle.

Genuine Nissan Oil Filters have an anti-drainback valve that keeps oil in the filter when the engine is not running. This prevents harmful engine wear on start-up.

1 350Z, Armada, Frontier, Murano AWD, Pathfinder, Titan, Xterra.
2 All front wheel drive, 4WD, AWD models.

GENUINE NISSAN PARTS YOU CAN RELY ON

Wiper Blades

Genuine Nissan Wiper Blades and Arms are designed to fit your Nissan and can be installed by any Nissan dealer in just minutes.
11,250 MILES OR 9 MONTHS

PREMIUM MAINTENANCE
- Replace engine oil and filter
- Inspect the following:
  - All lights
  - Brake fluid level
  - Clutch fluid
  - Differential oil
  - Engine air filter
  - Engine coolant level/top-off
  - Engine drive belts
  - Power steering fluid/top-off
  - Radiator hoses
  - Tires/adjust air pressure
  - Transmission fluid/oil
  - Washer fluid level/top-off
  - Wiper blades

SCHEDULE 1 MAINTENANCE
- Replace engine oil and filter

SCHEDULE 2 MAINTENANCE
- Replace engine oil and filter (Titan FFV only.)
- All other models: Next scheduled maintenance at 15,000 Miles or 12 Months

Equipment varies by model. Perform only those operations that apply to your vehicle.
In-Cabin Microfilter

The In-Cabin Microfilter filters the air you breathe in your vehicle. This system filters both outside and recirculated air used by the air conditioning system in your vehicle. Replacing the Microfilter every year or 15,000 miles is the best way to help prevent road dust, pollen and other air pollutants from entering the interior of your vehicle and the air you breathe. If your vehicle is not equipped with an In-Cabin Microfilter system – see your Nissan dealer about getting one installed – you’ll breathe easier.

New Microfilter

Requires Replacement

1 Standard equipment on Altima except 2.5 Base, Maxima, Murano, Quest SE, Titan Crew Cab LE, SE and Frontier LE, NISMO. Optional accessory on all other models.
2 350Z, Armada, Frontier, Murano AWD, Pathfinder, Titan, Xterra.
3 All front wheel drive, 4WD, AWD models.
15,000 MILES OR 12 MONTHS

PREMIUM MAINTENANCE

- Replace engine oil and filter
- Lubricate all locks/hinges
- Replace engine air filter
- Replace in-cabin microfilter
- Replace wiper blades
- Rotate tires (except 350Z)
- Inspect the following:
  - Air conditioning system
  - All lights
  - Automatic transmission/CVT fluid
  - Axle & suspension parts
  - Brake lines & cables
  - Brake pads, rotors, drums & linings
  - Cruise control vacuum hoses
  - Differential oil
  - Drive shaft boots
  - Engine drive belts
  - Exhaust system
  - Front suspension ball joints
  - Manual transmission oil
  - Propeller shaft (4WD/AWD)
  - Steering gear and linkage
  - Steering linkage ball joints
  - Transfer case oil (4WD/AWD)

SCHEDULE 1 MAINTENANCE

- Replace engine oil and filter
- Replace in-cabin microfilter
- Rotate tires (except 350Z)
- Inspect the following:
  - Automatic transmission/CVT fluid
  - Axle & suspension parts
  - Brake lines & cables
  - Brake pads, rotors, drums & linings
  - Cruise control vacuum hoses
  - Differential oil
  - Drive shaft boots
  - Engine drive belts
  - Exhaust system
  - Front suspension ball joints
  - Manual transmission oil
  - Propeller shaft (4WD/AWD)
  - Steering gear and linkage
  - Steering linkage ball joints
  - Transfer case oil (4WD/AWD)

SCHEDULE 2 MAINTENANCE

- Replace engine oil and filter
- Rotate tires (except 350Z)
- Inspect the following:
  - Automatic transmission/CVT fluid
  - Brake lines & cables
  - Brake pads, rotors, drums & linings
  - Cruise control vacuum hoses
  - Differential oil
  - Drive shaft boots
  - Manual transmission oil
  - Propeller shaft (4WD/AWD)
  - Transfer case oil (4WD/AWD)

Equipment varies by model. Perform only those operations that apply to your vehicle.

NISSAN SERVICES DESIGNED WITH YOU IN MIND*

Your Nissan Dealer is Your Complete Source for Tires

- Original Equipment Tires and Other Major Brands
- Competitive Pricing
- Road Hazard Protection Included With Each Tire**
- Convenience
- Factory Trained Technicians

Tires are an important component of your Nissan driving experience. They provide the four points of contact between your vehicle and the road and affect acceleration, braking, cornering, load-carrying capacity, and overall handling and performance.

Nissan engineers perform extensive tests to help determine which tires are best suited for use on Nissan vehicles. Replacing the tires on your Nissan with those that meet the Original Equipment specifications will help maximize your vehicle’s handling, comfort and safety.

* May differ or not apply outside the United States, please inquire of your dealer.
** Excludes Medalist Brand

See your participating Nissan dealer for details.

- Replace engine oil and filter (Titan FFV only.)
- All other models: Next scheduled maintenance at 45,000 Miles or 36 Months

**PREMIUM MAINTENANCE**

- Replace engine oil and filter
- Inspect the following:
  - All lights
  - Brake fluid level
  - Clutch fluid
  - Differential oil
  - Engine air filter
  - Engine coolant level/top-off
  - Engine drive belts
  - Power steering fluid/top-off
  - Radiator hoses
  - Tires/adjust air pressure
  - Transmission fluid/oil
  - Washer fluid level/top-off
  - Wiper blades

**SCHEDULE 1 MAINTENANCE**

- Replace engine oil and filter

**SCHEDULE 2 MAINTENANCE**

- Replace engine oil and filter (Titan FFV only.)
All other models: Next scheduled maintenance at 45,000 Miles or 36 Months

---

1. Standard equipment on Altima except 2.5 Base, Maxima, Murano, Quest SE, Titan Crew Cab LE, SE and Frontier LE, NISMO. Optional accessory on all other models.
2. 350Z, Armada, Frontier, Murano AWD, Pathfinder, Titan, Xterra.
3. All front wheel drive, 4WD, AWD models.
## 45,000 MILES OR 36 MONTHS

### PREMIUM MAINTENANCE
- Replace engine oil and filter
- Lubricate all locks/hinges
- Replace engine air filter
- Replace in-cabin microfilter
- Replace wiper blades
- Rotate tires (except 350Z)
- Inspect the following:
  - Air conditioning system
  - All lights
  - Automatic transmission/CVT fluid
  - Axle & suspension parts
  - Brake lines & cables
  - Brake pads, rotors, drums & linings
  - Cruise control vacuum hoses
  - Differential oil
  - Drive shaft boots
  - Engine drive belts
  - Exhaust system
  - Front suspension ball joints
  - Manual transmission oil
  - Propeller shaft (4WD/AWD)
  - Steering gear and linkage
  - Steering linkage ball joints
  - Transfer case oil (4WD/AWD)

### SCHEDULE 1 MAINTENANCE
- Replace engine oil and filter
- Replace in-cabin microfilter
- Rotate tires (except 350Z)
- Inspect the following:
  - Automatic transmission/CVT fluid
  - Axle & suspension parts
  - Brake lines & cables
  - Brake pads, rotors, drums & linings
  - Cruise control vacuum hoses
  - Differential oil
  - Drive shaft boots
  - Exhaust system
  - Front suspension ball joints
  - Manual transmission oil
  - Propeller shaft (4WD/AWD)
  - Transfer case oil (4WD/AWD)

### SCHEDULE 2 MAINTENANCE
- Replace engine oil and filter
- Rotate tires (except 350Z)
- Inspect the following:
  - Automatic transmission/CVT fluid
  - Brake lines & cables
  - Brake pads, rotors, drums & linings
  - Cruise control vacuum hoses
  - Differential oil
  - Drive shaft boots
  - Manual transmission oil
  - Propeller shaft (4WD/AWD)
  - Transfer case oil (4WD/AWD)

Equipment varies by model. Perform only those operations that apply to your vehicle.

If your vehicle is slow to start or will not start, please see your Nissan dealer about a Genuine Nissan Replacement Battery. Genuine Nissan Replacement Batteries are designed to meet your vehicle’s original specifications and feature an 84 Month Limited Warranty with 24 Month Free Replacement, regardless of mileage. Plus your Nissan dealer has the knowledge and equipment to test your battery before it fails, so you can travel in confidence.

* May or may not apply outside of the United States, please inquire of your dealer.

See your participating Nissan dealer for details.
**56,250 MILES OR 45 MONTHS**

### PREMIUM MAINTENANCE
- Replace engine oil and filter
- Inspect the following:
  - All lights
  - Brake fluid level
  - Clutch fluid
  - Differential oil
  - Engine air filter
  - Engine coolant level/top-off
  - Engine drive belts
  - Power steering fluid/top-off
  - Radiator hoses
  - Tires/adjust air pressure
  - Transmission fluid/oil
  - Washer fluid level/top-off
  - Wiper blades

### SCHEDULE 1 MAINTENANCE
- Replace engine oil and filter

### SCHEDULE 2 MAINTENANCE
- Replace engine oil and filter (Titan FFV only.)
- All other models: Next scheduled maintenance at 60,000 Miles or 48 Months

---

1 350Z, Armada, Frontier, Murano AWD, Pathfinder, Titan, Xterra.

Equipment varies by model. Perform only those operations that apply to your vehicle.
60,000 MILES OR 48 MONTHS

PREMIUM MAINTENANCE

- Replace engine oil and filter
- Replace automatic transmission/CVT fluid
- Replace differential oil
- Replace engine air filter
- Replace engine coolant/flush system
- Replace engine drive belts
- Replace in-cabin microfilter
- Replace manual transmission oil
- Replace radiator cap
- Replace radiator hoses
- Replace transfer case oil (4WD/AWD)
- Replace wiper blades
- Rotate tires (except 350Z)
- Optional: flush automatic transmission (flush with ATF)
- Inspect the following:
  - All lights
  - Axle & suspension parts
  - Brake lines & cables
  - Brake pads, rotors, drums & linings
  - Cruise control vacuum hoses
  - Drive shaft boots
  - Exhaust system

SCHEDULE 1 AND 2 MAINTENANCE

- Replace engine oil and filter
- Replace engine air filter
- Replace engine coolant
- Replace in-cabin microfilter
- Replace manual transmission oil (Frontier only)
- Rotate tires (except 350Z)
- Inspect the following:
  - Automatic transmission/CVT fluid
  - Axle & suspension parts
  - Brake lines & cables
  - Brake pads, rotors, drums & linings
  - Cruise control vacuum hoses
  - Differential oil
  - Drive shaft boots
  - Engine drive belts
  - Exhaust system
  - Front suspension ball joints
  - Fuel lines/connections
  - Fuel tank vapor vent system hoses
  - Headlights/adjust if necessary
  - Propeller shaft (4WD/AWD)
  - Steering gear and linkage
  - Steering linkage ball joints
  - Transfer case oil (4WD/AWD)

Equipment varies by model. Perform only those operations that apply to your vehicle.
63,750 MILES OR 51 MONTHS

PREMIUM MAINTENANCE

- Replace engine oil and filter
- Inspect the following:
  - All lights
  - Brake fluid level
  - Clutch fluid
  - Differential oil
  - Engine air filter
  - Engine coolant level/top-off
  - Engine drive belts
  - Power steering fluid/top-off
  - Radiator hoses
  - Tires/adjust air pressure
  - Transmission fluid/oil
  - Washer fluid level/top-off
  - Wiper blades

SCHEDULE 1 MAINTENANCE

- Replace engine oil and filter

SCHEDULE 2 MAINTENANCE

- Replace engine oil and filter (Titan FFV only.)
All other models: Next scheduled maintenance at 67,500 Miles or 54 Months

Dealer Verified Service Stamp

2 Standard equipment on Altima except 2.5 Base, Maxima, Murano, Quest SE, Titan Crew Cab LE, SE and Frontier LE, NISMO. Optional accessory on all other models.
3 All front wheel drive, 4WD, AWD models.
4 Replace (not just inspect) oil/fluid if towing a trailer, using a camper or a car-top carrier, or driving on rough or muddy roads.
Mufflers

Keep things quiet with a Genuine Nissan Muffler that includes a Lifetime Limited Warranty for both parts and labor.

Genuine Nissan Mufflers are designed to Nissan performance specifications and are single piece construction for better reliability, easy assembly and proper fit.

Shocks/Struts

Shock absorbers and strut assemblies work to make your vehicle ride smoother over rough roads. They help reduce bounce on wheels making the ride safer.

Genuine Nissan Shocks and Struts are competitively priced and offer a Lifetime Limited Warranty for both parts and labor when installed by a Nissan dealer.

* This warranty does not apply to vehicles not distributed by Nissan North America and/or sold outside the United States.

See your participating Nissan dealer for details.
