WHERE TO FIND INFORMATION

* Not applicable outside the United States.
Maintain Your Investment

Preventative scheduled maintenance is an important investment to optimize the performance, reliability, durability, safety and resale value of your Nissan. Scheduling your vehicle’s maintenance at the recommended intervals will ensure your vehicle is running at its best.

We want you to enjoy your Nissan vehicle. This Service and Maintenance Guide is designed to help you make sure your vehicle receives proper and timely maintenance that is necessary. Key services are explained in detail, along with an outline of scheduled maintenance to help you maintain your vehicle. Your local Nissan dealer can assist you in determining the best schedule based on your driving habits and local conditions.

Failure to perform scheduled maintenance may result in excluding portions of your vehicle from warranty coverage and may reduce the performance, safety, reliability, durability and/or resale value of your vehicle. See your Warranty Information Booklet and Owner’s Manual for details.
WHY NISSAN SERVICE? *

To preserve the quality, reliability and safety of your vehicle, an authorized Nissan dealer is recommended for maintenance or repair. Only an authorized Nissan dealer offers you these advantages:

- Nissan trained and ASE certified technicians
- Immediate access to warranty service history and Nissan technical information
- Latest diagnostic, special tools and service techniques
- Genuine Nissan Parts that meet Nissan’s demanding standards
- 12 month/12,000 mile parts and labor limited warranty when Genuine Nissan Parts are installed by your dealer
- Lifetime limited warranty on select replacement parts
- Complimentary Multi-Point Inspections (at participating dealers)
- Clear, up-front estimates
- Time guaranteed Express Services (at participating dealers)
- Over 1,000 locations nationwide
- Shuttle service/Courtesy van (at participating dealers)

Your Nissan dealer is a full-service maintenance and repair center. We recommend using authorized Nissan Service and genuine Nissan Parts that we have designed for their reliability, safety and suitability for your Nissan vehicle. We are committed to providing you with quick, efficient, and competitively priced service and parts.

* May differ or not apply outside the United States, please inquire of your dealer.
EXTENDED SERVICE PLANS *

Security+Plus®
VEHICLE PROTECTION PLAN

If someone told you, you could drive your new Nissan for the next 7 years or 100,000 miles, almost worry-free of unexpected repair costs, would you be interested?

Nissan’s “Security+Plus” family of extended service contracts delivers the peace of mind that does just that. Security+Plus vehicle protection plans can cover everything from over 1,100 vehicle components to roadside assistance to rental vehicle costs and provide: Nationwide Coverage (over 1,000 Nissan dealers nationwide); utilizing: Genuine Nissan Parts (new or in some cases remanufactured); installed by: Factory Trained Technicians (trained by us to work on your vehicle). And you’ll be protected against future inflation (rising cost of parts and labor).

Security+Plus coverage can be purchased any time within your vehicle’s original 3-year/36,000-mile basic limited warranty period. Just contact your selling dealer and tell them you’d like to take advantage of one of the best mechanical breakdown plans available for your Nissan today.

Do you currently have someone that maintains your yard? Cleans your house? Maintains your vehicle? With Maintenance+Plus you’ll be hiring Nissan to maintain your vehicle to factory specification by factory trained technicians. Like Security+Plus, you’ll benefit from Nationwide Coverage, Genuine Nissan Parts, Factory Trained Technicians, and you’ll be protected against future inflation (rising costs of parts and labor). What could be easier?

Maintenance+Plus offers four service levels, two service intervals and five time and mileage periods... so it’s easy to find a plan that’s right for you. Didn’t purchase Maintenance+Plus at the time of vehicle delivery? Don’t sweat the small stuff, ‘New’ Maintenance+Plus contracts can be purchased any time within the first 3-months/3,750-miles of original vehicle sale date. If for some reason you missed this initial window a ‘Used’ Maintenance+Plus contract may be purchased at anytime throughout the life of the vehicle. Just contact your selling dealer and tell them you’d like to take advantage of one of the best maintenance plans available for your Nissan today.

* These products not available outside the United States.

See your participating Nissan dealer for details.
If you have an accident, insist on Genuine Nissan Collision Parts. If you want your vehicle to be restored using parts made to Nissan’s original exacting specifications – if you want it to last, help to protect your personal safety and to help hold its resale value, the solution is simple. Tell your insurance agent and your repair shop to use only Genuine Nissan Collision Parts.

Many non-genuine parts are copies made from impressions of Nissan parts and may not match the specifications and performance standards of Genuine Nissan Parts. As a result, non-genuine parts may not look or fit right, and may be less safe.

The hood on your vehicle is a good example. Nissan designed it with hood buckling creases to help prevent the hood from penetrating the interior of your vehicle in an accident. Non-genuine parts may not provide such built-in safeguards.

In some states, the law says you must be advised if non-genuine parts are used to repair your vehicle. Why should you take a chance?

**Replacement Panel Limited Lifetime Corrosion Warranty**

If you have your collision damage repaired using Genuine Nissan Outer Sheet Metal Panels you don’t have to worry about corrosion. That’s because these panels are warranted against inside out rust-through perforation for as long as you own your Nissan. Another reason to insist on Genuine Nissan Collision Repair Parts.

*This warranty does not apply to vehicles or parts not distributed by Nissan North America and/or sold outside the United States.*
As a condition of your vehicle's warranty, you are responsible for properly maintaining your vehicle. In maintaining your vehicle, you should follow either Schedule 1 or Schedule 2 as listed below. Use these guidelines to determine which maintenance schedule to use.

| SCHEDULE 1 (more severe operating conditions), every 3,750 miles or 3 months, whichever comes first |
| Use Schedule 1 if you primarily operate your vehicle under any of these conditions: |
| 1. Repeated short trips of less than 5 miles in normal temperatures or less than 10 miles in freezing temperatures |
| 2. Stop-and-go traffic in hot weather or low-speed driving for long distances |
| 3. Driving in dusty conditions or on rough, muddy, or salt-spread roads |
| 4. Towing a trailer, or using a camper or car-top carrier |

| SCHEDULE 2 (less severe operating conditions), every 7,500 miles or 6 months, whichever comes first |
| Schedule 2 features 7,500-mile service intervals; with Schedule 2 fewer maintenance items are regularly checked or replaced than with Schedule 1. |
| Generally, Schedule 2 applies only to highway driving in temperate conditions. Use Schedule 2 only if you primarily operate your vehicle under conditions other than those listed in Schedule 1. |

| PREMIUM MAINTENANCE* |
| Premium Maintenance is a Nissan-recommended optional upgrade that adds services to Schedule 1 and 2 when maintenance is performed. |
| Performing the Premium upgrade services may optimize the performance, durability, reliability, and resale value of your vehicle. (Premium Maintenance items are available at every 30,000 miles or 24 month interval.) |

* Premium Maintenance is a Nissan-recommended option; you need not perform such maintenance in order to maintain the warranties which come with your Nissan. Premium Maintenance may not be available outside the United States, please inquire of your dealer.

- For the ultimate in preventative maintenance, ask your Service Advisor for a complimentary Multi-Point Inspection every time you visit your participating Nissan dealer.
EXPLANATION OF SCHEDULED MAINTENANCE ITEMS

The following descriptions are provided to give you a better understanding of the scheduled maintenance items that should be regularly checked or replaced. The maintenance log indicates at which mileage/time intervals each item requires service.

In addition to scheduled maintenance, your Nissan requires that some items be checked during normal day-to-day operation. You can find these items listed under “General Maintenance” in Chapter 8 of your Owner’s Manual.

Items marked with “*” are recommended by Nissan for reliable vehicle operation. You are not required to perform maintenance on these items in order to maintain the warranties which come with your Nissan. Other maintenance items and intervals are required.

When applicable, additional information can be found in the “Maintenance and do-it-yourself” section in Chapter 8 of your Owner’s Manual.

NOTE: Nissan North America does not advocate the use of non-OEM approved aftermarket flushing systems and strongly advises against performing these services on a Nissan product. Many of the aftermarket flushing systems use non-OEM approved chemicals or solvents, the use of which has not been validated by Nissan North America.

For recommended fuel, lubricants, fluids, grease, and refrigerant, refer to Chapter 9 in your Owner’s Manual.

**Emission Control System Maintenance:**

**Drive Belts***
Check engine drive belts for wear, fraying or cracking and for proper tension. Replace any damaged drive belts.

**Engine Air Filter**
Replace at specified intervals. When driving for prolonged periods in dusty conditions, check/replace the filter more frequently.

**Engine Coolant***
Replace coolant at the specified interval.

**Hybrid Electric Vehicle (HEV) Inverter Coolant**
Drain and fill the cooling system with the coolant at the specified interval.

**Engine Oil and Oil Filter**
Replace engine oil and oil filter at the specified intervals. For recommended oil grade and viscosity refer to Chapter 9 in your Owner’s Manual.

**Engine Valve Clearance***
Inspect only if valve noise increases. Adjust valve clearance if necessary.

**Evaporative Emissions Control Vapor Lines***
Check vapor lines and connections for leaks or looseness. Tighten connections or replace parts as necessary.
Fuel Filter
Maintenance-free item (in-tank type filter).

Fuel Lines*
Check the fuel hoses, piping and connections for leaks, looseness, or deterioration. Tighten connections or replace parts as necessary.

Spark Plugs
Replace at specified intervals. Install new plugs of the same type as originally equipped.

Chassis and Body Maintenance:

Brake Lines and Cables
Visually inspect for proper installation, chafing, cracks, deterioration, and signs of leaking. Replace any deteriorated or damaged parts immediately.

Brake Pads, Rotors, Drums, & Linings
Check for wear, deterioration and fluid leaks. Replace any deteriorated or damaged parts immediately.

Exhaust System
Visually inspect the exhaust pipes, muffler and hangers for leaks, cracks, deterioration, and damage. Tighten connections or replace parts as necessary.

In-Cabin Microfilter
Standard equipment on cube, Murano, Altima, Altima Coupe, Pathfinder, Frontier LE and Pro-4X Off-Road, Maxima, Titan Crew Cab LE, Quest, Rogue, Sentra, Versa (except 1.6 Entry) and Xterra (except X).

Optional accessory on all other models. Replace at specified intervals. When driving for prolonged periods in dusty conditions, replace the filter more frequently.

Propeller Shaft(s)
Check for damage, looseness, and grease leakage. (4WD/AWD/RWD).

Steering Gear and Linkage, Axle and Suspension Parts, Drive Shaft Boots
Check for damage, looseness, and leakage of oil or grease. Under severe driving conditions, inspect more frequently.

Tire Rotation
Tires should be rotated every 7,500 miles according to the instructions in the Owner’s Manual (except all 370Z). When rotating tires, check for damage and uneven wear. Replace if necessary.
Transmission Fluid/Oil, Differential Oil, Transfer Case Oil
Visually inspect for signs of leakage at specified intervals. If towing a trailer, using a camper or car–top carrier, or driving on rough or muddy roads, replace the fluid/oil every 30,000 miles or 24 months (60,000 miles for cube, Murano, Altima, Altima Coupe, Maxima, Rogue, Sentra, and Versa CVT fluid). Automatic transmission fluid for 370Z is maintenance-free.

Electronically Controlled Continuously Variable Transmission (eCVT) Fluid (For HEV)
Inspect for leaks and fluid level with the filler plug removed at specified intervals. If towing a trailer, using a camper or car–top carrier, or driving on rough or muddy roads, replace the eCVT fluid every 30,000 miles or 24 months.

Off-Road Maintenance
Check the following items frequently whenever you drive off-road through deep sand, mud or water:

- Brake pads and rotors
- Brake linings and drums
- Brake lines and hoses
- Differential, transmission and transfer case oil
- Steering linkage
- Propeller shaft(s) and front drive shafts
- Engine air filter
- Clutch housing drain (4WD only)
The following Maintenance Schedule has been compiled by Nissan to assist you in performing the recommended maintenance services and keeping appropriate records of services performed. Along with the related repair invoices, receipts, and other such records, a properly documented maintenance history could enhance the value of your vehicle should you ever wish to sell it. The services listed represent the minimal Nissan recommended requirements for each time/mileage interval, up to 120,000 miles / 96 months. Beginning on page 52 you will find a log that should be used to track when and where services were performed. Ask your Service Advisor to update your log each time your vehicle is serviced.
For the ultimate in preventative maintenance, ask your Service Advisor for a complimentary Multi-Point Inspection every time you visit your participating Nissan dealer.

MPI’s are performed by Nissan factory trained Technicians who will provide you with a detailed report of your vehicles condition.

Driving your Nissan should be as worry-free an experience as possible. Trust your Nissan dealership to inspect and maintain your vehicle so you can take pride in knowing your vehicle is ready for the road ahead.

*Available at participating dealers

NOTE: Multi-Point Vehicle Inspection form shown is an example. Actual form and contents may vary.
SCHEDULE 1 MAINTENANCE

- Replace engine oil and filter

SCHEDULE 2 MAINTENANCE

- Replace engine oil and filter
  (Titan FFV and Armada FFV)
  All other models: Next scheduled maintenance at 7,500 Miles or 6 Months

For the ultimate in preventative maintenance, ask your Service Advisor for a complimentary Multi-Point Inspection every time you visit your participating Nissan dealer. See page 12 for more information on Multi-Point Inspections.
Genuine Nissan Oil Filters

Genuine Nissan Oil Filters are designed specifically for your vehicle.

Genuine Nissan Oil Filters have an anti-drainback valve that keeps oil in the filter when the engine is not running. This prevents harmful engine wear on start-up.
### SCHEDULE 1 MAINTENANCE

- Replace engine oil and filter
- Rotate tires (except all 370Z)
- Inspect the following:
  - Axle & suspension
  - Brake pads, rotors, drums & linings
  - Drive shaft boots
  - Exhaust system
  - Front suspension ball joints
  - Propeller shaft (4WD/AWD/RWD)
  - Steering gear and linkage
  - Steering linkage ball joints

### SCHEDULE 2 MAINTENANCE

- Replace engine oil and filter
- Rotate tires (except all 370Z)

---

For the ultimate in preventative maintenance, ask your Service Advisor for a complimentary Multi-Point Inspection every time you visit your participating Nissan dealer. See page 12 for more information on Multi-Point Inspection.

Equipment varies by model. Perform only those operations that apply to your vehicle.
Wiper Blades

Genuine Nissan Wiper Blades and Arms are designed to fit your Nissan and can be installed by any Nissan dealer in just minutes.
For the ultimate in preventative maintenance, ask your Service Advisor for a complimentary Multi-Point Inspection every time you visit your participating Nissan dealer. See page 12 for more information on Multi-Point Inspection.

Equipment varies by model. Perform only those operations that apply to your vehicle.
In-Cabin Microfilter

The In-Cabin Microfilter filters the air you breathe in your vehicle. This system filters both outside and recirculated air used by the air conditioning system in your vehicle. Replacing the Microfilter every year or 15,000 miles is the best way to help prevent road dust, pollen and other air pollutants from entering the interior of your vehicle and the air you breathe. If your vehicle is not equipped with an In-Cabin Microfilter system – see your Nissan dealer about getting one installed – you’ll breathe easier.

1 Standard equipment on cube, Murano, Altima, Altima Coupe, Pathfinder, Frontier LE and Pro-4X Off-Road, Maxima, Titan Crew Cab LE, Quest, Rogue, Sentra, Versa (except 1.6 Entry) and Xterra (except X). Optional accessory on all other models.
2 370Z, Armada, Frontier, Rogue AWD, Pathfinder, Titan, Xterra, Murano AWD.
3 Hybrid Electric Vehicle (HEV).
4 Automatic Transmission fluid except for 370Z.
SCHEDULE 1 MAINTENANCE

- Replace engine oil and filter
- Replace in-cabin microfilter
- Rotate tires (except all 370Z)
- Inspect the following:
  - Automatic transmission/CVT fluid
  - eCVT fluid (HEV)
  - Axle & suspension parts
  - Brake lines & cables
  - Brake pads, rotors, drums & linings
  - Cruise control vacuum hoses
  - Differential oil
  - Drive shaft boots
  - Exhaust system
  - Front suspension ball joints
  - Manual transmission oil
  - Propeller shaft (4WD/AWD/RWD)
  - Steering gear and linkage
  - Steering linkage ball joints
  - Transfer case oil (4WD/AWD)

SCHEDULE 2 MAINTENANCE

- Replace engine oil and filter
- Replace in-cabin microfilter
- Rotate tires (except all 370Z)
- Inspect the following:
  - Automatic transmission/CVT fluid
  - eCVT fluid (HEV)
  - Cruise control vacuum hoses
  - Brake lines & cables
  - Brake pads, rotors, drums & linings
  - Differential oil
  - Drive shaft boots
  - Manual transmission oil
  - Propeller shaft (4WD/AWD/RWD)
  - Transfer case oil (4WD/AWD)

For the ultimate in preventative maintenance, ask your Service Advisor for a complimentary Multi-Point Inspection every time you visit your participating Nissan dealer. See page 12 for more information on Multi-Point Inspection.

Equipment varies by model. Perform only those operations that apply to your vehicle.
18,750 MILES OR 15 MONTHS

SCHEDULE 1 MAINTENANCE

- Replace engine oil and filter

SCHEDULE 2 MAINTENANCE

- Replace engine oil and filter
  (Titan FFV and Armada FFV)
- All other models: Next scheduled maintenance at 22,500 Miles or 18 Months

For the ultimate in preventative maintenance, ask your Service Advisor for a complimentary Multi-Point Inspection every time you visit your participating Nissan dealer. See page 12 for more information on Multi-Point Inspection.
### SCHEDULE 1 MAINTENANCE

- Replace engine oil and filter
- Rotate tires (except all 370Z)
- Inspect the following:
  - Axle & suspension parts
  - Brake pads, rotors, drums & linings
  - Drive shaft boots
  - Exhaust system
  - Front suspension ball joints
  - Propeller shaft (4WD/AWD/RWD)
  - Steering gear and linkage
  - Steering linkage ball joints

### SCHEDULE 2 MAINTENANCE

- Replace engine oil and filter
- Rotate tires (except all 370Z)

---

- For the ultimate in preventative maintenance, ask your Service Advisor for a complimentary Multi-Point Inspection every time you visit your participating Nissan dealer. See page 12 for more information on Multi-Point Inspection.

Equipment varies by model. Perform only those operations that apply to your vehicle.
Brake Service

Stop at Nissan for Brake Service.
- Install new Genuine Nissan front brake pads
- Inspect front rotors
- Inspect and adjust parking brake as necessary
- Inspect entire brake system:
  - Rear Brake Pads/Shoes
  - Rear Brake Rotors/Drums
  - Master Cylinder/Wheel Cylinders
  - Brake Calipers
  - Brake Fluid/Brake Hoses/Brake Lines
  - Vacuum Booster
- Road test your vehicle

Genuine Nissan brake pads are just like the ones that came on your vehicle from the factory, and are warranted for 12 months or 12,000 miles.

* May differ or not apply outside the United States, please inquire of your dealer.

See your participating Nissan dealer for details.
### SCHEDULE 1 MAINTENANCE
- Replace engine oil and filter

### SCHEDULE 2 MAINTENANCE
- Replace engine oil and filter (Titan FFV and Armada FFV)
  - All other models: Next scheduled maintenance at 30,000 Miles or 24 Months

For the ultimate in preventative maintenance, ask your Service Advisor for a complimentary Multi-Point Inspection every time you visit your participating Nissan dealer. See page 12 for more information on Multi-Point Inspection.

Equipment varies by model. Perform only those operations that apply to your vehicle.
### SCHEDULE 1 AND 2 MAINTENANCE

- Replace engine oil and filter
- Replace engine air filter
- Replace in-cabin microfilter
- Rotate tires (except all 370Z)
- Inspect the following:
  - Automatic transmission fluid
  - eCVT fluid (HEV)
  - Axle & suspension parts
  - Brake lines & cables
  - Brake pads, rotors, drums & linings
  - Cruise control vacuum hoses
  - CVT fluid (cube, Murano, Altima, Altima Coupe, Maxima, Rogue, Sentra and Versa)
  - Differential oil
- Drive shaft boots
- Exhaust system
- Front suspension ball joints
- Fuel lines/connections
- Fuel tank vapor vent system hoses
- Manual transmission oil
- Propeller shaft (4WD/AWD/RWD)
- Steering gear and linkage
- Steering linkage ball joints
- Transfer case oil (4WD/AWD)

### PREMIUM MAINTENANCE

Premium Maintenance adds the following services to Schedule 1 & 2:

- Lubricate all locks/hinges
- Replace automatic transmission/CVT/eCVT fluid
- Replace engine coolant
- Replace differential oil
- Replace engine drive belts
- Replace manual transmission oil (if applicable)
- Replace radiator cap
- Replace transfer case oil (4WD/AWD)
- Replace wiper blades
- Inspect the following:
  - All lights
  - Headlights/adjust if necessary

---

For the ultimate in preventative maintenance, ask your Service Advisor for a complimentary Multi-Point Inspection every time you visit your participating Nissan dealer. See page 12 for more information on Multi-Point Inspection.

Equipment varies by model. Perform only those operations that apply to your vehicle.
SCHEDULE 1 MAINTENANCE

- Replace engine oil and filter

SCHEDULE 2 MAINTENANCE

- Replace engine oil and filter (Titan FFV and Armada FFV)
- All other models: Next scheduled maintenance at 37,500 Miles or 30 Months

For the ultimate in preventative maintenance, ask your Service Advisor for a complimentary Multi-Point Inspection every time you visit your participating Nissan dealer. See page 12 for more information on Multi-Point Inspection.

1 370Z, Armada, Frontier, Rogue AWD, Pathfinder, Titan, Xterra, Murano AWD.
2 Standard equipment on cube, Murano, Altima, Altima Coupe, Pathfinder, Frontier LE and Pro-4X Off-Road, Maxima, Titan Crew Cab LE, Quest, Rogue, Sentra, Versa (except 1.6 Entry) and Xterra (except X). Optional accessory on all other models.
3 Replace (not just inspect) oil/fluid if towing a trailer, using a camper or a car-top carrier, or driving on rough or muddy roads.
4 Hybrid Electric Vehicle (HEV).
5 Automatic transmission fluid except for 370Z.
Your Nissan Dealer is Your Complete Source for Tires

- Original Equipment Tires and Other Major Brands
- Competitive Pricing
- Road Hazard Protection Included With Each Tire**
- Convenience
- Factory Trained Technicians

Tires are an important component of your Nissan driving experience. They provide the four points of contact between your vehicle and the road and affect acceleration, braking, cornering, load-carrying capacity, and overall handling and performance.

Nissan engineers perform extensive tests to help determine which tires are best suited for use on Nissan vehicles. Replacing the tires on your Nissan with those that meet the Original Equipment specifications will help maximize your vehicle's handling, comfort and safety.

* May differ or not apply outside the United States, please inquire of your dealer.
** Excludes Medalist Brand

See your participating Nissan dealer for details.
SCHEDULE 1 MAINTENANCE

- Replace engine oil and filter
- Rotate tires (except all 370Z)
- Inspect the following:
  - Axle & suspension parts
  - Brake pads, rotors, drums & linings
  - Drive shaft boots
  - Exhaust system
  - Front suspension ball joints
  - Propeller shaft (4WD/AWD/RWD)
  - Steering gear and linkage
  - Steering linkage ball joints

Equipment varies by model. Perform only those operations that apply to your vehicle.
## SCHEDULE 1 AND 2 MAINTENANCE

- Replace engine oil and filter
- Replace engine air filter
- Replace engine coolant
- Replace spark plugs (NISMO 370Z)
- Replace HEV inverter coolant
- Replace manual transmission oil (Frontier only)
- Replace in-cabin microfilter
- Rotate tires (except all 370Z)
- Inspect the following:
  - Automatic transmission/CVT fluid
  - eCVT fluid (HEV)
  - Axle & suspension parts
  - Brake lines & cables
  - Brake pads, rotors, drums & linings
  - Cruise control vacuum hoses
  - Differential oil
  - Drive shaft boots
  - Engine drive belts
  - Exhaust system
  - Front suspension ball joints
  - Fuel lines/connections
  - Fuel tank vapor vent system hoses
  - Manual transmission oil
  - Propeller shaft (4WD/AWD/RWD)
  - Steering gear and linkage
  - Steering linkage ball joints
  - Transfer case oil (4WD/AWD)

## PREMIUM MAINTENANCE

Premium Maintenance adds the following services to Schedule 1 & 2:

- Lubricate all locks/hinges
- Replace automatic transmission/CVT/eCVT fluid
- Replace differential oil
- Replace engine drive belts
- Replace manual transmission oil (if applicable)
- Replace radiator cap
- Replace transfer case oil (4WD/AWD)
- Replace wiper blades
- Inspect the following:
  - All lights
  - Headlights/adjust if necessary

---

- For the ultimate in preventative maintenance, ask your Service Advisor for a complimentary Multi-Point Inspection every time you visit your participating Nissan dealer. See page 12 for more information on Multi-Point Inspection.

Equipment varies by model. Perform only those operations that apply to your vehicle.
For the ultimate in preventative maintenance, ask your Service Advisor for a complimentary Multi-Point Inspection every time you visit your participating Nissan dealer. See page 12 for more information on Multi-Point Inspection.

1 370Z, Armada, Frontier, Rogue AWD, Pathfinder, Titan, Xterra, Murano AWD.
2 Standard equipment on cube, Murano, Altima, Altima Coupe, Pathfinder, Frontier LE and Pro-4X Off-Road, Maxima, Titan Crew Cab LE, Quest, Rogue, Sentra, Versa (except 1.6 Entry) and Xterra (except X). Optional accessory on all other models.
